FOREWORD

To you, the class of 1936, we dedicate this book, hoping that in some meager way it may help you to become acquainted with Miami, its history, traditions, and opportunities. We congratulate you on your selection of Miami as your Alma Mater and sincerely trust that you will live up to the honor and the ideals of those who have gone before you.

Since this book is intended mainly as a guide to you in helping you to become acquainted with Miami during your first few weeks here, we have attempted to meet this requirement primarily in the editing of this book. Special emphasis has been laid on those with which you should become familiar immediately if you wish to fit into the life at Miami.

A book such as this should, however, be of use to the student body at large, and with this end in view we have included also such features as we believe to be of value to any student at all times of the year.

THE STAFF.

PRESIDENT A. H. UPHAM

THE PRESIDENT'S GREETING

To the new students:

We welcome you heartily to share in another year of the rich and abundant life of Old Miami. For more than a century young people have been coming to Miami, as you have come, to prepare themselves for a larger life beyond the campus. Thousands of them, as we hope you will, have gained here an inspiration and a higher purpose that have made them conspicuous examples of good citizenship and public service.

Here at Miami are superior facilities for learning, which are not to be treated lightly. This is your period of opportunity. Excellent libraries and laboratories, nearly two hundred teaching scholars anxious to befriend you, the opportunity to live wholesomely and modestly among kindred spirits—these are privileges of lasting value which you will appreciate more fully as life goes on.

At the same time, as on every campus, there are plenty of occasions for wasting time and money, and thus missing the very purpose for which the state has taxed itself and for which your parents have made sacrifices. We are all eager to help you find and emphasize the things worth while in your life among us.

Cordially yours,

A. H. UPHAM.

Old Miami

(Alma Mater)

Old Miami, from thy hill crest
Thou hast watched the decades roll,
While thy sons have quested from thee
Sturdy hearted, pure of soul.

Old Miami! New Miami!
Days of old and days to be
Weave the story of thy glory,
Old Miami, here's to thee.

Aging in thy simple splendor
Thou the calm and they the storm
Thou didst give them joy and conquest,
Strength from thee sustained their arm.

Thou shalt stand a constant beacon,
Crimson towers against the sky,
Men shall ever seek thy guiding;
Power like thine shall never die.

Miami March Song

Miami old, to thee our love we bring,
To thee our hearts and minds will ever
cling,
Thy fame of other days, thy gifts so
free
Call us today to sing our praise to
thee.

Chorus:

Love and honor to Miami,
Our college old and grand,
Proudly we shall ever hail thee
Over all the land;
Alma Mater now we praise thee,
Sing joyfully this day,
Love and honor to Miami
Forever and a day.

Thy elms, thy hills, thy skies of azure
hue,
To them is deepest inspiration due,
Thy stately towers upon the hilltop
fair,
To them do we our grateful homage
bear.

On land and sea our hearts will ever be
The truest, bravest man can show to
thee,
Our duty ever in our loyalty,
To guard thy name through all
eternity.

SCALP SONG

Yuh! Yuh! Yuh! Yuh!
.....to the word "war!"
The tribes go forth to war,
Their scalp-songs ring afar;
Bright the blood-red camp-fires gleaming,
Mad with thirst the war-hawks screaming,
Signal smoke soars high,
Beckons in the sky,
Old men shake their calabashes,
Warriors dance amid the ashes,
Maidens sobbing, war-drums throbbing,
War!
Sweet the vict'ry and the conquest,
Calm the rest among the slain;
Sons of centuries of heroes
Seek the fruit, despise the pain.
Watch Miami, now,
See the foemen bow,
Far and wide their host is scattered,
Spears are broken, shields are battered;
Miami! Yuh! Yuh! Yuh! Yuh! Miami!
Race them, chase them, pound them,
hound them, Wow!

THE COLLEGE

HARRISON HALL

"Old Main" has seen generations of students pass through the portals of Miami, has shared in their joys and sorrows, has passed through the vicissitudes of civil strife and now looks down calmly upon the "New Miami" of today. The central portion was built in 1818 and was the first permanent structure of the University. Then, in 1868, the west wing was erected. It was finally completed in 1898 when the east wing was added.

HISTORY OF MIAMI UNIVERSITY

Miami University was the second institution of higher learning established by the State of Ohio. It was founded as a College of Liberal Arts under the Federal Land Grant by act of the Ohio Legislature in 1809. One year later, the site of the college was located at the village of Oxford, in the center of the township set aside for educational revenues.

Because of the lack of sufficient funds, Miami was little more than an academy until 1824. In the fall of that year R. H. Bishop was secured as president and the school was raised to the dignity of a University. About this time the two literary societies, the Erodelphian and the Miami Union, were founded, and the struggles and rivalries of the two societies eventually led to the formation of the Miami Triad of Greek Letter fraternities, Beta Theta Pi, Phi Delta Theta, and Sigma Chi.

Until the time of the Civil War, Miami increased rapidly in size and prestige. It was during this period that she came to be known as "The Yale of the West," and credits received from Miami were recognized in all of the leading universities of America. But the coming of the Civil War marked the beginning of a dark period in the history of Miami. Many of the students joined the army of the North and many that of the South, so that the attendance was greatly curtailed. After the war there were no funds available for the continuance of the

University, and in 1873 the school was closed.

In 1885 the University was reopened under the leadership of President McFarland. From this time on the rise of the school was rapid and without interruption. In 1887 women were allowed to enter the University for the first time.

In 1902 the School of Education was added, affording a thorough course for prospective grade-school teachers. The Bachelor of Science in education courses for those wishing to prepare for teaching in high schools was added in 1914.

In 1926 the Trustees of Miami University voted to establish a School of Business Administration, with courses leading to the degree, Bachelor of Science in Business. The formal opening of the Business School occurred in the fall of 1928.

The School of Fine Arts was established by action of the Board of Trustees in December, 1928, and inaugurated with the opening of the following academic year. The School of Fine Arts is made up of three departments offering the degrees of Bachelor of Music, Bachelor of Fine Arts, and Bachelor of Architecture.

THE ADMINISTRATION

The administration of Miami University is entrusted to a Board of Trustees and to the administrative staff of the University. The Board of Trustees is composed of twenty-seven members, nine being appointed every three years by the Governor of the State of Ohio and confirmed by the Senate. The State

Superintendent of Schools is ex-officio a member of the Board.

The administrative staff is composed of the president, the deans of the various schools and of women, the registrar, the assistant to the president, and to the deans, and secretaries of these officers. The officers and their positions are as follows:

THE ADVISORY SYSTEM

In order to assure each student that he will have some member of the faculty to whom he may go for advice in his official relations to the University, the student body is divided into Advisory Divisions. These are made according to the course in which the student is enrolled and are also divided according to men and women.

The University also maintains, at a

considerable cost, freshman advisers. These men are members of the University faculty and are selected for their competence for the position. These men have charge of the dormitory in which they reside, and are open for conferences at all times.

UNIVERSITY RULES

1. Smoking in any University building other than the men's dormitories is strictly forbidden.
2. Drinking of intoxicating liquors of any kind is punishable by suspension.
3. Any organization wishing to use a room in a University building must present a written request to the Calendar Committee, which meets in the President's office, Benton Hall, at 11:00 o'clock each Friday.
4. All social events must have the sanction of the Dean of Women.
5. No student may maintain an automobile in Oxford at any time. Violation of this rule is followed by suspension.

ABSENCE REGULATIONS

1. Every student is expected to attend all classes; if he does not he becomes liable to discipline unless he has acceptable reasons for each absence.
2. Whenever a student is specifically reported in writing by an instructor to an adviser as being absent from class to such an extent as to make his own work inefficient or impair the morale

of the class, the adviser shall drop the student from class with a grade of "F."

3. When the uncanceled absences of a student in any course aggregate one-tenth of the whole number of class meetings of the course for the semester, such student shall be dropped from the course with a grade of "F."

Reinstatement can be secured only upon the recommendation of the instructor and adviser, and a student reinstated under the operation of this rule shall be permitted no further absences in the course in which he has been reinstated.

When the uncanceled absences of a student aggregate one-tenth of the whole number of class recitations for all courses for the semester the student shall be dropped from college.

4. Any student who makes an average of "B" or better in any semester shall be exempt from the operation of Rule 3 during the following semester.

5. Absences from classes due to confinement in the hospital for sickness or on order of the University physician are cancelled. Absences occasioned by domestic affliction, and absences for any other reason than those listed in the catalogue, are cancelled only when recommended by the adviser and approved by the Academic Council.

6. Absences incurred the day preceding and the day following a holiday shall be trebled in the operation of paragraph three.

7. Absences caused by authorized trips from town for athletics, debate, or other performances under the direction of a member of the faculty will be cancelled. Regularly chosen dele-

gates to conventions of University societies, fraternities, and sororities may have such absences cancelled in case they were honor students in the preceding semester.

8. Failure to keep appointments with University officers may be recorded as class absences accumulating at the rate of one per day, beginning with the hour of the appointment missed.

9. Because of limited seating capacity, students are required to attend each month only two of the regular student assemblies, including Sunday afternoon vespers. Additional absences are trebled on the student's permanent record.

AUTOS

The rule which prohibits the possession of an auto in Oxford during the school year is one which is not burdensome, injurious, or unfair to the student. In fact, not only the faculty, but also a large part of the student body consider it a very desirable regulation.

In the first place an auto is not necessary for transportation within Oxford. No distance across the town is so great that it cannot be walked comfortably in ten minutes, while the average distance is about three blocks. In such circumstances an auto would be more of a bother than a help.

But besides that, the possession of an auto usually has a distracting influence on the mind of the possessor. It forms a center of interest which is at odds with the main purpose of the University. This, together with the ever present danger of accidents when out with the "crowd," is likely to be reflected in a lowered standard of academic achievement.

STUDENT GOVERNMENT

R. COULTON

MIAMI STUDENT GOVERNMENT

Three years ago, because of a general dissatisfaction with the existing form of government and its inadequate handling of student affairs, a series of group meetings of faculty and students were held to discuss and draw up a new form of government for submission to the student body for its approval or rejection. This new form of government was passed by the student body and the University Senate by overwhelming majorities, and went into effect that spring. The only part which failed to meet the approval of the University Senate was that regarding the honor system, which was stricken from the Constitution at a special meeting.

CONSTITUTION

The name of the organization shall be the MIAMI GOVERNMENT FOR STUDENTS.

The purpose shall be to serve Miami by providing a government for students through a student-faculty cooperative plan.

ceding semester shall be eligible for election to any office herein provided.

(b) This Board shall act in all cases involving both men and women unless after consideration of each case it deems it wise to refer any case to the separate Board for trial.

Section 4. Each Discipline Board shall elect a Chairman from within its number.

Article 4

Amendments to this Constitution shall be proposed by a majority vote of the Student-Faculty Council, and passed by both (1) the University Senate, and (2) a majority of the students voting at a regular or called election, or two-thirds of students attending a mass meeting called for that purpose. On petition of fifty students, the Student-Faculty Council must take action on any suggested amendment,

and if favorable propose it to the student body and the University Senate for vote. Announcement of the amendment to be voted upon, and the time and place of election or mass meeting must be published at least one week previous to the time for voting.

Article 5

If adopted, this Constitution shall supersede the Constitution of the Student Government Association of Miami University prior to the second semester of the academic year 1928-'29.

BY-LAWS GOVERNING ELECTIONS

The members of the Student-Faculty Council shall be elected on the fourth Tuesday in April, each year, from 8 to 12 a. m., and from 1 to 4:30 p. m., in the lobby of Benton Hall.

(b) On the same day, a president, a vice-president, and a secretary-treasurer of the senior, junior, and sophomore classes shall be elected by plurality vote.

(c) The chairman of the Council shall superintend the election of freshman class officers on the first Tuesday of October. Nomination shall be by petition.

(d) The retiring Council shall nominate two men and two women for each vacancy to be filled, and publish their names in the "Miami Student" at least three weeks before the election. These nominations shall be made from the floor of the Council and voted on by ballot, the two highest on each list being declared the Council nominees. Additional nominations may be made by

petitions signed by 10 or more qualified members of the electorate the candidate is seeking to represent. Such petitions must be in the hands of the Council on or before the second Tuesday in April.

(e) All nominations for class officers shall be by petition as provided above.

(f) Nomination and election of faculty Council members and the filling of faculty vacancies shall be according to the rules of the University Senate.

(g) Vacancies in the class offices shall be filled by the classes as they may direct, provided such purpose has been published in the "Student" two days previously.

(h) Student vacancies shall be filled by the Council from candidates nominated from the floor and voted on by ballot, the person having the most votes being declared elected, providing such purpose has been published in the "Student" at least two days before the election.

(i) The names of all candidates, except for freshman class officers must be published in the "Student" one week preceding the election.

(j) Each elector shall receive at the polls a separate ballot of Council and class candidates for which he is eligible to vote.

Section 2. (a) Each newly elected Council shall meet at the call of the chairman of the retiring Council for organization before the first day of final examinations. The retiring Council chairman shall preside at this meeting.

Section 3. (a) The apportionment of the student activity fee must be completed by this body before the last meeting in April.

(b) A report and an itemized account of each activity must be in the hands of the Council before the first meeting in March.

Section 4. (a) A meeting shall be held every two weeks, with due notice, at a time and place to be decided by the Council each year.

(b) Special meetings of the Council may be called by the President of the Council.

(c) Twelve (12) members shall constitute a quorum.

(d) Three consecutive absences or five unexcused absences shall be considered sufficient to declare a vacancy, which may be filled by appointment by the chairman, with the consent of the Council.

WOMEN'S STUDENT GOVERNMENT

When the old form of student government at Miami was abolished, the Women's Student Government Association, the women's division of the old form of government, was also abolished and a Women's Legislative Council was set up to take its place. It is the purpose of this organization to create a sense of unity and fellowship among the women, to promote and maintain high standards of university life, and to regulate all matters of student interest not falling under the jurisdiction of the faculty.

It is felt that the best results are obtained for the entire college by placing on the individual a personal responsibility for the development on the campus of a sense of loyalty to the traditions of the college, a sense of honor in academic work, and in athletic activities.

The members of the council are the women members of the Student-Faculty Council, and the members of the Women's Disciplinary Board not already members of the Student-Faculty Council. It also has an intimacy with the chairmen of the halls and cottages, presidents of the different classes, the Y. W. C. A., the Girl's Athletic Association, and the literary societies, thereby forming a vital connection with all the women's interests of the University.

REGULATIONS FOR MIAMI WOMEN

1932-33

Since the life of students on a campus must conform to the environment of the University and its aims, Miami women have agreed upon certain general considerations for the protection of their interests as individuals and as a group.

These considerations are embodied in the following standards of behavior which apply equally to all Miami women living in halls and cottages at any time during the college year, and before and after a vacation.

House Life

Quiet: Evening study hours.

Quiet: Absolute, between 10:30 P. M. and 6:30 A. M.

Closing hour: 10 o'clock on all nights except Saturday. 11 o'clock on Saturday.

Guests—Guests are expected to abide by the standards in force for Miami women. Guests, including girls coming from other halls, sign in register, giving name of hostess and room number.

Signing Out—All students sign out for any absence from hall or cottage in evening or for any absence from town during day or evening.

Social Life

Social plans are concentrated at week-ends, on Friday evening, Saturday, and Sunday. Callers are asked not to use morning hours during the week except for necessary errands to halls and cottages.

Upperclass Students—The privilege of determining what other evenings may be used for social plans is extended to those upperclass students who maintain a satisfactory academic record. The head of hall and student will confer on this point.

Freshmen—Freshmen for the purpose of establishing themselves satisfactorily in their college work are asked to concentrate their social plans in afternoons and at week-ends. After the first semester any freshman who has made at least a "C" average may on any evening that suits her convenience take one additional mid-week date.

Driving—It is a rule of the University that students may not keep automobiles during their residence in college. Automobile drives are therefore not a part of student life except as special permission is given by the heads of halls.

Dances—All women attending dances, whether formals or informals, must return to their own halls and cottages immediately after the close of the dances. Restaurant privileges may be used during the dances, but not after close of dance.

Absence from Oxford—Women may leave Oxford only with permission of heads of halls, except for daytime shopping trips which involve no social plans. Requests for overnight trips away from Oxford, other than to the student's own home, must be accompanied by a letter from parents, specifying arrangements for travel, escort, and hostess. If attendance at a dance is to be included in the trip, this fact must be specified in the parents' permission.

Smoking—Miami women are not permitted to smoke on the campus or in places under the direction of the University.

"Bumming"—"Bumming" rides to and from Oxford is forbidden.

Chaperonage—Approved chaperonage is required for all meetings, dinners, or calls for any purpose whatever at a men's chapter house or dormitory.

Swimming—Since there are no adequate facilities for outdoor swimming, such permission cannot be given.

Picnics—Report group picnics with men to Social Director. Report individual plans to head of hall.

All Miami women are asked to conduct themselves in such a way as not to attract public attention, or to reflect upon the standards of Miami University.

FRESHMAN TIPS

DO!

Forget that you came from any particular high school. You are a Miami man now.

Keep an eye on your studies; they merit some consideration.

Get acquainted with your professors. They are a fine bunch of fellows.

Do all the good you can and keep the knowledge of it under your own hat.

Do not smoke in University buildings. It's "dangerous."

Take off your hat when "Old Miami" is sung.

Do all your work on week days. "P. A." on Friday, Saturday, or Sunday, or don't "P. A." at all. Go home before 10:30.

Keep quiet about your high school records. If they are of any interest, they are known already. Get acquainted with the student publications. Get out for some activity, and STAY OUT.

Be a mixer and a credit to the University.

Learn the songs and yells and join in the rooting.

Go to Assemblies.

Go to class meetings and mix in class affairs.

Read this book through and follow its suggestions.

GET SETTLED

Having secured a room, get settled promptly. But remember that your landlady, or the University, has some few rights. In spite of the fact that you have come to live with them, please remember that some one will have to live in the same place after you are gone, and conduct yourself accordingly.

Miami is a state school and therefore state supported. You are a part of the state and therefore help to support it. What you destroy is yours and you are the one who has to pay. Damages are levied upon any student or group of students who in any way injure the property of Miami University.

NEW STUDENTS

When you arrive in Oxford, whether by train or bus, you will find a Y. W. or Y. M. representative waiting for you. He or she will tell you where to go and what to do. Do not be afraid to ask questions; that is what they are there for, and, furthermore, they were freshmen once themselves and can sympathize with you.

If you do not know the number of your room, women should go immediately to the Dean of Women, and men to Mr. Morris, both of whom you will find in Benton Hall, and arrange for your room. Then hunt up the expressman and have your trunk delivered as soon as possible. Make your room comfortable the first day. You may not have time to pay much attention to it for a week afterwards, and a comfortable room is a great panacea for homesickness.

WHAT TO BRING

When you start packing up to come to Miami the following suggestions might be of some value in selecting and rejecting material:

In the men's dorms, sheets, pillows, and pillow-cases are provided by the University and laundered by the school service. A small charge is made at the beginning of the year to cover the expense. Blankets and comforts are furnished by the men themselves.

Women are required to bring their own sheets and pillow-cases. They are also expected to take care of cleaning their own rooms.

Miami is not essentially a fancy dress school. Rough clothing is worn very much by the men, especially in the winter time. Sheepskins, a heavy sweater and high shoes are worn a great deal.

Bring what you are accustomed to at home. No one is going to point at you because you are not dressed in the height of fashion. You are at school to study and not to learn the fine points about dress.

Bank accounts can be opened at either one of the two banks at Oxford or you can draw directly from home. The Oxford banks usually require that accounts with them be not allowed to run under fifty dollars.

Come prepared to pay for your room rent for one semester, several weeks' board, activity fee and other fees such as your lab fees, room key deposit and so forth. Registration fees will generally run up to about one hundred twenty dollars, depending on courses and various other factors.

Above all, come with an abounding curiosity to find out what it's all about, the determination to stick it out when it becomes hard and you get homesick, and the idea that you will get out of these greatest four years of your life just what you put into them.

FRESHMAN WEEK

Freshman week was inaugurated at Miami five years ago. The purpose is to acclimate the freshmen of the University before the return of the upper-classmen. All matters of student interest are explained and the year's work outlined to the student's greatest advantage. During the four-day period the freshmen are divided into sections of twenty-five each, according to the course which they expect to pursue. Each group is under the direction of a faculty leader, a faculty assistant, and a student assistant who is a member of one of the Christian Association Cabinets.

The material outlined for the week is covered in about eight joint discussions and lecture meetings. The first meeting is given over to a careful explanation of the purpose and plan of the English, psychological and physical examinations which are given. Two meetings are used to explain the different courses offered at Miami and to check up on the vocational aims of each student. Group meetings during the remaining part of the week are devoted to discussions of college rules and regulations, academic requirements, probation, absences, grades, honorary organizations, campus activities, fraternities, etc. Also, a tour of

the campus is made so that every student may have a glimpse of the whole University.

There will be no fraternity or sorority rushing until 4:00 Thursday afternoon after Freshman Week is over. Until that time upperclass students on the campus are pledged not to discuss the matter except as it is brought up in group discussions.

RULES FOR FRESHMAN MEN

These customs have grown up as a result of years of usage. They are few in number, but every first year man should take pride in following them in spirit as well as in letter.

1. All Freshmen buy their little gray and green caps the first Monday after registration. This rule applies to all except those who have complied with a similar requirement at another school for the period required. These caps are to be worn at all times while in Oxford, except when leaving or arriving in town. They are also to be worn between semesters and during the various holidays before the Spring Recess, while in Oxford.

2. On the last night before the Spring Recess, the Freshman class burn their caps with appropriate ceremonies in a huge bonfire on Cook Field. After the cap-burning, a dance is held in the gymnasium.

3. All Freshman men help to gather wood for the bonfires before each pep meeting in the fall. There is usually a good deal of competition at this time, as each Freshman class tries to build

a bigger pile of wood than any previous class.

4. Freshman men meet all visiting athletic teams at the depot and carry their luggage. This is one of the most important regulations, for it is on its hospitality that a school is largely judged, and it is the duty of every Freshman to do all in his power to make Miami respected by the other schools with which she comes in contact.

5. In addition to carrying their luggage from the depot, Freshman men aid visiting teams in every way possible, both before and after the game. They also run errands for players and coaches of both the visiting and home teams during a game, keep the water jugs filled, and make themselves useful in every possible way.

6. After every athletic victory, whether played at Oxford or elsewhere, the Freshmen ring the bell in the Main Building for at least an hour. The longer the bell is rung, the better the impression gained of the Freshmen by their elders. Nuff sed.

7. No Freshman shall bring a date to any pep meeting or University athletic event.

8. All loyal Freshmen help decorate the Athletic Field for the Homecoming game. This is the big game of the year at Oxford, because of the return of a great number of alumni.

GREEK LETTER SOCIETIES

Miami is famous among universities of the United States as the "mother of fraternities." Five national fraternities, three of them composing the renowned "Miami Triad," were founded at Miami during the hundred-odd years of her existence. Besides these, several national sororities were founded here.

There are now thirty Greek letter societies on the campus, fifteen fraternities and sixteen sororities. Each has from fifteen to fifty-four or sixty members depending on the nature of the society. Fraternities all have their own houses, and most have their own boarding clubs. Sororities live and board in the University halls.

Membership in one of these societies always comes through an invitation from the group and NEVER by application.

When making your choice of an organization, do not jump at the first bid you receive. Weigh the various groups carefully and see which one in your estimation is most compatible with your views and customs. On your decision will depend much of your social life during your four years at Miami. The following questions will be of help in making your choice:

1. Do the members of this group have the right attitude toward similar groups?
2. Are their principles regarding life and college affairs the same ones that I hold?
3. Am I financially able to join?
4. Will I be able to make myself a part of the group as it now stands?

If you should not receive a bid do not be disappointed. Your success in college is not dependent on being a member of one of these societies. They are incidental to the real purpose of college.

DEFERRED INITIATION

1. Beginning with the class entering in September, 1930, initiation into the social fraternities and sororities shall not take place before the beginning of the sophomore year, and not then unless the candidate shall have earned sixty credit points, thirty of these in the semester just preceding.
2. Initiation of students who enter the University with advanced standing from another institution shall not take place for one semester, and shall then be contingent upon earning thirty credit points in the semester preceding initiation.
3. In the case of students entering on warning because of a poor record in high school, fraternities and sororities shall refrain entirely from rushing or pledging for an entire semester, after which time the students must have a sufficient standing to be off academic probation.

FRATERNITY RUSHING RULES

No fraternity is allowed to rush or pledge a man before THURSDAY, of Freshman Week, at 4:00 P. M.

Each fraternity is allowed only six men, not including Freshman Week assistants, in Oxford during Freshman Week to get their respective houses in condition. Those men are not allowed to make an approach to freshmen as there will be no discussion of fraternities except in authorized group discussion.

An impartial faculty committee will have its headquarters in the Conference Room on the first floor of Benton Hall during the first week of school. To this committee all disputes and violations of rules should be reported.

That Miami University will be judged by your conduct wherever you may go. Always let your conduct be such as will bring credit to the University.

That Miami has many traditions, and we depend upon you new students to preserve and cherish them. They mean much to every Miami man and woman.

That Miami's courtesy at athletic contests is above reproach. Do your part to keep it so.

To write the folks at home every week.

To attend the assembly on Thursday mornings. They will give you inspiration for your week's work.

To attend your own church in Oxford on Sunday evening. You will receive something there which even the University does not give.

To be courteous to faculty members.

That it is by service to humanity that Miami men have become great.

That the "Miami Spirit" is nationally known. Do your part.

To be of some service.

ASSEMBLY

Miami has maintained compulsory assembly attendance for the past two years. Assembly credit is also given for the University Vesper services, held twice each month on Sunday afternoons. At the present time the ruling on assemblies provides that every student must attend two of these assemblies each month, either the weekly assembly in Benton Auditorium, or the Vesper services is credited.

The weekly assembly comes at 10:00 o'clock every Thursday morning, and programs of sufficient interest are arranged so that the students will want to attend. No classes are scheduled for that hour, so that all students are able to attend. Attendance will be checked and cuts recorded just as in classes.

The Vesper services begin early in October, and are held at 4:00 o'clock in Benton Auditorium.

— ATHLETICS —

Varsity Athletics

Miami finished third again in the Buckeye athletic standings this year, one and a half points behind Ohio University, which was second. The Redskins won their fourth track championship in succession, but finished fifth in football, fourth in baseball, tied for fourth in basketball, and won third in cross country, and consequently failed to place higher in the year standings.

FOOTBALL

After losing a disastrous opening game to Pittsburgh, the Redskin football squad won four of its next five games to give promise of a successful season. Hopes died suddenly, however, when the last three encounters, all Buckeye Association games, were lost by close scores.

The new system inaugurated showed more deception and speed of attack than the old power style of play, but failed to make much of an impression on the circuit leaders.

The Ohio Wesleyan, Ohio University, and Wittenberg games were the best games of the season. In the Ohio Wesleyan game, Miami scored first and appeared destined to upset the dope and defeat the Bishops, but lost in the closing minutes when the Wesleyan team resorted to forward passing, which proved successful where power and running attack had failed.

The Ohio and Wittenberg games also seemed to be Miami victories until forward passes in the first case and a field goal in the second proved to be the deciding factors against the Redskins.

A strong freshman squad, plenty of reserve strength, and a new style of play coming in with the new coach augur better times in the Redskin camp this fall.

BASKETBALL

Miami's basketball squad had a mediocre record to show when the 1932 season closed, having lost ten of its sixteen scheduled games, six of them among the ten Buckeye Association contests.

The Redskins failed to break into the win column until the sixth game of the season, when they eked out a breath-taking victory in the Ohio University encounter at Athens. They proceeded to down DePauw, Wittenberg, and Wabash, lost to Cincinnati, and then lost to Wabash in a return game. They lost to DePauw in their second contest with the Greencastle squad, and dropped two more to Wittenberg and Denison. Miami ended the season in good style however, defeating its traditional rivals, Cincinnati, to avenge an earlier loss to the Bearcats.

The graduation of several veterans from the squad should be offset to some extent this winter by several freshmen from last year, and Coach Mauer's courtsters are expected to do better in the coming season.

TRACK

The Miami track team won the Buckeye championship for the fourth consecutive time last year, beating Ohio Wesleyan by six points. Wesleyan was favored to win because she defeated Miami in a dual meet at Delaware a week before.

The Redskins lost two meets during the season, one to Ohio Wesleyan by the score of 66 1/2 to 64 1/2, the other to Michigan Normal, one of the best teams in the country, by the score of 80 1/2 to 50 1/2. Miami defeated DePauw, 91 1/2 to 31 1/2, and Ohio University, 68 to 63, in her other Buckeye meets.

Charles Shugert, Miami distance star, running his last Buckeye race, broke his own Buckeye record in the two-mile event, covering the distance in 9:35.8. Charley ran the two-mile in 9:32.2 against Michigan Normal.

Vernon Cheadle broke a record he set at the Buckeye last year by throwing the discus 135 feet, 9.5 inches.

Miami placed in every event except the 440-yard dash in the Buckeye Meet. Several sophomores were prominent in the Redskin encounters during the season, giving promise of strong Miami teams for several years to come. An exceptionally good Freshman squad from last spring also should help Miami to uphold her record on the field and track.

BASEBALL

Miami had the least successful baseball team in several years last spring, finishing behind Ohio Wesleyan and Cincinnati to place third in the Buckeye race.

The Redskins lost five of their six Buckeye Conference contests, winning one and losing another to Ohio University, and dropping two each to Wesleyan and Cincinnati. They also were unsuccessful in games with Marshall College, winning only one out of four from these probationary Buckeye members.

Some promising sophomores have shown the ability to fill the shoes of the seniors graduated from the squad, and a good freshman squad from last year, including several good pitchers and infielders, will make up Miami's representatives next spring.

CROSS COUNTRY

Coach George L. Rider's 1931 cross country team was not so successful as usual, losing two of its dual meets and placing third in the Buckeye meet.

The harriers lost the opener to Michigan State Normal, one of the best teams in the country, and then barely missed taking a close meet from Ohio Wesleyan at Delaware. After easily defeating Cincinnati, the Redskins lost another close meet to DePauw in the last dual encounter of the season.

Ohio Wesleyan had the winning low score in the Buckeye meet, while DePauw finished second, Miami third, and Cincinnati fourth.

Athletic Association

All students of Miami are members of the Athletic Association. By a payment of a student fee of five dollars at the beginning of each semester each student becomes a member of the Association and receives a book of tickets which admits him or her to all contests in Oxford. These tickets are not transferable and are non-redeemable.

Athletic Board of Control

The Board is composed of five faculty members, appointed by the President of the University, and three students, elected by members of the Athletic Association. This organization awards letters, approves schedules, and has control over all policies of athletics.

THE BUCKEYE ATHLETIC ASSOCIATION AND THE BUCKEYE ATHLETIC CONFERENCE

In the winter of 1925, several Ohio coaches met at Columbus to arrange more suitable schedules for their teams. At this meeting a schedule-making group, called The Buckeye Association, was formed with Miami, Wittenberg, Cincinnati, Ohio University, Denison, and Ohio Wesleyan as members. These schools did not formally withdraw from the old Ohio Conference at that time but did so in the latter part of May 1926, because of the demand of the Ohio officials that the Buckeye dissolve. Thus there was brought into existence a new conference which was christened The Buckeye Athletic Association, with the six original schools as members.

In the latter part of the year 1926, these six schools at the request of the Ohio officials, returned to the old Ohio Conference but still kept their old schedule making rights. In 1928, when a new ruling was passed requiring all schools to place schedule making activities in the hands of the Conference, these Buckeye schools formally withdrew from the Ohio Board of Managers Association, which is the scheduling body of the Ohio Conference. This resignation was accepted in March 1928. In May, 1928, these six schools formally withdrew from the Ohio Conference and formed the Buckeye Intercollegiate Athletic Conference with the six original schools as members.

This organization now has its own constitution, rules, and by-laws as well as eligibility rules. The eligibility rules are more strict than those of the Ohio Conference. Wittenberg failed to comply with the rules in 1929, and was forced to withdraw, but on assurance that it would abide by the rules more strictly was reinstated a year later.

In 1930, DePauw and Wabash, two Indiana schools, were admitted to the Conference as probationary members for a year. At the conclusion of the 1931-32 basketball season, both schools decided that they could not continue in the class of competition which the Buckeye offered, and therefore that they could not become regular members of the Conference.

The resignation of Denison University, which is to go into effect at the end of the 1932 football season, was accepted with the hope that she would find herself able to continue in the Conference at the end of the 1932 football season.

Marshall College, of Huntington, West Virginia, applied for membership at the December, 1931, meeting, and was admitted to probationary membership, the year of probation to start with the 1932-1933 basketball season.

Intercollegiate Athletic Rules of the Buckeye Intercollegiate Athletic Conference

1. No one shall participate in any intercollegiate sport unless he is a bona fide undergraduate student, doing full work in a regular or special course as defined in the curriculum of his college.

2. No student shall so participate until he has been in attendance in his college for one full collegiate year subsequent to attaining the equivalent of freshman rank in the liberal arts course, or in a four-year engineering course. (Interpretations.) (1) A second year of residence shall not be required of the student who changes and then returns to his original college, unless he shall have participated in intercollegiate athletics during his absence; (2) Summer session work shall not be counted in determining length of residence.

3. No student shall participate in intercollegiate athletics upon the teams of any college or colleges for more than three years in the aggregate, and any member of a college team who plays in any part of any intercollegiate athletic contest does thereby participate in intercollegiate athletics for the year. Athletic participation in any college granting a four-year degree shall be counted in determining years of eligibility.

Two years' participation and each subsequent year of participation in a junior college shall be considered as one year of competition. (Interpreta-

tions.) (1) Students who play in the first scheduled game and in no other contest of the season shall not be considered as having participated; (2) A student who begins his college work at the middle of the year and then satisfies the year of residence requirement of Rule 2 shall not be debarred by this rule from three full years of competition in athletics.

4. At the beginning of each athletic season, the registrar of each conference school shall be asked to submit to each school in the conference a list of eligible athletes, together with a transcript of the number of hours passed and the grades earned by each athlete in the semester preceding participation.

Any student who has an incomplete which makes him ineligible shall be ineligible until that incomplete is made up. (Time limit to make up incomplete shall be six weeks.)

5. The names and scholastic records of all transfer students from within the conference shall be submitted to the conference for approval before such students can be declared eligible. This means the scholastic record in the institution from which the student transfers.

A student transferring into any Buckeye school, to be eligible for participation in athletics, must be in good standing at the institution from which he is transferring. In case an athlete is dropped from an institution, he must return to that institution and clear his record before he can be eligible for participation in a Buckeye institution. Any man who has participated in inter-

collegiate competition in a Buckeye Conference school shall be ineligible for competition in any other Buckeye school.

6. No student shall play in any game under an assumed name.

7. Any person participating in any athletic contest as a member of a collegiate team, while not a student in the institution represented, is thereafter debarred from participating in intercollegiate contests under these rules.

8. A student who participates in intercollegiate athletics and does not complete the work of that term or semester shall not be permitted to compete in the same sport in his next year of residence until he has completed the subsequent semester's work.

9. No person shall be admitted to any intercollegiate contest who receives any gift, remuneration, or pay for his service on the college team.

No student shall participate in any intercollegiate contest who has used, or is using, his knowledge of athletics or his athletic skill for gain, which includes such work as officiating in games for pay. (Interpretations.) (1) In the application of this rule the word "athletics" and "athletic skill" shall be interpreted as including gymnastics and gymnastic skill; (2) This shall not apply to Summer Playground work, to junior work in the Y. M. C. A., or to junior welfare work.

Participation of college students in athletic sports as members of professional or semi-professional teams shall render such students ineligible to membership in college teams; a semi-professional team being one which con-

tains one or more members who are engaged for a whole or a part of the season for pecuniary compensation.

17. The department of athletics shall take no active part in approaching high school boys. No one connected with the department of athletics is to make trips to talk to high school boys except at dinners or other gatherings when invited by the high school. BUCKEYE TROPHY

The Buckeye Trophy, awarded annually by the Buckeye Athletic Association to the college with the highest rating in athletics, was won this year by Ohio Wesleyan.

Wesleyan scored 19½ points out of a possible 23, winning baseball, taking second in football and track, and tying for second in basketball with Wittenberg.

Ohio University, by winning in football, placing sixth in basketball, taking third in baseball, and ending in third place in track, was second to Ohio Wesleyan, with 14 points.

Miami took third place, winning in track, tying with Denison for fourth in basketball, placing fourth in football, and taking another third in baseball. The Redskins were a bare point and a half behind Ohio, totaling 12½ points.

Cincinnati and DePauw come next in the standing. Curiously, DePauw did not score a single point except in basketball, which they won, thus garnering 8 points and tying with Cincinnati for fourth place. Denison was next with 7½ points, Wittenberg next with 6½, and Wabash last with two points.

BURKHARDT TROPHY

In 1926, A. E. Burkhardt, of Cincinnati, donated a trophy to encourage intercollegiate competition between the University of Cincinnati and Miami University.

The trophy is a twenty-year cup and will become the permanent property of the school having the greater number of points at that time.

In 1925-26, Miami easily won the cup by piling up a tremendous lead and winning by a score of 23 to 8. The next year Cincinnati retaliated, however, and won the trophy by a score of 18 to 13. In 1927-28, Miami again won the trophy by the score of 23 to 8. In 1928-29 and 1929-30, Miami barely won the cup. The score both years was Miami 19, Cincinnati 12. In 1930-31, Cincinnati won the trophy by a score of 18 to 13.

Last year Cincinnati again won the cup, this time by the score of 22 to 11. The total running score on the trophy, won four years by Miami and three years by Cincinnati, is Miami 121, Cincinnati 98.

INTRAMURAL ATHLETICS

Not many years back in the history of our colleges and universities and in the memory of most of us, there was only one system of athletics in the average size college or university. This system of intercollegiate athletics took care of a few trained and highly specialized athletes. Large sums of money were spent each year on the different branches of intercollegiate sport. Out of this costly system of athletics only a few students received any physical or body-building benefits.

Then came the World War and America's entrance into this mighty conflict. It was at this time during the intensive training periods that mass athletics and organized games brought out the excellent results of a systematic athletic training for the individual. Men were intensely interested in physical exercise if offered to them by the method of physical combat, that is: baseball, boxing, wrestling, etc. Thus it was that the now well-grounded system of intramural athletics found its beginning in the American army camps during the Great War.

This very important system of athletics was introduced into our colleges only a few years ago, and at the present time most of the universities and colleges are making intramural athletics an important feature of their campus activities.

Here at Miami University the intramural program is divided into three seasonal periods — fall, winter, and spring. During the fall season most of

the activities take the form of outdoor sports, such as speedball, playground ball, tennis, horseshoes, cross-country ball, tennis, horseshoes, cross country, and handball. In the winter season of the festivities: Basketball, boxing, wrestling, fencing, fowl shooting, indoor track, and athletic tests. Immediately after the spring vacation, Cook Field again becomes the scene of activities. Baseball, volleyball, horseshoes, outdoor track, and tennis are the sports that fill the spring calendar.

It would take too long to give a detailed description of our system of intramurals here at Miami, but it is understood that Miami University is second to no other college or university in organizing and conducting intramural athletics.

Every student is expected to participate in some athletic activity. An individual record is carefully checked after the close of each season. There is no penalty for not participating but the regular fellow and he-man always finds some athletic pursuit during his leisure time. Usually the best students in the University have a keen interest and take an important part in intramurals.

In order to give more of the new men of the University a chance to participate and likewise to increase the interest of the freshmen in intramural athletics, several new features were initiated by the Intramural Department in 1927. These include, in the fall, a tennis tournament, open to all men of the freshman class, and in the winter a freshman inter-dorm basketball tournament and an indoor track meet. The

special spring feature for the freshmen is an outdoor track and field meet. All of these contests are open to a freshman whether he be a member of a fraternity or not, and it is the earnest desire of the director of Intramural Athletics that all freshmen take part.

W. A. A.

The Women's Athletic Association of Miami has complete control of all girls' athletics, maintaining its own awards for excellency in athletics. It has an organized point system, which is used as a basis for its four awards, namely: Membership in the Association, and the pin, 300 points; class numeral, 500 points; "M" letter, 1,000 points; and an "M" sweater, 1,500 points.

The points are awarded as follows:

	Points
Class teams	100
Substitutes on teams	50
Varsity teams	25
Keeping hygiene rules for one month	25
Bicycling—130 miles per semester.	50
Hiking—75 miles a semester.....	50

Outdoor meet champion.....	100
Outdoor meet, second place.....	75

Outdoor meet, third place.....	50
Individual placing	25
Voluntary gym class	25
An "A" posture	25

Sports

Keeping an eye on that ball is only one of the many rules in hockey. This sport is played in the fall.

The main idea in soccer is to keep on your feet and "soc" that ball occasionally. Also played in the fall.

"Hittin' the leather" is the theme for the volley ball enthusiasts. Another fall sport.

"Babe" Ruths are plentiful here in the spring, when baseball fans start warming up for a fast game.

No girl is a full-fledged track teamster until she has received at least three "charley horses" and a good spring coat of tan.

Smack in the bull's eye, and who says it isn't easy? Archery in the spring is one of the most popular sports on the campus.

Helen Wills Moody has nothing on the little champs who swat those tennis balls with vim and vigor. Another spring favorite.

"And they all walked home" from hiking. At least it keeps you in practice the year round.

The Indoor and Outdoor Meets are always scenes of fun and merriment. No one misses 'em.

Play Day—held once every year—brings together the girls of three colleges to compete in various events and have a good time.

Clogging and interpretative dancing are much in demand, for they impart grace and rhythm to the body, and what they don't do to those extra pounds, girls!

CAMPUS ORGANIZATIONS -

The Miami Y. M. C. A. is an organization of the men of the campus including both students and faculty which has as its stated purposes, the promotion of a positive moral and religious college spirit, the leading of students to an intelligent religious faith, and the challenging of students to devote themselves, in united efforts, to making the will of God effective in human society, and in extending the Kingdom of God throughout the world. It seeks to accomplish these purposes through a varied program of worthwhile activities and enterprises. The plans and programs are determined and promoted by a cabinet of fifteen student members with the help and counsel of the General Secretary.

"Y" SECRETARY

Arthur C. Wickenden, the General Secretary of the Association, is a graduate of Denison University of the class of 1915. For two years following his graduation he served as the first employed secretary of the Miami "Y." Called to the service of his country he entered the World War, serving for a few months as a Y-Secretary in France, and later as a sergeant in the 12th Machine Gun Battalion.

After the war he took a graduate course in theology at the University of Chicago, taking the M. A. and B. D. degrees. After six years in the ministry of the church he was invited to return to Miami in a threefold capacity, namely, to serve as General Secretary of the Y. M. C. A., Director of Religious Activities for the University, and as Professor of Religion. The

Association is fortunate to have as its secretary a man of Mr. Wickenden's experience and training.

John A. McCann, of Lakewood, a graduate student in Government, assists Mr. Wickenden as Associate Secretary. Among other duties he has charge of the employment agency, the bookstore, and game room.

FRESHMAN CAMP

One of the most significant phases of the association's work is its service to freshmen. A camp for sixty selected freshmen is held for two days just prior to the opening of college at Camp Campbell Gard, the Hamilton Y. M. C. A. camp on the Great Miami River. A group of student and faculty leaders preside over the camp and the freshmen in attendance have a wonderful opportunity for forming friendships with these men and with one another, and of facing together some of the problems and opportunities of college life. Freshmen who have attended the camp in past years have found it a very great privilege. Every man who receives an invitation to attend the camp should do all in his power to avail himself of the opportunity.

FRESHMAN "Y"

Freshmen who are interested in the work of the association organize their own cabinet and carry on many of their own activities. The council usually is composed of twelve members. This group promotes inspirational meetings, dormitory discussion groups,

freshman parties, and provides various types of campus service, such as ushering at vespers and serving lunches to basketball squads after games.

SOCIAL ACTIVITIES

During the year the "Y" arranges a number of social events as need arises. The first of these is a get-together for all freshman men and is held in the gymnasium the first night of freshman week. Here the first year men have a chance to become acquainted. Speeches by the athletic coaches, President Upham, Mr. Wickenden, and the president of the "Y," with some snappy entertainment numbers are features of this program. Eats are served and everyone enjoys himself.

Later in the week the Y. M. and Y. W. cooperate in giving a party for all first year men and women. Getting acquainted, dancing, or games occupy the evening.

Other mixers and dancing parties are promoted from time to time through the year.

STUDENT BIG BROTHER

Each freshman who applies for admission is assigned during the summer to an upperclassman who writes to him during the summer, and who looks him up early in the fall and stands ready to help the new freshman in every possible way to become happily established in his new environment.

SPEAKERS AND DISCUSSIONS

An important service rendered by the Y. M. C. A. is that of bringing notable speakers to the campus to give addresses and lead discussions on vital topics. Series of discussions are also promoted from time to time on topics of interest to students, led usually by faculty members. Free discussion follows a brief presentation by the leader. These discussions are usually held in Fiske Room or in the Assembly Room of Ogden Hall.

CONFERENCES

In addition to the conferences on the campus the "Y" assists men to attend significant student conferences off the campus. Each year a delegation is sent to the Student Conference at Lake Geneva, Wisconsin. Students who attend these conferences say they are among the most significant experiences of a college career. Assistance is also given to enable students to attend other occasional student congresses and conferences.

Other activities included in the program of the "Y" include deputation teams to nearby towns, an employment service, the operation of a recreation room in Ogden Hall and a second-hand book exchange in the Main Building, boys' club work, athletic teams for independent men, and publication of the "M" Book.

The principal support of the Association comes from an appropriation from the **Miami Chest** to which all students are asked to contribute according to their ability.

Y. W. C. A.

Can you sing, play, read, write, draw, talk, lead meetings, arrange for and manage parties, make people happy, or can you just be interested? No matter what you can do or how well, the Y. W. C. A. needs you and you need the Y. W. C. A. The Association is an outlet for all kinds of talent, ambition, and pep; and it gives wonderful opportunities to develop them.

MEMBERSHIP

The Y. W. C. A. welcomes into its membership every girl who is interested in helping to carry out the program based upon the purpose: "We unite in the desire to realize full and creative life through a growing knowledge of God. We determine to have a part in making this life possible for all people. In this task we seek to understand Jesus and follow him."

Membership Week will come the third week of school and at this time every girl will be given a chance to become a member of the Y. W. C. A. and to signify the interest group with which she would like to work during the year. The candle-light recognition service to welcome all new members will be held at the close of this week. MIAMI SISTER

During the summer each of you freshman girls is given a Miami Sister, who writes to you and helps you to become acquainted and adapted to college life at Miami. She looks you up as soon as she gets here in the fall, but if something should happen that she doesn't, do not hesitate to go visit her. We hope that this acquaintance may develop into a strong friendship as you play around together and work out any small problems that arise. The first Sunday will be Miami Sister Day, your Upperclass Sister will entertain you in some way during the afternoon.

FRESHMAN Y. W. C. A.

Freshman "Y" is the big thing for all freshman girls, the place to get ac-

quainted, sing, give plays, read poetry, and to have a jolly good time with other girls with whom you are starting out on your college career. If you ever get to know what fun is, you'll learn it at the Freshman "Y."

Each freshman dormitory has its own freshman "Y" for the girls who live there. The cottage girls all come together and form an organization of their own which meets in the "Y" office. The other groups meet in their respective halls twice a month. Several times during the year there will be joint meetings of all four groups. Announcements of the first meetings will be made soon after the membership week ends. Keep your eyes open for them and get in for the fun at the beginning so you won't miss anything.

We want every freshman girl to come into the Freshman "Y" and enjoy its good times and help to make the campus fellowship of freshman girls complete. This is your opportunity to have a share in the Y. W. work on the campus. If you are a Girl Reserve you are interested already; if you do not know what the Y. W. C. A. is, come to Freshman "Y" and find out—we know you'll be interested.

MEET-A-BODY HOURS

The Y. W. C. A. holds no regular meetings of the entire membership but has, to take the place, the Meet-a-Body Hours on Friday afternoons from 4 to 5 o'clock in the "Y" room. At these meetings, to which everyone is invited, the girls will spend an hour in appre-

ciation of art, poetry, drama, music, and dancing, in addition to becoming more acquainted with the girls on our own campus.

The purpose of these meetings is to supply the need of the campus for a relaxation and appreciation of what are considered the cultural things of life.

Y. W. C. A. THE PROCESS OF BECOMING

When we meet a person with a radiant life, we are at home. Glowing, interested in every person; with an assurance based seemingly on some deep knowledge, or love, or experience, she comes and goes into our confidences without warning and without apology. Her deep understanding and her joy become a part of us; and we feel that she and we are kin. We know that deep within US lives this same exquisite quality and that WE are Radiant-People-In-The-Making.

We unite in the fellowship of the Y. W. C. A. for this purpose.

Honorary Organizations

PHI ETA SIGMA

The Miami University Chapter of Phi Eta Sigma, national scholastic fraternity for freshmen, was established in 1928. Membership is based solely on scholarship. Elections are held twice a year, at the end of the first semester and at the end of the year. A freshman failing to make the required average of 3.5 (half "A" and half "B") at the end of the first semester may still be elected at the end of the second if his average for the year is up to that required. Each year the organization presents a loving cup to the fraternity whose pledges have the highest average.

SYNDIC

Syndic was founded by the freshmen of the School of Business in 1930. Initiation into Syndic is based entirely upon grades, a "B" average being required; but the organization is designated to create a greater interest in business ethics and to foster scholarship and cooperation among the freshman members of the business school.

ALPHA KAPPA DELTA

The Ohio Alpha Chapter of this national honorary sociological fraternity was established at Miami in 1925. Membership is open to students majoring or elementary students who make an "A" grade.

ALETHENAI LITERARY SOCIETY

Miami chapter of the Alethenai Literary Society was installed at Miami University for the purpose of stimulating interest in creative literary work among the students of the Liberal Arts College. Those eligible must have a general "B" average, a "B-plus" average in English, and be recommended by three professors.

DELTA OMICRON

Delta Omicron, a national musical sorority, was installed at Miami University in 1923 as an honorary organization, membership being open to those girls who were taking the public school music course. An average of "B" must be had and maintained for membership. The insignie of the organization is a gold lyre set with pearls. Musicals are given monthly by the members and a twilight recital in May to which the student body is invited.

DELTA SIGMA PI

Replacing the old local Gamma Delta Nu fraternity, Delta Sigma Pi, national honorary business fraternity, was installed at Miami three years ago. Membership is based on interest shown in business lines and the subjects offered in the School of Business. Delta Sigma Pi is one of the leading business fraternities in the country.

ETA SIGMA PHI

Another national fraternity, installed here during the past few years, is Eta Sigma Phi, honorary Greek and Latin society. It attempts a two-fold purpose in that it tries to stimulate

interest in and appreciation of the classics besides promoting good fellowship and social interest among the classical students. Only those maintaining a high standing in the classical studies are eligible for membership.

KAPPA DELTA PI

Students who have done exceptional work in preparing themselves for the teaching profession may be elected to membership in Kappa Delta Pi national honorary teaching fraternity. Candidates to the Nu Chapter, established here in 1923, are selected on the basis of a strictly "B" average from members of the Junior and Senior classes.

KAPPA PHI

Kappa Phi is a national Methodist university women's club, founded at Kansas University in 1916. The Lambda chapter was installed at Miami in 1922. The purpose of the organization is to provide religious training and a wholesome social life for college women. The slogan is, "Every university girl of today a leader in the church tomorrow." All Methodist girls attending Miami are eligible for membership.

LAMBDA TAU

Lambda Tau is an honorary literary-journalistic society for girls who have shown exceptional ability in creative literary lines. It was primarily founded at Miami with the purpose of promoting literary interests in the University and putting out a literary magazine—The Miami. However, this has been discontinued and the society remains strictly honorary.

LIBERAL ARTS CLUB

The Liberal Arts Club of Miami University was organized in 1903 for the purpose of promoting the social life and literary interest of the girls in the Liberal Arts College. Until 1908, all were eligible for membership. Since that year the entrance requirements have been a "B" average in all subjects, and a "B-plus" average in English.

PHI BETA KAPPA

The Iota of Ohio Chapter of Phi Beta Kappa, national honorary scholastic fraternity, was established at Miami in 1911. Membership is limited to members of the Junior and Senior classes who attain the high scholarship standard of the fraternity. To be eligible for election in his junior year the student must have an average of three-fourths "A" and one-fourth "B," and in his senior year one-half "B" and one-half "A." The averages are figured on all courses taken.

PHI BETA PHI

Phi Beta Phi is the honorary journalistic fraternity, founded at Miami in 1925. Membership is limited to thirteen men who have shown superior journalistic ability. Election is made after the first semester of the Sophomore year. At present the society has as one of its primary objects the joining of some national group to take the place of Sigma Delta Chi which was withdrawn upon the discontinuance of the Journalistic department. Each year the fraternity issues a Yellow Sheet in which various phases of campus activity are treated sarcastically.

BETA PI THETA

The two principal aims of Beta Pi Theta, honorary French society, are to honor those students who have done meritorious work in French and essentially to stimulate interest in French literature, art, and history. Conversation is stressed in each of the sixteen meetings held during the year.

PHI MU ALPHA, SINFONIA

Phi Mu Alpha, Sinfonia Fraternity, is a national honorary organization. Its chief aim and purpose is to advance the cause of good music in America. Membership is limited to men who have adopted music as a profession or have shown an active interest in the art. Scholarship standing is also taken into consideration when elections to the organization are held.

PHI SIGMA

Phi Sigma chooses its members from the upperclassmen doing work in Botany, Geology, or Zoology. The Miami or Upsilon Chapter was installed on the campus in 1926. Meetings are held bi-weekly at which addresses are given by members of the faculty and visiting scientists. Membership is based upon high scholastic achievement in any particular branch of natural science.

BLUE KEY

Blue Key, a national men's society, was established on the Miami campus four years ago. It has for its professed objects the performance of many tasks which the administration and some organization of students can best work out together.

The organization also cooperates with the Athletic department in taking care of visiting teams and housing them at the big meets. It cooperates with the administration at Commencement time, helping to register and take care of visitors. For the past three years, Blue Key, in conjunction with the Y. M. C. A., has had charge of the "M" banquet which is given each year in honor of the football team.

Each year it offers the outstanding man in the freshman class a scholarship consisting of one semester's tuition payable the second half of the sophomore year. The award is given for excellence in scholarship, participation in athletics, and campus activities.

KAPPA PHI KAPPA

Kappa Phi Kappa is a national professional honorary fraternity of students interested in education. Its purpose is to encourage members in the study of the principles and problems of higher education.

The fraternity was founded at Dartmouth College in 1922, and the Miami, or XI Chapter, was organized in 1925.

To become members all aspirants must have Art for their majors, or must have shown great interest in one of its branches. The object of this society is to recognize individual achievement and to encourage students to develop any ability they may have in the line of art. Annual prizes are awarded for the unusual treatment by a student, of given types or objects. Awards are also made at an exhibit held each year by the club.

The Botany Club is an organization for the advancement of botanical

science. Meetings are held every two weeks in the lecture room in Brice Hall. Papers are read or reports given by members of the club on topics of general interest. Occasionally outside speakers are obtained to address the club, also motion pictures are given to which all interested members of the student body are invited. First year students are associate members, while the advanced students have the standing of full-fledged members.

GERMAN CLUB

Students who are taking second-year or more advanced German are members of the German Club. German is spoken at all meetings of the club. The members of the German Department provide the programs, which vary from speeches to plays. Lantern slides of Germany are often made a part of the program.

MATHEMATICS CLUB

The Mathematics Club is an organization for the purpose of bringing together those of the faculty and students who have a common interest in mathematics to consider mathematical topics which are not treated in scheduled courses in our school. Meetings are held on the second and fourth Mondays of each month. There is provided, in general, a double program for each meeting, one part presupposing a knowledge of the integral calculus and the other part of a more elementary nature. Any student or faculty member is eligible to membership.

CLASSICAL CLUB

The Classical Club is one of the oldest of the present day Miami organizations. It has been on the Miami campus for several decades and has always sought to foster interest in the study of Latin and Greek. The club membership extends to any one enrolled in either a Latin or a Greek course. The club meets bi-monthly, and is entertained by lantern slides depicting the art and history of ancient Greece and Rome.

GAMMA PHI

Gamma Phi is the honorary geological fraternity. It was founded at Miami March 21, 1932. The members must have fourteen hours of B or better grades in geology and be carrying more advanced work in this field. The fraternity publishes a news-letter which keeps the members posted on things of interest in connection with geology. The fraternity co-operates with the Geology Department in sponsoring an annual field trip to Mammoth Cave, Kentucky, and also the spring field trip in Southern United States, held at the close of each school year.

SIGMA PI SIGMA

Sigma Pi Sigma, national honorary physics fraternity, was founded in 1921, and since 1929 has had a rapid growth. The Miami chapter, Omega, was installed last June.

Admission to the organization is conditioned on enrollment in an ad-

vanced course in physics, a general scholastic average of B, an average of 3.25 in all physics courses, and courses in mathematics and chemistry.

The local chapter has 23 members at present, including students, alumni, and staff members. This chapter and the one installed at the same time at Chicago University brought the roll of Sigma Pi Sigma to 25 chapters.

DELTA CHI

Delta Chi, national social fraternity, was founded by four members of Phi Beta Kappa at Cornell University in 1890. Since then the organization has developed into a group of 38 chapters, the latest addition being the former Delta Theta Chi fraternity at Miami, which joined the national organization last May.

Class Honoraries

CWEN

Cwen, sophomore girls' honorary society, was established on the Miami campus in the spring of 1925. Its members are chosen from the outstanding girls of the freshman class for their scholarship, interest in activities, and personality. Its purpose is to encourage like traits in the girls of the next freshman class. Other active chapters already established are at the University of Pittsburgh and the University of Wisconsin.

MORTAR BOARD

Mortar Board, senior girls' honorary fraternity, selects its members from the junior class on the basis of service, scholarship, and leadership. Its purpose is to provide co-operation between the senior honorary societies for women, the individual chapter aims being to render the greatest amount of service possible to the school of which it is a part.

It was founded at Syracuse in 1918 by representatives from existing senior honorary societies at Cornell, Michigan, Ohio State, and Swarthmore. At present there are forty-nine chapters located at leading universities.

Organizations

WOMAN'S LEAGUE

The Miami Woman's League was formed at Miami two years ago. The work of the League is to study the needs of the women on the campus and to promote some phases of their campus life. Last year the League sponsored the Girls' Prom and gave teas in the various halls.

TRIANON

Trianon is a national social organization of independent women. It was organized in the spring of 1929 in order to give independent girls the long-needed chance to participate in social activities and to encourage them to take part in extra-curricular activities more than they had been doing.

Membership is open to any independent girl who applies, and whose scholastic standing is in accord with the University requirements. The membership fee is nominal in order to allow all independent girls to belong, since it is primarily a democratic organization.

THE MIAMI UNION

The Miami Union was formed in 1930, when it was felt that the independent men of Miami were not fully participating in the various campus activities. It is made up entirely of independent men of satisfactory academic and moral standard, and is open to all men of Miami, regardless of class, who are independent and in good standing with the University Administration.

CAMPUS ACTIVITIES

Public Speaking

INTERCOLLEGIATE DEBATE

The opportunity to receive the valuable training given in the intercollegiate debate seminar is given to all students at Miami University. Although the men and women work independently as regards subjects, directors, and schedules, there is a close co-operation and an excellent esprit de corps.

Miami is the exponent of the cross-examination type of debate which has proved to be much more interesting to the audience and to the speakers and to provide better training for the speaking of the world of practical affairs than the old type of contest debating. Partly because of this intensely interesting and practical type of debate Miami is requested by many schools and community organizations to supply them with debates. Thus the Miami debaters are always assured of large and interested audiences.

Intercollegiate debate groups are organized shortly after the opening of the school in the fall and are directed by members of the Department of Public Speaking. For satisfactory work in these groups, college credit up to two hours is given. Those who do good work in these debate groups represent the University in intercollegiate debate and are eligible for election into Tau Kappa Alpha, national forensic fraternity.

MORTAR BOARD LOYALTY CONTEST IN PUBLIC SPEAKING

All sophomore, junior, and senior women may enter the Mortar Board Loyalty Contest, which usually takes place after the spring vacation. The four best speakers are chosen to take part in the finals, which are held in Benton Auditorium.

The contest is sponsored by Mortar Board, the senior girls' honorary fraternity. Cash prizes of \$30.00 and \$15.00 are awarded to the winners of first and second places.

CWEN CONTEST IN PUBLIC SPEAKING

The Cwen contest in public speaking is open to all the freshman women of the University.

Cwen, national honorary society for sophomore women, sponsors the contest and makes the awards. The winner of first place receives a cash prize of \$15.00 and the winner of second place is awarded \$10.00.

FISK CONTEST IN ORATORY

The Fisk Oratorical contest was established and endowed in 1921 by Otis B. Fisk, LL. B., Ph. D., in honor of his father, Dr. Charles Henry Fisk, of the class of 1863.

All sophomore, junior, and senior men may enter the preliminaries from which the four best speakers are chosen for the finals, which are held in Benton Hall. The winner is awarded a cash prize of \$40.00 and the second best receives an award of \$20.00.

INTERCOLLEGIATE CHESS

Chess, that ancient sport of kings, seems to have found its place at Miami during the past year, and gives promise of going across on a far bigger scale next year.

During the past year a number of matches were held with the chess representatives of the schools near Miami, and while the Big Red strategists were not always successful, they gave a good account of themselves on all occasions.

The increased interest in this sport evidenced last year has led to the planning of a far greater program next year. It is hoped to form an intercollegiate chess league among the schools of southwestern Ohio. The first step in this direction was taken last year.

Publications

RECENSIO

The "Recensio," the Miami University year book, is published near the end of the second semester, giving a complete pictorial and written review of the happenings of the school year. This annual is published by a staff selected from the junior class and is under its direction and supervision.

The editor is chosen by the head of the English Department who acts upon the recommendations of the retiring editor. A staff is chosen by the editor, composed of about twelve members of the junior class. This staff is assisted by sophomores who are usually candidates for the editorship.

A Business Manager is chosen by the secretary of the Board of Trustees, which acts upon the recommendations of the retiring manager. Candidates for the managership from the sophomore class compose the entire business staff.

As suggested by its name, the "Recensio" endeavors to give a complete summary or review of the preceding year. It is a very complete pictorial and written review of the scholastic year. Perhaps a "lion's share" is given to the seniors, but the other classes are not forgotten.

MIAMI STUDENT

Established in 1826, the "Miami Student" is the oldest college newspaper west of the Alleghenies. Making its appearance on Tuesday and Friday evenings, the paper is the four page

semi-weekly paper of the University. It gives a complete review of the happenings on the campus whether athletic, forensic, scholastic, or other news of campus and country-wide college activities.

A circulation among the students of one hundred per cent. is maintained as the subscription price is included in the student activity fee which is paid by every student upon registering for the semester.

The editor is chosen by the head of the English Department and the President acting upon the recommendation of the retiring editor. A four per cent. commission, taken from the total receipts for the entire year is given to the editor as compensation, together with three hours' credit in English.

Last year the "Student" staff was awarded credit hours in English so the editor had the power to add or subtract from his staff of assistants as he wished. Such a policy will be followed again this year. Tryouts for the staff are held at the beginning of the fall term and those selected must have had a course in journalism, or its equivalent in actual work on some paper.

Regular "beats" are assigned to reporters and a "dope sheet" is posted for each issue. Thus the work is made to conform as nearly as possible with that on any large metropolitan daily.

The business manager of the "Student" is appointed by the President and Mr. Roudebush, acting upon the recommendation of the retiring manager. He also receives compensation for his work.

MIAMI DIRECTORY

The Miami Directory is put out by the University shortly after the school opens for the fall term. It contains the names, home addresses, campus addresses and Oxford phone numbers of the students registered in the University. In addition it contains a list of all the faculty and administration members with their offices, addresses and phone numbers. It also has a list of the class presidents, officers of the Student Senate, Student Council, Y. M. C. A. and Y. W. C. A. The University calendar is also included.

THE "M" BOOK

It is the Freshman's "Bible" and he should read it from cover to cover, assimilate its contents and digest them thoroughly.

The editor is appointed by the President and General Secretary of the Y. M. C. A. The editorial staff is appointed by the editor. The book is made possible through the cooperation of the organizations listed in the front.

THE NEWS LETTER

The News Letter is the University publication which is issued with the purpose of keeping a close bond between Miami and her alumni, scattered all over the world. It details the doings of the different departments of the school in a brief and concise manner, giving the results of athletic contests and containing all other information of interest to the alumni.

Musical Organizations

THE UNIVERSITY GLEE CLUB THE MADRIGAL CLUB THE ARION CHOIR

These choral organizations offer membership to all students in the University who can qualify, after consulting with the director. They offer students unequalled opportunity for becoming familiar with a wide variety of chorus music, ranging from simple part-songs to the great classic and modern choral works. The University Glee Club is made up of the men students, and the Madrigal Club of women. The membership of the Arion Choir is drawn from both the men and women students. These organizations are under the direction of the faculty members of the School of Fine Arts. Public concerts are given throughout the year.

THE UNIVERSITY ORCHESTRA

Membership in the University Orchestra is open to all students who can qualify, after consulting with the conductor. Students who take this work have unusual opportunity for sight-reading and orchestral routine. It is obvious that while the pleasure of participation in such an organization is an important consideration, the value of thorough and careful study of a large amount of orchestra literature cannot be over estimated by the serious student of music. The orchestra is under

the direction of a faculty member of the School of Fine Arts. Public concerts are given throughout the year.

THE UNIVERSITY BAND

The Varsity Band consists of 40 to 60 pieces. Eligibility is based upon try-outs held early in the year and the interest shown in the work. The band plays for all home games, featuring marching formations which climax in a marching "M." Last year the band made the annual trip to Cincinnati for the Miami-Cincinnati classic on Thanksgiving Day. The band also plays for the home basketball games. Rehearsals are held weekly and end in the Annual Spring Concert. One semester hour of credit is awarded for work in the band. The band is under the direction of a faculty member of the School of Fine Arts.

Dramatics

YE MERRIE PLAYERS

Ye Merrie Players controls the dramatic activities at Miami. A point system is used in determining membership; thus much hard work and active interest in dramatics is required before one can become a member. Points are made by taking part in or assisting in Ye Merrie Players productions.

Founded in 1910, the organization has been active ever since. Two plays are presented each year, one at the midyear and another at commencement, the plays being carefully selected for their high quality.

THE DRAMATIC WORKSHOP

This is a sub-organization to Ye Merrie Players. Approximately every three weeks, plays are presented before a selected audience of critics. Plays which are voted or selected as the best are again presented, but this time before a paid audience in the Workshop Theater, located in Main Building.

MIDYEAR PLAY

Shortly after the end of the first semester, the students present a play under the supervision of Ye Merrie Players. Tryouts are open to everyone.

COMMENCEMENT PLAY

During Commencement Week, Ye Merrie Players presents a play for the benefit of the many visitors. Credit towards membership is given for participation in this play, as well as in the midyear play.

MISCELLANEOUS

BUILDINGS

Here are given the principal buildings of the University. No doubt you will have them all well in mind by the end of your first week in Oxford, but this list, together with the map in the rear of the book, will help you in getting around the first few days.

Harrison Hall is the oldest building on the campus, having been erected soon after the University was founded in 1809. It is chiefly occupied by classrooms used by the College of Liberal Arts. The University Commons, a dining room for men, is in this building.

The Y. M. C. A. Book Store and candy room, and the Workshop Theatre, may be found on the first floor.

Briec Hall, the science building, provides laboratories and classrooms for the Departments of Geology and Zoology. A zoological museum on the second floor, and a geology museum on the first floor, are open to inspection.

Benton Hall contains the Auditorium, used for University chapel and assembly services, and for student dramatic productions. The administrative offices are to be found in the building.

Alumni Library was made possible through the gift of the late Andrew Carnegie, and was built jointly by Mr. Carnegie, the alumni, and the State, at a total cost of \$220,000. It houses the University library of 100,000 volumes, and seats four hundred students in the reading rooms.

A new wing was erected on the east side of the Library recently, providing

ample room for a rapidly growing student body, and for an additional reading room.

McGuffey Hall is devoted entirely to the School of Education, founded at Miami in 1902. It has been built in four sections at a total cost of \$360,000.

The south wing, together with the new southeast wing, accommodates the William McGuffey training school of five hundred pupils.

Hughes Hall, a new chemistry building named for one of Miami's former presidents, was erected recently directly east of the old chemistry building in the lower campus. It contains lecture rooms, a library, offices, and laboratories. Another wing will be built in the near future in the place where the old building now stands.

Irvin Hall, one of Miami's newest buildings, is largely devoted to classrooms for the College of Liberal Arts, and for the School of Business. The north and east sections provide classrooms and offices, while the south section is used by the Departments of Botany and Physics. The School of Business is located on the third floor. The Recensio and Student offices are located on the ground floor, near the secretarial laboratory.

The Observatory south of the lower campus houses a new twelve-inch refracting telescope. Dr. Anderson, professor of mathematics, has charge of the Observatory, which is open to the student body on clear nights.

The Industrial Education Building is a new, three-story, fireproof structure, housing the mechanical drawing, wood-working, metal-working, and printing departments.

Withrow Court is Miami's new gymnasium, the first unit of which was completed in 1931. This unit includes the gymnasium, offices of the professors of Physical Education, several student, faculty, varsity, and freshman dressing rooms, a training room, supply rooms, and a large boxing and wrestling room.

The building, which is used entirely by the men, will cost nearly a million dollars when completed. Later units will include a swimming pool, an auxiliary gymnasium, and a field house.

Herron Gymnasium, formerly used by both men and women, is now devoted entirely to co-ed athletic activities.

East and West Halls are girls' dormitories, located southeast of Irvin Hall. They are used principally by freshman and sophomore women.

Bishop, Hepburn, and Wells Halls are girls' dormitories, housing upperclass women.

North, South and New Freshman are men's dormitories, housing freshman men. North is divided into Johnson and Elliot Halls and South into Swing, McFarland, and Stoddard Halls. These are the oldest living quarters on the campus.

Ogden Hall, upperclassmen's dormitory, is the men's student center on the campus. The offices of Arthur C. Wickenden, professor of religion and general secretary of the Miami Y. M. C. A., are located in Ogden Hall.

The Ogden Hall dining room is located in the basement of Ogden. It is used for athletic and organization banquets.

The erection of Miami's new **Food Supply Building** began this summer. The building is located on University property in the west section of Oxford, and is to be connected by a spur with the B. and O. railroad tracks. The building will be used exclusively by the University Boarding Department.

The Power Plant, located south of the Industrial Education Building in the lower campus, supplies all campus buildings with steam heat.

THE LIBRARY

Miami has a large and well equipped library. The main reading room seats approximately 250 people, and the reserve reading room about 150. In all, the library contains about 100,000 volumes.

Library rules which apply to all students, and, if learned, will save new students much inconvenience, are as follows:

1. Books may be secured by signing for them at the desk in the lobby. A fine of two cents per day is charged for books kept longer than the specified time.
2. Books may ordinarily be kept for two weeks.
3. A card-index of all volumes is provided, listing them by title and author. Books can be called for by number only.
4. Admission to the stacks may be obtained by application to the librarian. In special cases, a card is issued allowing the bearer to enter the stacks at any time.
5. Back numbers of magazines may be obtained at the desk.
6. Reserve books may be obtained at the reserve desk in the basement.
7. Reserve books may not be removed from the library except at the close of the day, and must be returned at 8:00 the next morning. Books withdrawn Saturday evening may be retained until Monday morning at 8:00.
8. A fine of ten cents an hour for the first two hours, and five cents an hour after the first two, is charged for every reserve book kept after the time limit expires.

MIAMI CHEST DRIVE

Several years ago the members of the Student Body were bothered with numerous calls to contribute to various worthy organizations. Each Christian Association and charitable institution made a separate campaign each fall. These continuous appeals were not only monotonous to the students, but were themselves many times unsuccessful. In 1925 it was decided to unite these under a Chest system. A budget, allotting a specific sum to each organization, was made out by a special committee of faculty and students. Then early in the fall a drive was put on to raise this money. The whole campus, faculty and students, united in the program of altruistic giving, by which, in one liberal donation, they were able to support these institutions.

In the past six years this drive has been successful. We feel that it will be even more successful this year. This drive will give you a chance to help support the local Y. M. C. A. and Y. W. C. A. and to contribute to off-campus projects. Last year money was sent to a loan fund for students in the Florida tornado area, to Grace Steinback, a Y. W. C. A. Secretary in China whom the Y. W. C. A. at Miami has helped to support for several years, a boys' school in Bagdad, and the International Student Service which has replaced the Student Friendship Fund in aid for needy students in Europe.

mester. An address by some prominent educator is followed by the announcement of the elections to those honorary societies which recognize high scholastic attainment. At this time, the scholastic awards for the previous semester are also made. This includes the awarding of the Shearer Cup, the Phi Beta Kappa Fraternity Cup, and the Phi Beta Kappa Sorority Cup.

THE PHI BETA KAPPA AWARDS

Each semester the Phi Beta Kappa Scholarship Cups are awarded to the fraternity and sorority which make the highest scholastic average. The Fraternity Cup is awarded to the members of the organization exclusive of pledges, and the Sorority Cup is awarded to both members and pledges.

HOSPITAL AND DISPENSARY

This building is situated on the south of the campus, opposite the Power Plant.

Much can be done for sick people if they are treated in time; therefore, all students who are sick or ailing in any way are expected to report at once at the hospital.

The doctors and nurses are always in attendance at the hospital and emergencies are taken care of at any time of the day or night, but other than emergency cases are expected to come for admission to the hospital or treatment in the dispensary at the regular hours, which are 9:00 to 12:00 A. OXFORD

Oxford is a town of about 2,500 people. The University is located in the southeast quarter of the town proper, although it has a few buildings in other sections. The chief thoroughfare is High Street, on which the bus stop is located, and on which most business places are to be found.

To get to High Street from the railroad station, go one square east and two north. Follow High Street east until you arrive at Miami Gates, which open into the campus.
