Homecoming Weekend 2023

Miami Homecoming launches on Tuesday, October 17 when the Alumni Association begins to "Paint the Town Red" along the legendary red bricks of Uptown. The excitement builds as they continue to share some of their favorite businesses and happenings via Instagram. Be sure to check it out. From there an entire sequence of events and activities unfolds: from the Bourbon Tasting and the Homecoming Huddle on Friday, October 20 at the Uptown Parks, to the Parade, tailgating and Football game vs. Toledo on Saturday, October 21, there is no shortage of activities to be enjoyed by all.

Don't forget, you can still submit your parade entry proposal through October 13. Floats, Classic Cars, Tractors, Bikes, and Walking (four-legged friends too!) entries are encouraged. Submit your entries at: MiamiOH.formstack.com/forms/homecoming_parade_2023

Mini U Trick or Treaters on Campus

Miami University Staff is excited to welcome back our annual trick or treaters from Mini University. Each year we invite the tiny tots to dress in costume and trick or treat throughout the halls and offices on Campus. This year will be no exception. If your office participates in this tradition, Mini U asks that all candy is store bought and packaged individually with no nuts.
