FOREWORD

To you, the class of 1935, we dedicate this book, hoping that in some meager way it may help you to become acquainted with Miami, its history, traditions, and opportunities. We congratulate you on your selection of Miami as your Alma Mater and sincerely trust that you will live up to the honor and the ideals of those that have gone before you.

Since this book is intended mainly as a guide to you in helping you to become acquainted with Miami during your first few weeks here, we have attempted to meet this requirement primarily in the editing of this book. Special emphasis has been laid on those with which you should become familiar immediately if you wish to fit into the life at Miami.

A new feature of the Handbook this year is the silhouette of the Redskin on the cover. We sincerely hope that each of you may do your bit in upholding the Redskin honors and traditions during your four years here, and be proud to go out into life as a graduate of Miami University.

THE STAFF.

PRESIDENT A. H. UPHAM

THE PRESIDENT'S GREETING

To the new students:

At this time you are taking on a new allegiance and a new title. You have become in the minds of everyone, **students of Miami University**, to enjoy the privileges this title confers and to represent us before the world.

I take this occasion to welcome you to the new relationship and urge you in all sincerity to avail yourself fully of those privileges it represents. Libraries, laboratories, a scholarly and sympathetic teaching staff, friendships, rich experiences, traditions—these are all around you, ready at your need.

Will you not devote yourself enthusiastically to the task of being a true son or daughter of Miami, as thousands have before you? If you do, we shall have a delightful and profitable time together.

Cordially yours,

A. H. UPHAM.

Old Miami

(Alma Mater)

Old Miami, from thy hill crest
Thou hast watched the decades roll,
While thy sons have quested from thee
Sturdy hearted, pure of soul.

Old Miami! New Miami!
Days of old and days to be
Weave the story of thy glory,
Old Miami, here's to thee.

Aging in thy simple splendor
Thou the calm and they the storm
Thou didst give them joy and conquest,
Strength from thee sustained their arm.

Thou shalt stand a constant beacon,
Crimson towers against the sky,
Men shall ever seek thy guiding;
Power like thine shall never die.

Miami March Song

Miami old, to thee our love we bring,
To thee our hearts and minds will ever
clinging,
Thy fame of other days, thy gifts so
free
Call us today to sing our praise to
thee.

Chorus:

Love and honor to Miami,
Our college old and grand,
Proudly we shall ever hail thee
Over all the land;
Alma Mater now we praise thee,
Sing joyfully this day,
Love and honor to Miami
Forever and a day.

Thy elms, thy hills, thy skies of azure
hue,
To them is deepest inspiration due,
Thy stately towers upon the hilltop
fair,
To them do we our grateful homage
bear.

On land and sea our hearts will ever be
The truest, bravest man can show to
thee,
Our duty ever in our loyalty,
To guard thy name through all
eternity.

THE COLLEGE

OLD MAIN BUILDING

"Old Main" has seen generations of students pass through the portals of Miami, has shared in their joys and sorrows, has passed through the vicissitudes of civil strife and now looks down calmly upon the "New Miami" of today. The central portion was built in 1818 and was the first permanent structure of the University. Then in 1868, the west wing was erected. It was finally completed in 1898 when the east wing was added.

HISTORY OF MIAMI UNIVERSITY

Miami University was the second institution of higher learning established by the State of Ohio. It was founded as a College of Liberal Arts under the Federal Land Grant by act of the Ohio Legislature in 1809. One year later, the site of the college was located at the village of Oxford, in the center of the township set aside for educational revenues.

Because of the lack of sufficient funds, Miami was little more than an academy until 1824. In the fall of that year R. H. Bishop was secured as president and the school was raised to the dignity of a University. About this time the two literary societies, the Erodelphian and the Miami Union, were founded, and the struggles and rivalries of the two societies eventually led to the formation of the Miami Triad of Greek Letter fraternities, Beta Theta Pi, Phi Delta Theta, and Sigma Chi.

Until the time of the Civil War, Miami increased rapidly in size and prestige. It was during this period that she came to be known as "The Yale of the West," and credits received from Miami were recognized in all of the leading universities of America. But the coming of the Civil War marked the beginning of a dark period in the history of Miami. Many of the students joined the army of the North and many that of the South, so that the attendance was greatly curtailed. After the war there were no funds available for the continuance of the

University, and in 1873 the school was closed.

In 1885 the University was reopened under the leadership of President McFarland. From this time on the rise of the school was rapid and without interruption. In 1887 women were allowed to enter the University for the first time.

In 1902 the School of Education was added, affording a thorough course for prospective grade-school teachers. The Bachelor of Science in education courses for those wishing to prepare for teaching in high schools were added in 1914.

In 1926 the Trustees of Miami University voted to establish a School of Business Administration, with courses leading to the degree, Bachelor of Science in Business. The formal opening of the Business School occurred in the fall of 1928.

The School of Fine Arts was established by action of the Board of Trustees in December, 1928, and inaugurated with the opening of the following academic year. The School of Fine Arts is made up of three departments offering the degrees of Bachelor of Music, Bachelor of Fine Arts, and Bachelor of Architecture.

THE ADMINISTRATION

The administration of Miami University is entrusted to a Board of Trustees and the administrative staff of the University. The Board of Trustees is composed of twenty-seven members, nine being appointed every three years by the Governor of the State of Ohio and confirmed by the Senate. The State Superintendent of Schools is ex-officio a member of the Board.

The Administrative Staff is composed of the president, the deans of the various schools and of women, the registrar, the assistant to the president, and to the deans, and secretaries of these officers. The officers and their positions are as follows:

THE ADVISORY SYSTEM

In order to assure each student that he will have some member of the faculty to whom he may go for advice in his official relations to the University, the student body is divided into Advisory Divisions. These are made according to the course in which the student is enrolled and are also divided according to men and women.

The University also maintains at a considerable cost, Freshman Advisers. These men are members of the University faculty and are selected for their competence for the position. These men have charge of the dormitory in which they reside, and are open for conferences at all times.

UNIVERSITY RULES

1. Smoking in any University building other than the men's dormitories is strictly forbidden.
2. Drinking of intoxicating liquors of any kind is punishable by suspension.
3. Any organization wishing to use a room in a University building must present a written request to the Calendar Committee, which meets in the President's office, Benton Hall, at 11:00 o'clock each Friday.
4. All social events must have the sanction of the Dean of Women.
5. No student may maintain an automobile in Oxford at any time. Violation of this rule is followed by suspension.

Rules Governing Absences

Believing that the practice of passing upon absences for reasons other than those stated below, in rule a, is unsatisfactory to student, instructor, and director, the faculty has enacted the following regulations:

a. No excuse for absences from class attendance or other University appointments shall be granted except for confinement in the hospital for sickness or in case the student is debarred from class by order of the University physician. In such cases the absences shall be cancelled.

b. For every twenty uncanceled absences the student shall have one hour deducted from his credits made during the semester and any fraction over twenty shall be carried over to the next semester.

c. Uncanceled absences incurred in a class in excess of the number of times that class meets per week shall be doubled in the operation of paragraph b.

d. Absences incurred the day preceding and the day following a holiday shall be trebled in the operation of paragraph b.

e. Absences incurred by being taken from town for athletic, debate, or other performances under the direction of a member of the faculty shall be cancelled. Regularly chosen delegates to conventions of University societies, fraternities, and sororities, may have such absences cancelled, providing they were honor students the preceding semester.

f. Whenever a student is specifically reported in writing, by an instructor to an advisor as being absent from class to such an extent as to make his own work notably inefficient or impair the morale of the class, the advisor shall drop the student from that class with a grade of "F." Any student who is regularly absenting himself from any course for which he is registered, renders himself liable to suspension.

g. Students who make 3.5 average or above in a semester shall have all absences of that semester cancelled.

h. Any student having three uncanceled absences in physical education will be called before the Executive Committee and is liable to suspension.

AUTOS

The rule which prohibits the possession of an auto in Oxford during the school year, is one which is not burdensome, injurious, or unfair to the student. In fact, not only the faculty, but also a large part of the student body consider it a very desirable regulation.

In the first place an auto is not necessary for transportation within Oxford. No distance across the town is so great that it cannot be walked comfortably in ten minutes, while the average distance is about three blocks. In such circumstances an auto would be more of a bother than a help.

But besides that, the possession of an auto usually has a distracting influence on the mind of the possessor. It forms a center of interest which is at odds with the main purpose of the

University. This, together with the ever present danger of accidents when out with the "crowd," is likely to be reflected in a lowered standard of academic achievement.

Finally, an auto adds materially to the cost of living, an item which few Miami students can afford to totally ignore.

STUDENT GOVERNMENT

R. COULTON

MIAMI STUDENT GOVERNMENT

Two years ago, because of a general dissatisfaction with the existing form of government and its inadequate handling of student affairs, a series of group meetings of faculty and students were held to discuss and draw up a new form of government for submission to the Student Body for their approval or rejection. This new form of government was passed by the Student Body and the University Senate by overwhelming majorities, and went into effect that spring. The only part which failed to meet the approval of the University Senate was that regarding the Honor System, which was stricken from the Constitution at a special meeting.

CONSTITUTION

(b) This Board shall act in all cases involving both men and women unless after consideration of each case it deems it wise to refer any case to the separate Board for trial.

Section 4. Each Discipline Board shall elect a Chairman from within its number.

Article 4

(c) Twelve (12) members shall constitute a quorum.

(d) Three consecutive absences or five unexcused absences shall be considered sufficient to declare a vacancy, which may be filled by appointment by the chairman, with the consent of the Council.

WOMEN'S STUDENT GOVERNMENT

When the old form of student government at Miami was abolished last year, the Women's Student Government Association, the women's division of the old form of government, was also abolished and a Women's Legislative Council was set up to take its place. It is the purpose of this organization to create a sense of unity and fellowship among the women, to promote and maintain high standards of university life, and to regulate all matters of student interest not falling under the jurisdiction of the faculty.

It is felt that the best results are obtained for the entire college by placing on the individual a personal responsibility for the development on the campus of a sense of loyalty to the traditions of the college, a sense of honor in academic work, and in athletic activities.

The members of the council are the women members of the Student-Faculty Council, and the members of the Women's Disciplinary Board not already members of the Student-Faculty Council. It also has an intimacy with the chairmen of the halls and cottages, presidents of the different classes, the Y. W. C. A., the Girl's Athletic Association, and the literary societies, thereby forming a vital connection with all the women's interests of the University.

REGULATIONS FOR MIAMI WOMEN 1931-32

Since the life of students on a campus must conform to the environment of the University and its aims, Miami women have agreed upon certain general considerations for the protection of their interests as individuals and as a group.

These considerations are embodied in the following standards of behavior which apply equally to all Miami women living in halls and cottages at any time during the college year, and before and after a vacation.

House Life

Quiet: Evening study hours.

Quiet: Absolute, between 10:30 P. M. and 6:30 A. M.

Closing hour: 10 o'clock on all nights except Saturday. 11 o'clock on Saturday.

Guests—Guests are expected to abide by the standards in force for Miami women. Guests, including girls coming from other halls, sign in register, giving name of hostess and room number.

Signing Out—All students sign out for any absence from hall or cottage in evening or for any absence from town during day or evening.

Social Life

Upperclass Students — All students

may use Friday, Saturday, and Sunday evenings for social plans in Oxford, ending them at closing hours of halls. The privilege of determining what other evenings may be used in this way is extended to those upperclass students who are maintaining a satisfactory academic record.

Freshmen—This privilege cannot be extended to freshmen until they have established a stable academic record.

Driving—It is a rule of the University that students may not keep automobiles during their residence in college. Automobile drives are not a part of student social life except as special permission is given by the heads of halls.

Dances—All women must return to their own halls and cottages within one-half hour after the close of a dance.

Absence from Oxford—Women may leave Oxford only with permission of heads of halls, except for daytime shopping trips which involve no social plans. Requests for overnight trips away from Oxford, other than to the student's own home must be accompanied by a letter from parents, specifying arrangements for travel, escort, and hostess. If attendance at a dance is to be included in the trip, this fact must be specified in the parent's permission.

Smoking—Miami University women are expected not to smoke.

"Bumming"—"Bumming" rides to and from Oxford is forbidden.

Chaperonage—Approved chaperonage is required for all meetings, dinners, or calls for any purpose whatever at a men's chapter house or dormitory.

Swimming—Since there are no adequate facilities for outdoor swimming, such permission cannot be given.

Picnics—Report picnics with men to heads of halls. Permission is not given on Sunday for Miami men and women to picnic together.

All Miami women are asked to conduct themselves in such a way as not to attract public attention, or to reflect upon the standards of Miami University.

Be optimistic—even a busted watch is right twice a day.

FRESHMAN TIPS

DO!

Forget that you came from any particular high school. You are a Miami man now.

Keep an eye on your studies; they merit some consideration.

Get acquainted with your professors. They are a fine bunch of fellows.

Do all the good you can and keep the knowledge of it under your own hat.

Do not smoke in University buildings. It's "dangerous."

Take off your hat when "Old Miami" is sung.

Do all your work on week days, "P. A." on Friday, Saturday, or Sunday, or don't "P. A." at all. Go home before 10:30.

Keep quiet about your high school records. If they are of any interest, they are known already. Get acquainted with the student publications. Get out for some activity; and **STAY OUT.**

Be a mixer and a credit to the University.

Learn the songs and yells and join in the rooting.

Go to Assemblies.

Go to class meetings and mix in class affairs.

Read this book through and follow its suggestions.

GET SETTLED

Having secured a room, get settled promptly. But remember that your landlady, or the University, has some few rights. In spite of the fact that you have come to live with them, please remember that some one will have to live in the same place after you are gone and conduct yourself accordingly.

Miami is a state school and therefore state supported. You are a part of the state and therefore help to support it. What you destroy is yours and you are the one who has to pay. Damages are levied upon any student or group of students who in any way injure the property of Miami University.

NEW STUDENTS

When you arrive in Oxford, whether by train or bus, you will find a Y. W. or Y. M. representative waiting for you. He or she will tell you where to go and what to do. Do not be afraid to ask questions; that is what they are there for, and, furthermore, they were freshmen once themselves and can sympathize with you.

If you do not know the number of your room, women should go immediately to the Dean of Women, and men to Mr. Morris, both of whom you will find in Benton Hall, and arrange for your room. Then hunt up the expressman and have your trunk delivered as soon as possible. Make your room comfortable the first day. You may not have time to pay much attention to it for a week afterwards, and a comfortable room is a great panacea for homesickness.

WHAT TO BRING

When you start packing up to come to Miami the following suggestions might be of some value in selecting and rejecting material:

In the men's dorms, sheets, pillows, and pillow-cases are provided by the University and laundered by the school service. A small charge is made at the beginning of the year to cover the expense. Blankets and comforts are furnished by the men themselves.

Women are required to bring their own sheets and pillow-cases. They are also expected to take care of cleaning their own rooms.

Miami is not essentially a fancy dress school. Rough clothing is worn very much by the men, especially in the winter time. Sheepskins, a heavy sweater and high shoes are worn a great deal.

Bring what you are accustomed to at home. No one is going to point at you because you are not dressed in the height of fashion. You are at school to study and not to learn the fine points about dress.

Bank accounts can be opened at either one of the two banks at Oxford or you can draw directly from home. The Oxford banks usually require that accounts with them be not allowed to run under fifty dollars.

Come prepared to pay for your room rent for one semester, several weeks' board, activity fee and other fees such as your lab fees, room key deposit and so forth. Registration fees will generally run up to about one hundred twenty dollars, depending on courses and various other factors.

And above all, come with an abounding curiosity to find out what it's all about, the determination to stick it out when it becomes hard and you get homesick, and the idea that you will get out of these greatest four years of your life just what you put into them.

FRESHMAN WEEK

Freshman week was inaugurated at Miami four years ago. The purpose is to acclimate the freshmen of the University before the return of the upper-classmen. All matters of student interest are explained and the year's work outlined to the student's greatest advantage. During the four day period the freshmen are divided into sections of twenty-five each, according to the course which they expect to pursue. Each group is under the direction of a faculty leader, a faculty assistant, and a student assistant who is a member of one of the Christian Association Cabinets.

The material outlined for the week is covered in about eight joint discussions and lecture meetings. The first meeting is given over to a careful explanation of the purpose and plan of the English, Psychological and Physical examinations which are given. Two meetings are used to explain the different courses offered at Miami and to check up on the vocational aims of each student. Group meetings during the remaining part of the week are devoted to discussions of college rules and regulations, academic requirements, probation, absences, grades, honorary organizations, campus activities, fraternities, etc. Also a tour of

the campus is made so that every student may have a glimpse of the whole plant.

There will be no fraternity or sorority rushing until 4:00 Thursday afternoon after Freshman Week is over. Until that time upperclass students on the campus are pledged not to discuss the matter except as it is brought up in group discussions.

RULES FOR FRESHMAN MEN

These customs have grown up as a result of years of usage. They are few in number, but every first year man should take pride in following them in spirit as well as in letter.

1. All Freshmen buy their little gray and green caps the first Monday after registration. This rule applies to all except those who have complied with a similar requirement at another school for the period required. These caps are to be worn at all times while in Oxford, except when leaving or arriving in town. They are also to be worn between semesters and during the various holidays before the Spring Recess, while in Oxford.

2. On the last night before the Spring Recess, the Freshman class burn their caps with appropriate ceremonies in a huge bonfire on Cook Field. After the cap-burning, a dance is given in the gymnasium.

3. All Freshman men help to gather wood for the bonfires before each pep meeting in the fall. There is usually a good deal of competition at this time, as each Freshman class tries to build

a bigger pile of wood than any previous class.

4. Freshman men meet all visiting athletic teams at the depot and carry their luggage. This is one of the most important regulations, for it is on its hospitality that a school is largely judged, and it is the duty of every Freshman to do all in his power to make Miami respected by the other schools with which she comes in contact.

5. In addition to carrying their luggage from the depot, Freshman men aid visiting teams in every way possible, both before and after the game. They also run errands for players and coaches of both the visiting and home teams during a game, keep the water jugs filled, and make themselves useful in every possible way.

6. After every athletic victory, whether played at Oxford or elsewhere, the Freshmen ring the bell in the Main Building for at least an hour. The longer the bell is rung, the better the impression gained of the Freshmen by their elders. Nuff sed.

7. No Freshman shall bring a date to any pep meeting or University athletic event.

8. All loyal Freshmen help decorate the Athletic Field for the Homecoming game. This is the big game of the year at Oxford, because of the return of a great number of alumni.

GREEK LETTER SOCIETIES

Miami is famous among fraternities of the United States as the "mother of fraternities." Five national fraternities three of them composing the renowned "Miami Triad," were founded at Miami during the hundred-odd years of her existence. Besides these, several national sororities were founded here.

There are now thirty Greek letter societies on the campus, fourteen fraternities and sixteen sororities. Each has from fifteen to fifty-four or sixty members depending on the nature of the society. Fraternities all have their own houses, and most have their own boarding clubs. Sororities live and board in the University Halls.

Membership in one of these societies always comes through an invitation from the group and NEVER by application.

When making your choice of an organization, do not jump at the first bid you receive. Weigh the various groups carefully and see which one in your estimation is most compatible with your views and customs. On your decision will depend much of your social life during your four years at Miami. The following questions will be of help in making your choice:

1. Do the members of this group have the right attitude toward similar groups?

2. Are their principles regarding life and college affairs the same ones that I hold?

3. Am I financially able to join?

4. Will I be able to make myself a part of the group as it now stands?

If you should not receive a bid do not be disappointed. Your success in college is not dependent on being a member of one of these societies. They are incidental to the real purpose of college.

Greek-letter societies in the order of their establishment on the campus are as follows:

DEFERRED INITIATION

1. That beginning with the class entering in September 1930, initiation into the social fraternities and sororities shall not take place before the beginning of the sophomore year, and not then unless the candidate shall have earned sixty credit points, thirty of these in the semester just preceding.
2. That initiation of students who enter the University with advanced standing from another institution shall not take place for one semester, and shall then be contingent upon earning thirty credit points in the semester preceding initiation.

3. That in the case of students entering on warning because of a poor record in high school, fraternities and sororities shall refrain entirely from rushing or pledging for an entire semester, after which time the students must have a sufficient standing to be off academic probation.

FRATERNITY RUSHING RULES

No fraternity is allowed to rush or pledge a man before THURSDAY, of Freshman Week, at 4:00 P. M.

Each fraternity is allowed only six men, not including Freshman Week assistants, in Oxford during Freshman Week to get their respective houses in condition. Those men are not allowed to make an approach to freshmen as there will be no discussion of fraternities except in authorized group discussion.

An impartial faculty committee will have its headquarters in the Conference Room on the first floor of Benton Hall during the first week of school. To this committee all disputes and violations of rules should be reported.

REMEMBER

That you are a MIAMI Man. Be proud of it.

That Miami University will be judged by your conduct wherever you may go. Always let your conduct be such as will bring credit to the great University that we all love.

That Miami has many traditions, and we depend upon you new students to preserve and cherish them. They mean much to every Miami man and woman.

That Miami's courtesy at athletic contests is above reproach. Do your part to keep it so.

To write the folks at home every week.

To attend the assembly on Thursday mornings. They will give you inspiration for your week's work.

To attend your own church in Oxford on Sunday evening. You will receive something there which even the University does not give.

To be courteous to faculty members.

That it is by service to humanity that Miami men have become great.

That the "Miami Spirit" is nationally known. Do your part.

To be of some service.

ASSEMBLY

Miami has maintained compulsory assembly attendance for the past two years. However, this year the University, due to the vast crowds at the weekly assemblies, thought it advisable to allow assembly credit for the University Vesper services, held twice each month on Sunday afternoons. At the present time the ruling on assemblies provides that every student must attend two of these assemblies each month, either the weekly assembly in Benton Auditorium, or the Vesper services is credited.

The weekly assembly comes at 10:00 o'clock every Thursday morning, and programs of sufficient interest are arranged so that the students will want to attend. No classes are scheduled for that hour, so that all students are able to attend. Attendance will be checked and cuts recorded just as in classes.

The Vesper services begin early in October, and are held at 4:00 o'clock in Benton Auditorium.

ATHLETICS

R. Leaton

Varsity Athletics

Miami finished third in the Buckeye athletic standing this year, missing second place by one point. The Redskins took undisputed championships in both baseball and track, thus placing first in two of the four major sports. The harriers finished second in cross country. However, the Redskins did not furnish such a close race this year in football and basketball, and the mediocre records in these sports kept them from annexing the first place laurels.

FOOTBALL

When the uniforms were put away this fall, Miami showed a rather mediocre record to hang up, as compared with those of past years. Taking fourth place in the Buckeye, the Redskins finished the season with a total of four victories, four defeats, and one tie.

The Redskins played inconsistently one game and brilliantly the next. After two sound victories over Kentucky Wesleyan and Denison, they fell before the champion Ohio University eleven. A week later they came back to hand an undefeated Ashland team a 48 to 0 trouncing. By far the most thrilling and spectacular battle of the year was the Homecoming game with Ohio Wesleyan, which the Bishops finally took 23 to 20. On a field of ice, rather than the usual sea of mud, Cincinnati took the Thanksgiving Day struggle for the first time in six years, 6 to 0.

1931 BUCKEYE CONFERENCE CHAMPIONS

Although several good men will be lost by graduation, a wealth of fine material is expected from the freshman squad. Two new men have been added to the coaching staff, which leans to a more successful season in 1931.

BASKETBALL

Faced with the advent of an entirely new coaching system, the Redskin quintet did not develop into its heralded form until late in the championship season.

As most of the material was available from last year's team as a foundation, pre-season estimates gave Miami an edge over its Buckeye foes, which they fell short of upholding. After losing several games in the early round, the Redskins came back to defeat Denison, Wesleyan, and Cincinnati. Playing through a difficult schedule, including two Big Ten schools, the team experienced difficulty in winning consistently. As in the previous year, the inability of the Redskin quintet to make their foul shots detracted from their attack.

With some good men returning next year, plus material coming up from a strong freshman squad, and a new, larger gymnasium for a training ground, there is every prospect for a better season in 1931-32.

TRACK

The Miami track team added to its laurels by winning the Buckeye championship for the third successive year. The team also completed the three seasons without suffering a defeat either in a dual or triangular meet.

The Buckeye meet this year was held at Cincinnati. Seven new records were set, five of these by Redskins. Miami placed in every event save the 220. Gordon, who has never been beaten in the 440 by an Ohio college opponent, set a new record of 48.3 seconds for that event. Shugert ran the mile in 4 minutes 20.8 seconds, and the two mile in 9 minutes 41.6 seconds, to set new marks. Steinhauer jumped 22 feet 11 inches to shatter his broad jump record, and V. Cheadle tossed the discus 132 feet 8 1/2 inches. Miami opened the season with an overwhelming victory over DePauw and Earlham in a triangular meet at Greencastle. In the first dual meet at Varsity field the Redskins took the measure of Muskingum 87 to 44. The following week Ohio Wesleyan's powerful team came to Oxford and were handed their third setback in as many years by a score of 79 2-3 to 51 1-3. The dual meet with Cincinnati came next, Miami winning easily 97 1-6 to 33 5-6.

The team again showed up well in the various relay and indoor meets. Gordon took the 300 yard dash at the Illinois Relays for the second year. The entire Miami team journeyed to Cincinnati to win that city's indoor meet for the second season in a row. Miami

again stood out at the Ohio Relays. Rowlands won the javelin over all competition the Big Ten had to offer; and the sprint medley team, composed of Gordon, Stark, Steinhauer and Reed, set a new mark for Ohio colleges. The Redskins placed second in the two mile college relay and third in the distance medley. J. Cheadle also bettered the Miami record in the pole vault, when he cleared the bar at 12 feet 5 1/4 inches in the dual meet with Ohio Wesleyan.

Several valuable men will be lost by graduation this year. An unusually strong freshman team, however, makes the prospects for a successful season in 1932 quite bright.

BASEBALL

Miami won the Buckeye Championship in baseball this year, breaking loose from the usual first place tie with Cincinnati.

The team also showed up exceptionally well outside the conference games, defeating such schools as Indiana University and Michigan of the Big Ten and Kentucky State of the Southern Conference. The totals for the season showed the Redskins winners in 10 games with three losses, two of which were by the scant margin of one run.

At the beginning of the year the absence of a veteran pitcher made the prospects look exceedingly doubtful. But an excellent staff, led by Kelley and Stephenson soon developed. A veteran team will again be on the field next year.

CROSS COUNTRY

The cross country team chalked up another successful list of victories this year. After losing the first meet of the year to Michigan State Normal, the Redskin harriers hit their stride and defeated Ohio University, Ohio Wesleyan, Muskingum and Cincinnati.

Miami took second in the Buckeye Meet, finishing two points behind Wesleyan. Shugert continued his sensational running, winning the Cincinnati Y. M. C. A.'s Annual Thanksgiving Road Race. Miami placed eight men in the first twenty runners.

Although several good men will graduate, the freshman prospects indicate another winning season next year.

Athletic Association

All students of Miami are members of the Athletic Association. By a payment of a student fee of five dollars at the beginning of each semester each student becomes a member of the Association and receives a book of tickets which admits him or her to all contests in Oxford. These tickets are not transferable and are non-redeemable.

Athletic Board of Control

The Board is composed of five faculty members, appointed by the President of the University, and three students, elected by members of the Athletic Association. This organization awards letters, approves schedules, and has control over all policies of athletics.

THE BUCKEYE ATHLETIC ASSOCIA- TION AND THE BUCKEYE ATHLETIC CONFERENCE

In the winter of 1925, several Ohio coaches met at Columbus to arrange more suitable schedules for their teams. At this meeting a schedule-making group, called The Buckeye Association, was formed with Miami, Wittenberg, Cincinnati, Ohio University, Denison, and Ohio Wesleyan as members. These schools did not formally withdraw from the old Ohio Conference at that time but did so in the latter part of May 1926, because of the demand of the Ohio officials that the Buckeye dissolve. Thus there was brought into existence a new conference which was christened The Buckeye Athletic Association, with the six original schools as members.

In the latter part of the year 1926, these six schools at the request of the Ohio officials, returned to the old Ohio Conference but still kept their old schedule making rights. In 1928, when a new ruling was passed requiring all schools to place schedule making activities in the hands of the Conference, these Buckeye schools formally withdrew from the Ohio Board of Managers Association, which is the scheduling body of the Ohio Conference. This resignation was accepted in March 1928. In May, 1928, these six schools formally withdrew from the Ohio Conference and formed the Buckeye Intercollegiate Athletic Conference with the six original schools as members.

This organization now has its own constitution, rules, and by-laws as

well as eligibility rules. The rules for eligibility in the new conference are more strict than those of the Ohio Conference, and each student is urged to read and study the rules of this conference which follow. Wittenberg failed to comply with the rules in 1929, and was forced to withdraw.

Under the assurance that the Buckeye rules will be strictly abided by, however, Wittenberg has been reinstated. DePauw and Wabash, two new schools, will be admitted to conference standing beginning with the 1931-32 basketball season. This will raise the Buckeye Conference to eight.

Intercollegiate Athletic Rules of the Buckeye Intercollegiate Athletic Conference

1. No one shall participate in any intercollegiate sport unless he be a bona fide undergraduate student, doing full work in a regular or special course as defined in the curriculum of his college.

2. No student shall so participate until he shall have been in attendance in his college for one full collegiate year subsequent to attaining the equivalent of freshman rank in the liberal arts course, or in a four-year engineering course. (Interpretations). (1) A second year of residence shall not be required of the student who changes colleges and then returns to his original college, unless he shall have participated in intercollegiate athletics during his absence; (2) Summer Session work shall not be counted in determining length of residence.

3. No student shall participate in intercollegiate athletics upon the teams of any college or colleges for more than three years in the aggregate, and any member of a college team who plays in any part of any intercollegiate athletic contest does thereby participate in athletics for the year. (Interpretations). (1) Students who play in the first scheduled game and in no other contest of the season, shall not be considered as having participated; (2) A student who begins his college work at the middle of the year and then satisfies the year of residence requirement of Rule 3 shall not be debarred by this rule from three full years of athletic competition.

4. No student shall be permitted to participate in any intercollegiate contest who has not passed the preceding semester at least twelve hours and made twelve credit points. An hour of "C" shall count one; "B," two points; "A," three points.

5. No student shall play in any game under an assumed name.

6. Any person participating in any athletic contest as a member of a collegiate team, while not a student in the institution represented is thereafter debarred from participating in intercollegiate contests under these rules.

7. A student who participates in intercollegiate athletics and does not complete the work of that term or semester shall not be permitted to compete in the same sport in his next year of residence until after the completion of a subsequent semester's work.

8. No person shall be admitted to any intercollegiate contest who receives any gift, remuneration, or pay for his service on the college team.

9. No student shall participate in any intercollegiate contest who has used, or is using, his knowledge of athletics or his athletic skill for gain. (Interpretations.) (1) In the application of this rule the words "athletics" and "athletic skill" shall be interpreted as including gymnastics and gymnasium skill; (2) This shall not be intended to apply to Summer Playground work, to junior work in Y. M. C. A., or to junior welfare work.

10. Participation of college students in athletic sports as members of professional or semi-professional teams shall render such students ineligible to membership in college teams; a semi-professional team being one which contains one or more members who are engaged for a whole or a part of the season for pecuniary compensation.

11. Athletic committees shall require each candidate for a team to represent the institution in intercollegiate contests to subscribe to a statement that he is eligible under the letter and spirit of the rules adopted.

12. All intercollegiate games shall be played on grounds either owned by or under immediate control of one or both of the colleges participating in the contest; and all intercollegiate games shall be played under college management, and not under the control of any corporation or association, or private individual.

13. The elections of managers and captains in each college shall be subject to the approval of the faculty committee on athletics.

14. College football teams shall play only with teams representing educational institutions.

15. Teams other than regular college or "Varsity" teams in all branches of athletics shall play only with teams of their own institution.

16. The maintenance of a training table (in the sense of a table conducted wholly, or in part, at the expense of others than boarders) shall not be permitted.

17. At the beginning of each athletic season the Registrar of each conference school shall be asked to submit to each school in the conference a list of eligible athletes together with a transcript of the number of hours passed and the grades earned by each athlete in the semester preceding participation.

18. All athletic funds and accounts shall be controlled and audited by faculty members or by committees containing faculty members.

19. Any student of a representing college and who plays on any outside team during the time that he is a member of the Varsity team or squad shall thereby be rendered ineligible for participation in that sport for the current college year.

20. Two years' participation and each subsequent year of participation in a junior college shall be considered as one year of competition.

21. Athletic participation in any college granting a four year degree shall be counted in determining the year of eligibility.

22. The names and scholastic records of all transfer students from without the conference shall be submitted to the conference for approval before such students can be declared eligible. (This means scholastic record in the institution from which the student transferred).

23. A student who has been in attendance at a Buckeye school for six weeks shall not thereafter be eligible to compete in athletics in any other Buckeye Conference school.

For a performance of unusual merit in minor sports the Athletic Board may, by a two-thirds vote grant a major "M."

The official "M" is only awarded for intercollegiate competition in athletics. The award rests with the Athletic Board of Control and the letter does not become the property of the individual meeting the technical requirements laid down until the Board makes the formal award. If in the judgment of the coach or the Board an individual making these technical requirements has failed to render loyal, obedient, and earnest service at all times during the season, or has violated the rules of clean sportsmanship the Board reserves the right to withhold the letter.

The Athletic Board may, by a unanimous vote and on recommendation of the coach of the particular sport in which the person in question participated, take away a Varsity emblem or any other award it has previously made, if sufficient cause is given.

No one shall be eligible to receive any award who does not finish the season of the sport he is participating in, unless prohibited from doing so by illness or injury.

The Athletic Board shall withdraw all awards from men who shall sell, or cause to be sold, complimentary tickets to Miami athletics.

BUCKEYE TROPHY

The Buckeye Trophy, awarded annually by the Buckeye Athletic Association to the college with the highest rating in athletics, was won this year by Ohio University.

Ohio scored 17 out of a possible 20 points.

The Bobcats won both football and basketball championships, and finished second in baseball and third in track.

Ohio Wesleyan, although not winning a single championship, took second by virtue of their high placing. Five points are given for first place, four for second, three for third, two for fourth, and one for fifth. Wesleyan took second in basketball, football, and track, and third in baseball, for a total of 15 points.

Miami took third place with 14 points, winning both track and baseball. The Redskins' mediocre football and basketball seasons, however, kept them from reaching the top.

Cincinnati and Denison tied for last place, with 7 points apiece, Wabash and DePauw not figuring in the rating as yet.

BURKHARDT TROPHY

In 1926, A. E. Burkhardt of Cincinnati donated a trophy to encourage inter-collegiate competition between the University of Cincinnati and Miami University. The trophy is a twenty-year cup and becomes the property of the school having the greatest number of points at that time.

In 1925-1926 Miami easily copped the trophy by piling up a tremendous lead. The score was Miami 23, Cincinnati 8. Cincinnati retaliated, however, in 1926-1927, and won the trophy in a fairly close battle. The score that year was, Cincinnati 18, Miami 13. In 1927-1928 Miami again won the cup by the same score as in the first year. In 1928-1929 and 1929-1930 Miami barely won the cup. The score both years was Miami 19, Cincinnati 12.

This year Cincinnati came back in the final baseball game of the season to cop the trophy by a score of 18 to 13. The total running score on the trophy with four years won by Miami and two by Cincinnati, with Miami having 110 points to 76 for Cincinnati.

INTRAMURAL ATHLETICS

Not many years back in the history of our colleges and universities and in the memory of most of us, there was only one system of athletics in the average size college or university. This system of intercollegiate athletics took care of a few trained and highly specialized athletes. Large sums of money were spent each year on the different branches of intercollegiate sport. Out of this costly system of athletics only a few students received any physical or body-building benefits.

Then came the World War and America's entrance into this mighty conflict. It was at this time during the intensive training periods that mass athletics and organized games brought out the excellent results of a systematic athletic training for the individual. Men were intensely interested in physical exercise if offered to them by the method of physical combat, that is: baseball, boxing, wrestling, etc. Thus it was that the now well-grounded system of intramural athletics found its beginning in the American army camps during the Great War.

This very important system of athletics was introduced into our colleges only a few years ago, and at the present time most of the universities and colleges are making Intramural Athletics an important feature of their campus activities.

Here at Miami University the intramural program is divided into three seasonal periods — fall, winter, and spring. During the fall season most of

the activities take the form of outdoor sports, such as speedball, playground ball, tennis, horseshoes, cross-country runs, and handball. In the winter season the Herron Gymnasium is the center of the festivities: Basketball, boxing, wrestling, fencing, fowl shooting, indoor track, and athletic tests. Immediately after the spring vacation, Cook Field again becomes the scene of activities. Baseball, volleyball, horseshoes, outdoor track, and tennis are the sports that fill the spring calendar.

It would take too long to give a detailed description of our system of intramurals here at Miami, but it is understood that Miami University is second to no other college or university in organizing and conducting intramural athletics.

Every student is expected to participate in some athletic activity. An individual record is carefully checked after the close of each season. There is no penalty for not participating but the regular fellow and he-man always finds some athletic pursuit during his leisure time. Usually the best students in the University have a keen interest and take an important part in intramurals.

In order to give more of the new men of the University a chance to participate and likewise to increase the interest of the freshmen in intramural athletics, several new features were initiated by the Intramural Department in 1927. These include, in the fall, a tennis tournament, open to all men of the freshman class. In the winter a freshman inter-dorm basketball tourney and an indoor track meet. The

special spring feature for the freshmen is an outdoor track and field meet. All of these contests are open to a freshman whether he be a member of a fraternity or not, and it is the earnest desire of the director of Intramural Athletics that all freshmen take part.

W. A. A.

The Women's Athletic Association of Miami has complete control of all girls' athletics, maintaining its own awards for excellency in athletics. It has an organized point system, which is used as a basis for its four awards, namely: Membership into the Association, and the pin, 300 points; class numeral, 500 points; "M" letter, 1,000 points; and an "M" sweater, 1,500 points.

Sports

Keeping an eye on that ball is only one of the many rules in hockey. This sport is played in the fall.

The main idea in soccer is to keep on your feet and "soc" that ball occasionally. Also played in the fall.

"Hittin' the leather" is the theme for the volley ball enthusiasts. Another fall sport.

"Babe" Ruths are plentiful here in the spring, when baseball fans start warming up for a fast game.

No girl is a full-fledged track teamster until she has received at least three "charley horses" and a good spring coat of tan.

Smack in the bull's eye, and who says it isn't easy? Archery in the spring is one of the most popular sports on the campus.

Helen Wills has nothing on the little champs who swat those tennis balls with vim and vigor. Another spring favorite.

"And they all walked home" from hiking. At least it keeps you in practice the year round.

The Indoor and Outdoor Meets are always scenes of fun and merriment. No one misses 'em.

Play Day—held once every year—brings together the girls of three colleges to compete in various events and have a good time.

Clogging and interpretative dancing are much in demand, for they impart grace and rhythm to the body, and what they don't do to those extra pounds, girls!

CAMPUS ORGANIZATIONS -

POULTON

77

The Miami Y. M. C. A. is an organization of the men of the campus including both students and faculty which has as its stated purposes, the promotion of a positive moral and religious college spirit, the leading of students to an intelligent religious faith, and the challenging of students to devote themselves, in united efforts, to making the will of God effective in human society, and in extending the Kingdom of God throughout the world. It seeks to accomplish these purposes through a varied program of worthwhile activities and enterprises. The plans and programs are determined and promoted by a cabinet of fifteen student members with the help and counsel of the General Secretary.

"Y" SECRETARY

Arthur C. Wickenden, the General Secretary of the Association, is a graduate of Denison University of the class of 1915. For two years following his graduation he served as the first employed secretary of the Miami "Y." Called to the service of his country he entered the World War, serving for a few months as a Y-Secretary in France, and later as a sergeant in the 12th Machine Gun Battalion.

After the war he took a graduate course in theology at the University of Chicago, taking the M. A. and B. D. degrees. After six years in the ministry of the church he was invited to return to Miami in a threefold capacity, namely, to serve as General Secretary of the Y. M. C. A., Director of Religious Activities for the university, and as Professor of Religion. The

Association is fortunate to have as its secretary a man of Mr. Wickenden's experience and training.

A senior student is employed each year to serve as Assistant Secretary, John A. McCann of Lakewood, Ohio, is the choice for this year. "Johnny" will have charge of the employment service and of the office and will help with all the activities.

FRESHMAN CAMP

One of the most significant phases of the association's work is its service to freshmen. A camp for sixty selected freshmen is held for two days just prior to the opening of college at Camp Campbell Gard, the Hamilton Y. M. C. A. camp on the Great Miami River. A group of student and faculty leaders preside over the camp and the freshmen in attendance have a wonderful opportunity for forming friendships with these men and with one another, and of facing together some of the problems and opportunities of college life. The camp dates are September 11-13. Freshmen who have attended the camp in past years have found it a very great privilege. Every man who receives an invitation to attend the camp should do all in his power to avail himself of the opportunity.

FRESHMAN "Y"

Freshmen who are interested in the work of the association organize their own cabinet and carry on many of their own activities. The council usually is composed of twelve members. This group promotes inspirational meetings, dormitory discussion groups,

freshman parties, and provides various types of campus service, such as ushering at vespers, and serving lunches to basketball squads after games.

SOCIAL ACTIVITIES

During the year the "Y" arranges a number of social events as need arises. The first of these is a get-together for all freshman men and is held in the gymnasium the first night of freshman week. Here the first year men have a chance to become acquainted. Speeches by the athletic coaches, President Upham, Mr. Wickenden, and the president of the "Y," with some snappy entertainment numbers are features of this program. Eats are served and everyone enjoys himself.

Later in the week the Y. M. and Y. W. cooperate in giving a party for all first year men and women. Getting acquainted, dancing or games occupy the evening. It pays to get acquainted in more ways than one.

Other mixers and dancing parties are promoted from time to time through the year.

BIG BROTHER

Each freshman who applies for admission is assigned during the summer to an upperclassman who writes to him during the summer, and who looks him up early in the fall and stands ready to help the new freshman in every possible way to become happily established in his new environment.

SPEAKERS AND DISCUSSIONS

An important service rendered by the Y. M. C. A. is that of bringing notable speakers to the campus to give addresses and lead discussions on vital topics. Series of discussions are also promoted from time to time on topics of interest to students led usually by faculty members. Free discussion follows a brief presentation by the leader. These discussions are usually held in Fiske Room or in the Assembly Room of Ogden Hall.

CONFERENCES

In addition to the conferences on the campus the "Y" assists men to attend significant student conferences off the campus. Each year a delegation is sent to the Student Conference at Lake Geneva, Wisconsin. Students who attend these conferences say they are among the most significant experiences of a college career. Assistance is also given to enable students to attend other occasional student congresses and conferences.

Other activities included in the program of the "Y" include deputation teams to nearby towns, an employment service, the operation of a recreation room in Ogden Hall and a second-hand book exchange in the Main Building, boys' club work, athletic teams for independent men, and publication of the "M" Book.

The principal support of the Association comes from an appropriation from the **Miami Chest** to which all students are asked to contribute according to their ability.

Y. W. C. A.

Can you sing, play, read, write, draw, talk, lead meetings, arrange for and manage parties, make people happy, or can you just be interested? No matter what you can do or how well, the Y. W. C. A. needs you and you need the Y. W. C. A. The Association is an outlet for all kinds of talent, ambition, and pep; and it gives wonderful opportunities to develop them.

The Y. W. C. A. welcomes into its membership every girl who is interested in helping to carry out the program based upon the purpose: "We unite in the desire to realize full and creative life through a growing knowledge of God. We determine to have a part in making this life possible for all people. In this task we seek to understand Jesus and follow him."

Membership Week will come the third week of school and at this time every girl will be given a chance to become a member of the Y. W. C. A. and to signify the interest group with which she would like to work during the year. The candle-light recognition service to welcome all new members will be held at the close of this week. BIG SISTER

During the summer each of you freshman girls is given a Big Sister, who writes to you and helps you to become acquainted and adapted to college life at Miami. She looks you up as soon as she gets here in the fall, but if something should happen that she doesn't, do not hesitate to go visit her. We hope that this acquaintance may develop into a strong friendship as you play around together and work out any small problems that arise. The first Sunday, will be Big and Little Sister Day, your Big Sister will entertain you in some way during the afternoon.

FRESHMAN Y. W. C. A.

Freshman "Y" is the big thing for all freshman girls, the place to get ac-

quainted, sing, give plays, read poetry, and to have a jolly good time with other girls with whom you are starting out on your college career. If you ever get to know what fun is, you'll learn it at the Freshman "Y."

Each freshman dormitory has its own freshman "Y" for the girls who live there. The cottage girls all come together and form an organization of their own which meets in the "Y" office. The other groups meet in their respective halls twice a month. Several times during the year there will be joint meetings of all four groups. Announcements of the first meetings will be made soon after the membership week ends. Keep your eyes open for them and get in for the fun at the beginning so you won't miss anything.

We want every freshman girl to come into the Freshman "Y" and enjoy its good times and help to make the campus fellowship of freshman girls complete. This is your opportunity to have a share in the Y. W. work on the campus. If you are a Girl Reserve you are interested already; if you do not know what the Y. W. C. A. is, come to Freshman "Y" and find out—we know you'll be interested.

MEET-A-BODY HOURS

The Y. W. C. A. holds no regular meetings of the entire membership but has, to take the place, the Meet-a-Body Hours on Friday afternoons from 4 to 5 o'clock in the "Y" room. At these meetings, to which everyone is invited, the girls will spend an hour in appre-

ciation of art, poetry, drama, music, and dancing, in addition to becoming more acquainted with the girls on our own campus.

The purpose of these meetings is to supply the need of the campus for a relaxation and appreciation of what are considered the cultural things of life.

Y. W. C. A. THE PROCESS OF BECOMING

When we meet a person with a radiant life, we are at home. Glowing, interested in every person; with an assurance based seemingly on some deep knowledge, or love, or experience, she comes and goes into our confidences without warning and without apology. Her deep understanding and her joy become a part of us; and we feel that she and we are kin. We know that deep within US lives this same exquisite quality and that WE are Radiant-People-In-The-Making.

We unite in the fellowship of the Y. W. C. A. for this purpose.

Honorary Organizations

PHI ETA SIGMA

The Miami University Chapter of Phi Eta Sigma, national scholastic fraternity for freshmen, was established in 1928. Membership is based solely on scholarship. Elections are held twice a year; at the end of the first semester and at the end of the year. A freshman failing to make the required average of 3.5 (half "A" and half "B") at the end of the first semester may still be elected at the end of the second if his average for the year is up to that required. Each year the organization presents a loving cup to the fraternity whose pledges have the highest average.

SYNDIC

Syndic was founded by the freshmen of the School of Business in 1930. Initiation into Syndic is based entirely upon grades, a "B" average being required; but the organization is designated to create a greater interest in business ethics and to foster scholarship and cooperation among the freshman members of the business school.

ALPHA KAPPA DELTA

The Ohio Alpha Chapter of this national honorary sociological fraternity was established at Miami in 1925. Membership is open to students majoring or elementary students who make an "A" grade.

Membership is based on interest shown in business lines and the subjects offered in the School of Business. Delta Sigma Pi is one of the leading business fraternities in the country.

ETA SIGMA PHI

Another national fraternity, installed here during the past few years, is Eta Sigma Phi, honorary Greek and Latin society. It attempts a two-fold purpose in that it tries to stimulate

interest in and appreciation of the classics besides promoting good fellowship and social interest among the classical students. Only those maintaining a high standing in the classical studies are eligible for membership.

KAPPA DELTA PI

Students who have done exceptional work in preparing themselves for the teaching profession may be elected to membership in Kappa Delta Pi national honorary teaching fraternity. Candidates to the Nu Chapter, established here in 1923, are selected on the basis of a strictly "B" average from members of the Junior and Senior classes.

The averages are figured on all courses taken.

PHI BETA PHI

Phi Beta Phi is the honorary journalistic fraternity, founded at Miami in 1925. Membership is limited to thirteen men who have shown superior journalistic ability. Election is made after the first semester of the Sophomore year. At present the society has as one of its primary objects the joining of some national group to take the place of Sigma Delta Chi which was withdrawn upon the discontinuance of the Journalistic department. Each year the fraternity issues a Yellow Sheet in which various phases of campus activity are treated sarcastically.

BETA PI THETA

The two principal aims of Beta Pi Theta, honorary French society, are to honor those students who have done meritorious work in French and essentially to stimulate interest in French literature, art, and history. Conversation is stressed in each of the sixteen meetings held during the year.

Meetings are held bi-weekly at which addresses are given by members of the faculty and visiting scientists. Membership is based upon high scholastic achievement in any particular branch of natural science.

BLUE KEY

Blue Key, a national men's society, was established on the Miami campus two years ago. It has for its professed objects the performance of many tasks which the administration and some organization of students can best work out together.

The organization also cooperates with the Athletic department in taking care of visiting teams and housing them at the big meets. It cooperates with the administration at Commencement time, helping to register and take care of visitors. For the past three years, Blue Key, in conjunction with the Y. M. C. A., has had charge of the "M" banquet which is given each year in honor of the football team.

Each year it offers the outstanding man in the freshman class a scholarship consisting of one semester's tuition payable the second half of the sophomore year. The award is given for excellence in scholarship, participation in athletics, and campus activities.

KAPPA PHI KAPPA

Kappa Phi Kappa is a national professional honorary fraternity, composed of students interested in education. These students are chosen for their recognized ability and good moral character, and it is the purpose of the organization to encourage them in the study of the principles and problems of higher education.

Annual prizes are awarded for the unusual treatment by a student, of given types or objects. Awards are also made at an exhibit held each year by the club. This exhibit may be viewed in the Reserve Room of the Library, near the close of the first semester.

Departmental Clubs

La Tertulia is the most recent of the societies on the campus. Established in 1930, it is interested in the advancement of the study of Spanish. The organization makes an effort to get together for the purpose of discussing in the Spanish language subjects of interest concerning Spanish and Latin-American institutions and current events. The Club has bi-monthly meetings throughout the year.

BOTANY CLUB

The Botany Club is an organization for the advancement of Botanical Science. Meetings are held every two weeks in the lecture room in Brice Hall. Papers are read or reports given by members of the club on topics of general interest. Occasionally outside speakers are obtained to address the club, also motion pictures are given to which all interested members of the student body are invited. First year students are associate members, while the advanced students have the standing of full-fledged members.

GERMAN CLUB

Students who are taking second-year or more advanced German are members of the German Club. German

is spoken at all meetings of the club. The members of the German Department provide the programs, which vary from speeches to plays. Lantern slides of Germany are often made a part of the program.

MATHEMATICS CLUB

The Mathematics Club is an organization for the purpose of bringing together those of the faculty and students who have a common interest in mathematics to consider mathematical topics which are not treated in scheduled courses in our school. Meetings are held on the second and fourth Mondays of each month. Any student or faculty member is eligible to membership.

CLASSICAL CLUB

The Classical Club is one of the oldest of the present day Miami organizations. It has been on the Miami campus for several decades and has always sought to foster interest in the study of Latin and Greek. The club membership extends to any one enrolled in either a Latin or a Greek course. The club meets bi-monthly, and is entertained by lantern slides depicting the art and history of ancient Greece and Rome.

Organizations

WOMAN'S LEAGUE

The Miami Woman's League was formed at Miami two years ago. After the new form of student government was established, it was felt that there should be some group in which all the interests of Miami women were represented. The work of the League was to study the needs of the women on the campus and to promote some phases of their campus life. Last year the League sponsored the Girl's Prom and gave teas in the various halls.

TRIANON

Trianon is a national social organization of independent women. It was organized in the spring of 1929 in order to give independent girls the long-needed chance to participate in social activities and to encourage them to take part in extra-curricular activities more than they had been doing.

In the fall of 1929, the group joined with two similar college groups to form a national organization. Since then the group has taken in four other groups.

Membership is open to any independent girl who applies, and whose scholastic standing is in accord with the University requirements. The membership fee is nominal in order to allow all independent girls to belong, since it is primarily a democratic organization.

THE MIAMI UNION

The Miami Union was formed in 1930, when it was felt that the independent men of Miami were not fully participating in the various campus activities. It is made up entirely of independent men of satisfactory academic and moral standard, and is open to all men of Miami, regardless of class, who are independent and in good standing with the University Administration. It is backed in its activities by the University officials and is under the able guidance of Prof. Joseph M. Bachelor. Ogden Hall, upper class dormitory, is at the disposal of the group.

Class Honoraries

CWEN

Cwen, sophomore girls' honorary society, was established on the Miami campus in the spring of 1925. Its members are chosen from the outstanding girls of the freshman class for their scholarship, interest and activities, and personality. Its purpose is to encourage like traits in the girls of the next freshman class. Other active chapters already established are at the University of Pittsburgh and the University of Wisconsin.

MORTAR BOARD

Mortar Board, senior girls' honorary fraternity, selects its members from the junior class on the three bases of service, scholarship, and leadership. Its purpose is to provide cooperation between the senior honorary societies for women, the individual chapter aims being to render the greatest amount of service possible to the school of which it is a part.

It was founded at Syracuse in 1918 by representatives from existing senior honorary societies at Cornell, Michigan, Ohio State, and Swarthmore. At present there are forty-nine chapters located at leading universities.

PODACS

Podacs is a group of outstanding freshman girls selected from the various social organizations. Each year one freshman girl from each group is selected to the society which has as its aim the creating of a spirit of friendliness and good feeling among the girls of the different groups.

CAMPUS ACTIVITIES

Public Speaking

INTERCOLLEGIATE DEBATE

The opportunity to receive the valuable training given in the intercollegiate debate seminar is given to all students at Miami University. Although the men and women work independently as regards subjects, directors, and schedules, there is a close co-operation and an excellent esprit de corps.

Miami is the exponent of the cross-examination type of debate which has proved to be much more interesting to the audience and to the speakers and to provide better training for the speaking of the world of practical affairs than the old type of contest debating. Partly because of this intensely interesting and practical type of debate Miami is requested by many schools and community organizations to supply them with debates. Thus the Miami debaters are always assured of large and interested audiences.

Intercollegiate debate groups are organized shortly after the opening of the school in the fall and are directed by members of the Department of Public Speaking. For satisfactory work in these groups, college credit up to two hours is given. Those who do good work in these debate groups represent the University in intercollegiate debate and are eligible for election into Tau Kappa Alpha, national forensic fraternity.

The extent of Miami's participation in debate is indicated by the following

list of schools which Miami met in debate last year (some of them as many as four times): Purdue University, Valparaiso University (Indiana), Notre Dame, Taylor University (Indiana), Butler University, Denison University, University of Toledo, University of Cincinnati, Ohio University, University of Tennessee, University of the South (Tennessee), University of Dayton, Transylvania University (Kentucky), Maryville College (Tennessee), DePauw University, Marquette University (Wisconsin), Earlham College, Bradley Institute, North Central College (Illinois), Western State College (Michigan), Wittenberg College, Ohio Wesleyan University, Lake Forest College, University of West Virginia, and Northwestern University.

MORTAR BOARD LOYALTY CONTEST IN PUBLIC SPEAKING

All sophomore, junior, and senior women may enter the Mortar Board Loyalty Contest, which usually takes place after the spring vacation. The four best speakers are chosen to take part in the finals, which are held in Benton Auditorium.

The contest is sponsored by Mortar Board, the senior girls' honorary fraternity. Cash prizes of \$30.00 and \$15.00 are awarded to the winners of first and second places.

CWEN CONTEST IN PUBLIC SPEAKING

The Cwen contest in public speaking is open to all the freshman women of the University.

Cwen, national honorary society for sophomore women, sponsors the con-

test and makes the awards. The winner of first place receives a cash prize of \$15.00 and the winner of second place is awarded \$10.00.

FISK CONTEST IN ORATORY

The Fisk Oratorical contest was established and endowed in 1921 by Otis B. Fisk, LL. B., Ph. D., in honor of his father, Dr. Charles Henry Fisk, of the class of 1863.

All sophomore, junior, and senior men may enter the preliminaries from which the four best speakers are chosen for the finals, which are held in Benton Hall. The winner is awarded a cash prize of \$40.00 and the second best receives an award of \$20.00.

INTERCOLLEGIATE CHESS

Chess, that ancient sport of kings, seems to have found its place in the sun at Miami, during the past year, and gives promise of going across on a far bigger scale next year.

During the past year a number of matches were held with the chess representatives of the schools near Miami, and while the Big Red strategists were not always successful, they gave a good account of themselves on all occasions.

The increased interest in this sport evidenced last year has led to the planning of a far greater program next year. It is hoped to form an intercollegiate chess league among the schools of southwestern Ohio. The first step in this direction was taken last year.

Publications

RECENSIO

The "Recensio," the Miami University year book, is published near the end of the second semester, giving a complete pictorial and written review of the happenings of the school year. This annual is published by a staff selected from the junior class and is under its direction and supervision.

The editor is chosen by the head of the English Department who acts upon the recommendations of the retiring editor. A staff is chosen by the editor, composed of about twelve members of the junior class. This staff is assisted by sophomores who are usually candidates for the editorship.

A Business Manager is chosen by the secretary of the Board of Trustees, who acts upon the recommendations of the retiring manager. Candidates for the managership from the sophomore class compose the entire business staff.

As suggested by its name, the "Recensio" endeavors to give a complete summary or review of the preceding year. It is a very complete pictorial and written review of the scholastic year. Perhaps a "lion's share" is given to the seniors, but the other classes are not forgotten.

MIAMI STUDENT

Established in 1826, the "Miami Student" is the oldest college newspaper west of the Alleghenies. Making its appearance on Tuesday and Friday evenings, the paper is the four page semi-weekly paper of the University. It gives a complete review of the hap-

penings on the campus whether athletic, forensic, scholastic, or other news of campus and country-wide college activities.

A circulation among the students of one hundred per cent. is maintained as the subscription price is included in the student activity fee which is paid by every student upon registering for the semester.

The editor is chosen by the head of the English Department and the President acting upon the recommendation of the retiring editor. A four per cent. commission, taken from the total receipts for the entire year is given to the editor as compensation, together with three hours' credit in English.

Last year the "Student" staff was awarded credit hours in English so the editor had the power to add or subtract from his staff of assistants as he wished. Such a policy will be followed again this year. Tryouts for the staff are held at the beginning of the fall term and those selected must have had a course in journalism, or its equivalent in actual work on some paper.

Regular "beats" are assigned to reporters and a "dope sheet" is posted for each issue. Thus the work is made to conform as nearly as possible with that on any large metropolitan daily.

The business manager of the "Student" is appointed by the President and Mr. Roudebush, acting upon the recommendation of the retiring manager. He also receives compensation for his work.

The "Student" is under the direct supervision of Mr. McGinnis of the English Department, who acts in the capacity of adviser.

MIAMI DIRECTORY

The Miami Directory is put out by the University shortly after the school opens for the fall term. It contains the names, home addresses, campus addresses and Oxford phone numbers of the students registered in the University. In addition it contains a list of all the faculty and administration members with their offices, addresses and phone numbers. It also has a list of the class presidents, officers of the Student Senate, Student Council, Y. M. C. A. and Y. W. C. A. The University calendar is also included.

THE "M" BOOK

This is it.

It is sometimes known as the Handbook. It is the Freshman's "Bible" and he should read it from cover to cover, assimilate its contents and digest them thoroughly. It is published mainly for the yearlings, so, reader, if you are a freshman, peruse its contents thoroughly, or if you are an upperclassman read it so you can answer the frosh questions intelligently.

The editor is appointed by the President and General Secretary of the Y. M. C. A. The editorial staff is appointed by the editor. The book is made possible through the cooperation of the organizations listed in the front.

THE NEWS LETTER

The News Letter is the University publication which is issued with the purpose of keeping a close bond between Miami and her alumni who are scattered all over the world. It details

the doings of the different departments of the school in a brief and concise manner, giving the results of athletic contests and containing all other information of interest to the alumni.

THE MASK

The serio-comic magazine, the "Mask," is issued three times a year, with a fall, a winter, and a spring number. This periodical fosters literary originality on the campus, and offers a publishing medium for creative writing.

Stories, essays, feature articles, and poems give the magazine a strong literary flavor, but the humorous side of college life is amply represented by original jokes, clever verse, skits, parodies, and "wisecracks." The art phase of the "Mask" has always been strongly accentuated. Its scope is so wide that it admits drawings for their esthetic beauty as well as cartoons for their ludicrous humor.

The editor of the "Mask" is chosen by the head of the English Department, after consultation with the outgoing editor and the faculty adviser. The business manager is selected by the Secretary of the Board of Trustees, who consults with the retiring manager as to the members of his staff who have consistently done the best work.

The faculty adviser of the "Mask" is Joseph M. Bachelor, of the English Department, who brings to it the advantages of many years of experience in the editorial offices of one of the largest publishers.

Musical Organizations

THE UNIVERSITY GLEE CLUB THE MADRIGAL CLUB THE ARION CHOIR

These choral organizations offer membership to all students in the University who can qualify, after consulting with the director. They offer students unequalled opportunity for becoming familiar with a wide variety of chorus music, ranging from simple part-songs to the great classic and modern choral works. The University Glee Club is made up of the men students, and the Madrigal Club of women. The membership of the Arion Choir is drawn from both the men and women students. These organizations are under the direction of the faculty members of the School of Fine Arts. Public concerts are given throughout the year.

THE UNIVERSITY ORCHESTRA

Membership in the University Orchestra is open to all students who can qualify, after consulting with the conductor. Students who take this work have unusual opportunity for sight-reading and orchestral routine. It is obvious that while the pleasure of participation in such an organization is an important consideration, the value of thorough and careful study of a large amount of orchestra literature cannot be over-estimated by the serious student of music. The orchestra is under

the direction of a faculty member of the School of Fine Arts. Public concerts are given throughout the year.

THE UNIVERSITY BAND

The Varsity Band consists of 40 to 60 pieces. Eligibility is based upon tryouts held early in the year and the interest shown in the work. The band plays for all home games, featuring marching formations which climax in a marching "M." Last year the band made the annual trip to Cincinnati for the Miami-Cincinnati classic on Thanksgiving, and also were selected to play for the auto races at Indianapolis on Memorial Day. The band also plays for the home basketball games. Rehearsals are held weekly and end in the Annual Spring Concert. One semester hour of credit is awarded for work in the band. The band is under the direction of a faculty member of the School of Fine Arts.

Dramatics

YE MERRIE PLAYERS

Ye Merrie Players controls the dramatic activities at Miami. A point system is used in determining membership; thus much hard work and active interest in dramatics is required before one can become a member. Points are made by taking part in or assisting in Ye Merrie Players productions.

Founded in 1910, the organization has been active ever since. Two plays are presented each year, one at the midyear and another at commencement, the plays being carefully selected for their high quality. Officers are elected annually from the membership. A greater interest in dramatics is the aim of this live organization.

THE DRAMATIC WORKSHOP

This is a sub-organization to Ye Merrie Players. Approximately every three weeks, plays are presented before a selected audience of critics. Plays which are voted or selected as the best are again presented, but this time before a paid audience in the Workshop Theater, located in Main Building. The plays are usually the work of Ye Merrie Players. Its activities are under the supervision of the Dramatic Department.

MIDYEAR PLAY

Shortly after the end of the first semester, the students present a play under the supervision of Ye Merrie Players. Tryouts are open to every-

one. The plays selected are of the highest quality obtainable and their presentation is looked forward to by the entire student body. A nominal admission is charged to cover the expense of the production.

COMMENCEMENT PLAY

During Commencement Week Ye Merrie Players present a play for the benefit of the many visitors. The same play is presented to the undergraduates before they leave for their homes. Credit towards membership is given for participation in this play as well as in the midyear play. At the June commencement "Aren't We All" was presented.

MISCELLANEOUS

BUILDINGS

Here are given the principal buildings of the University. No doubt you will have them all well in mind by the end of your first week in Oxford, but this list, together with the map in the rear of the book will help you in getting around during the first few days.

Main Building. the oldest building on the campus, is chiefly occupied by classrooms used by the College of Liberal Arts. The University Commons, a dining room for men, is in this building.

Brice Hall. the science building, provides laboratories and classrooms for the departments of Geology and Zoology.

Benton Hall contains the Auditorium, used as the University Chapel, which seats about 1,100, and the administrative offices.

Alumni Library was made possible through the gift of Andrew Carnegie, was built jointly by Mr. Carnegie, the alumni, and the State, at a total cost of \$220,000. It houses the University library of 100,000 volumes and seats four hundred students in the reading rooms.

McGuffey Hall is devoted entirely to the School of Education. It has been built in four sections at a total cost of \$360,000. The south wing accommodates the McGuffey training school of five hundred pupils.

MIAMI CHEST DRIVE

Several years ago the members of the Student Body were bothered with numerous calls to contribute to various worthy organizations. Each Christian Association and charitable institution made a separate campaign each fall. These continuous appeals were not only monotonous to the students, but were themselves many times unsuccessful. In 1925 it was decided to unite these under a Chest system. A budget, allotting a specific sum to each organization, was made out by a special committee of faculty and students. Then early in the fall a drive was put on to raise this money. The whole campus, faculty and students, united in the program of altruistic giving, by which, in one liberal donation, they were able to support these institutions.

In the past six years this drive has been successful. We feel that it will be even more successful this year. This drive will give you a chance to help support the local Y. M. C. A. and Y. W. C. A. and to contribute to off-campus projects. Last year money was sent to a loan fund for students in the Florida tornado area, to Grace Steinback, a Y. W. C. A. Secretary in China whom the Y. W. C. A. at Miami has helped to support for several years, a boys' school in Bagdad, and the International Student Service which has replaced the Student Friendship Fund in aid for needy students in Europe.

Oxford Methodist Episcopal Church and The Wesley Foundation at Miami University

The Wesley Foundation is the agency established by the Methodist Church to minister to students at tax-supported universities. The unit at Miami University welcomes you and invites you to participate in its activities. In the work of the Foundation you will find stimulating discussions, good times and worth-while friends. The activities for this year will include:

1. Sunday morning worship at 10:30 A. M.
2. College Epworth League. Meets Sundays at 6:30 P. M.
3. Church School Classes for students. Sundays at 9:15 A. M.
4. Wesley Players will put on several plays.
5. Discussion groups in the dormitories and at Wesley House, the student center.
6. Deputation teams. These groups of students conduct religious meetings in nearby churches.
7. Social programs of course. Sunday evening home hours, hikes and parties at the church.

Meet the ministers. We are at your service for interviews, for advice, and for friendship. Meet our students. You will find them leaders in campus life.

THE PHI BETA KAPPA AWARDS

Each semester the Phi Beta Kappa Scholarship Cups are awarded to the fraternity and sorority which make the highest scholastic average. The Fraternity Cup is awarded to the members of the organization exclusive of pledges, and the Sorority Cup is awarded to both members and pledges.

HOSPITAL AND DISPENSARY

This building is situated on the south of the campus, opposite the Power Plant.

Much can be done for sick people if they are treated in time; therefore, all students who are sick or ailing in any way are expected to report at once at the hospital.

The doctors and nurses are always in attendance at the hospital and emergencies are taken care of at any time of the day or night, but other than emergency cases are expected to come for admission to the hospital or treatment in the dispensary at the regular hours which are 9:00 to 12:00 A.
