FOREWORD

To the class of '39:

We take this opportunity to be the first to welcome you to Miami University. We think that you have acted wisely in choosing Miami, and we assert that you will never regret your choice.

You have chosen a school which is steeped in tradition, yet at the same time is liberal and progressive; a school which is proud of its athletes, its musicians, yet which never forgets that its primary purpose is to give to you the best possible education. You will enter the portals of a school from which have passed Presidents of the United States, great educators, successful business men. You will enter these portals with a clean slate. Your past is forgotten and before you open broad vistas of a new life. What will you make of that life? Will you take advantage of the facilities of Miami and the different means by which you may express yourself, or will you sink into a lethargic existence? The opportunities of Miami are limitless. Scholarship, activities, and social life, all offer possibilities for developing your self. The field you select will depend upon your desires, your interests. It is impossible to take advantage of all that is here. Whether or not you will be successful in your chosen field will depend entirely upon you. You will find that hard work or special ability is quickly recognized.

Again we should like to emphasize the fact that no matter what you may do, scholarship is a prerequisite to almost every activity. Fundamentally, a University is in existence because of its educa-

tional facilities, and Miami men and women have never allowed themselves to forget this. They have found that by applying themselves for only a reasonable period each day from the very beginning, and by never allowing themselves to fall behind, they have maintained their grades above the average level without an undue amount of time and energy. In looking over the Who's Who at Miami, you will discover that most of those students who have attained positions of prominence and responsibility, are students who stand high in the classroom.

We repeat our welcome, and earnestly express the sincere hope that you may make the best of your opportunities here. At all times experienced Miami men and women are eager to aid you in any possible manner. That is the Miami spirit.

THE EDITOR

PRESIDENT A. H. UPHAM

THE PRESIDENT'S GREETING

To all new students:

You may not realize it, but just now you are taking one of the most important steps of your life. The friends you find in college will probably remain your best friends all your days. The influences that work upon you here will affect you as long as you live.

Many people will give you advice in this new venture. I am not sure all of it will be sound. Anyhow I want to add my bit in the shape of some homely truths which never seem to wear out.

You must get off to a good start in everything you undertake. Many college careers are wrecked in the first four weeks.

You need to live normally: normal sleeping hours, normal waking time, normal habits generally.

You are expected to attend all your classes regularly. Note the special regulations about freshman attendance at classes.

You should cherish your new friendships and not let them run away with you. They can help you enormously or make you a confirmed waster of time and energy.

I say these things now because I am genuinely interested in seeing you make your life at Miami a very pleasant and profitable experience.

Cordially yours,

A. H. UPHAM, President

Old Miami

(Alma Mater)

Old Miami, from thy hill crest
Thou hast watched the decades roll,
While thy sons have quested from thee
Sturdy hearted, pure of soul,
 Old Miami! New Miami!
 Days of old and days to be
 Weave the story of thy glory,
 Our Miami, here's to thee!
Aging in thy simple splendor,
Thou the calm and they the storm,
Thou didst give them joy and conquest,
Strength from thee sustained their arm.

Thou shalt stand a constant beacon,
Crimson towers against the sky,
Men shall ever seek thy guiding;
Power like thine shall never die.

Miami March Song

Miami old, to thee our love we bring,
To thee our hearts and minds will ever
 cling,
Thy fame of other days, thy gifts so
 free
Call us today to sing our praise to
 thee.

Chorus:

Love and honor to Miami,
Our college old and grand,
Proudly we shall ever hail thee
Over all the land;
Alma Mater now we praise thee,
Sing joyfully this lay,
Love and honor to Miami
Forever and a day.

Thy elms, thy hills, thy skies of azure
 hue,
To them is deepest inspiration due,
Thy stately towers upon the hilltop fair,
To them do we our grateful homage bear.

On land and sea our hearts will ever be
The truest, bravest man can show to thee,
Our duty ever in our loyalty,
To guard thy name through all eternity.

Varsity Pep

In the wild frontiers of yesterday
Was founded Miami old,
She has stood her ground in every way,
Defended by heroes bold.
And now, by our united strength
May her banner ever wave, yea.
Hep, hep, hep, let's join in step
And cheer Miami on for aye.

(broken strain)

Sons and daughters of Miami
Ever loyal to Miami,
Come along, join in song
As we sing the praise of our dear
Alma Mater.

MIAMI SCALP SONG

Yuh! Yuh! Yuh! Yuh!
(to the word) "war!"
 The tribes go forth to war,
 The tribes go forth to war,
 Their scalp-songs ring afar;
 Bright the blood-red campfires gleaming,
 Mad with thirst the war-hawk's screaming;
 Signal smoke soars high,
 Beckons in the sky,
 Old men shake their calabashes,
 Warriors dance amid the ashes,
 Maidens sobbing, war-drums throbbing,
 War!

Sweet the vict'ry and the conquest,
 Calm the rest among the slain;
 Sons of centuries of heroes,
 Seek the fuit, despise the pain.
 Watch Miami now,
 See the foemen bow,
 Far and Wide their hose is scattered,
 Spears are broken, shields are battered;
 Miami! Yuh! Yuh! Yuh! Yuh! Miami!
 Race them, chase them, pound them, hound
 them, Wow!

"SLANT WALK"

The University

HARRISON HALL

"Old Main" has seen generations of students pass through the portals of Miami, has shared in their joys and sorrows, has passed through the vicissitudes of civil strife and now looks down calmly upon the "New Miami" of today. The central portion was built in 1818 and was the first permanent structure of the University. Then, in 1868, the west wing was erected. It was finally completed in 1898 when the east wing was added.

HISTORY OF MIAMI UNIVERSITY

Miami University was the second institution of higher learning established by the State of Ohio. It was founded under a Federal Land Grant by act of the Ohio Legislation in 1809. One year later, the site of the college was located at the village of Oxford, in the center of the township set aside for educational revenues.

Because of the lack of sufficient funds, Miami was little more than an academy until 1824. In the fall of that year R. H. Bishop was secured as president and the school was raised to the dignity of a University. About this time the two literary societies, the Erodelphian and the Miami Union, were founded, and the struggles and rivalries of the two societies eventually led to the formation of the Miami Triad of Greek letter fraternities, Beta Theta Pi, Phi Delta Theta, and Sigma Chi.

Until the time of the Civil War, Miami increased rapidly in size and prestige. It was during this period that she came to be known as "The Yale of the West," and credits received from Miami were recognized in all of the leading universities of America. But the coming of the Civil War marked the beginning of a dark period in the history of Miami. Many of the students joined the army of the North and many that of the South, so that the attendance was greatly curtailed. After the war there were no funds available for the continuance of the University, and in 1873 the school was closed.

In 1885 the University was reopened under the leadership of President McFarland. From this time on the rise of the school was rapid and without interruption. In 1887 women were allowed to enter the University for the first time.

In 1902 the School of Education was added, affording a thorough course for prospective grade-school teachers. The Bachelor of Science in education courses for those wishing to prepare for teaching in high schools was added in 1914.

In 1926 the Trustees of Miami University voted to establish a School of Business Administration, with courses leading to the degree, Bachelor of Science in Business. The formal opening of the Business School occurred in the fall of 1928.

The School of Fine Arts was established by action of the Board of Trustees in December, 1928, and inaugurated with the opening of the following academic year. The School of Fine Arts is made up of three departments offering the degrees of Bachelor of Music, Bachelor of Fine Arts, and Bachelor of Architecture.

THE ADMINISTRATION

The administration of Miami University is entrusted to a Board of Trustees and to the administrative staff of the University. The Board of Trustees is composed of twenty-seven members, nine being appointed every three years by the Governor of the State of Ohio and confirmed by the Senate. The State Director of Education is ex-officio a member of the Board.

The administrative council is composed of the president, the deans of the various schools, the dean of women, the assistant to the president, the secretaries of the Board of Trustees, and a representative of the faculties.

THE ADVISORY SYSTEM

In order to assure each student that he will have some member of the faculty to whom he may go for advice in his official relations to the University, the student body is divided into Advisory Divisions. These are made according to the course in which the student is enrolled and according to sex.

The University also maintains at a considerable cost, freshman advisers. These men are members of the University faculty and are selected for their competence for the position. They have charge of the dormitories in which they reside, and are available for conference at all times.

UNIVERSITY RULES

1. Smoking in any University building other than the dormitories is strictly forbidden.

2. Drinking of intoxicating liquors of any kind is punishable by suspension.

3. Any organization wishing to use a room in a University building must present a written request to the Calendar Committee, which meets in the President's office, Benton Hall, at 2:00 o'clock each Thursday.

4. All social events must have the sanction of the Dean of Women.

5. No student may maintain an automobile or motorcycle in Oxford at any time without the permission of the President. Violation of this rule may be followed by suspension.

ABSENCE REGULATIONS

1. Every student is expected to attend all classes; if he does not he is liable to discipline unless he has acceptable reasons for each absence.

2. Whenever a student is specifically reported in writing by an instructor to an adviser as being absent from class to such an extent as to make his own work inefficient or impair the morale of the class, the adviser shall drop the student from that course with a grade of "F".

3. Absences caused by authorized trips from town for athletics, debates, or other performances under the direction of a member of the faculty will be cancelled.

4. Absences from classes due to confinement in the hospital for sickness or on order of the University physician are cancelled. Absences occasioned by domestic affliction and absences for any other reason than those listed herein, are cancelled only when recommended by the adviser and approved by the Academic Council.

5. (a) When the uncanceled absences from any course of a student who is in his first semester of residence at Miami, (whether freshman or upperclass transfer) or of any other student whose average for the preceding semester was below "C" exceed the number of semester hours' credit allowed for that course, such student shall be dropped from the course with a grade of "F".

(b) When the uncanceled absences from any course of a student whose average at Miami for the preceding semester was between "C" and "B" aggregate one-tenth of the whole number of class meetings of the course for the semester, such

student shall be dropped from the course with a grade of "F".

(c) Reinstatement can be secured only upon recommendation of the instructor and adviser; and a student reinstated under the operation of this rule shall be permitted no further absences from the course in which he has been reinstated.

(d) When the uncancelled absences of a student aggregate one-tenth of the whole number of class recitations for all his courses for the semester, the student shall be dropped from college.

6. Any student who makes an average of "B" or better in any semester at Miami shall be exempt from the operation of Rule 5 during the following semester, except that the committee of advisers may withdraw this privilege from any student who in their judgment is abusing it.

7. Absences incurred the full day preceding and the day following a holiday shall be trebled in the operation of Rule 5, provided, however, that no student shall be charged with triple cuts when more than one absence is in the same course.

8. Because of limited seating capacity, students are required to attend each month only one-third (two a month) of the regular student assemblies, including Sunday afternoon vespers. Failure to attend this required number of programs in any semester will result in the addition of one semester hour to the total graduation requirement. Students with a "B" average are not exempt from assembly attendance.

9. Failure to keep appointments with University officers may be recorded as uncancelled absences accumulating at the rate of one per day beginning with the hours of the appointment missed.

Student Government

MIAMI STUDENT GOVERNMENT

Miami, as a progressive, liberal minded institution, is proud of its student government. The preamble to the constitution states that the primary purpose "Shall be to serve Miami by providing a government for students through a student-faculty co-operative plan." Those students participating are leaders on the campus and are well aware of their responsibility.

The following pages attempt to convey some concept of the importance and scope of the council's activities. Anyone desiring a complete copy of the constitution, may obtain one by calling at the Varsity Book Exchange in Harrison hall.

ACTIVITIES

The student body of Miami University is governed by the Student-Faculty Council, a group consisting of six faculty members, six men students, and six women students. The six men and six women chosen at the general campus election to represent the student body on the Student-Faculty Council are elected according to the Hare proportional system of voting. Previous to the election the two political parties on the campus, the Liberal Party, and the New Deal Party, are busy carrying on extensive campaigns for their candidates. Campaign literature is circulated, political rallies are held, and the candidates are introduced to the student body at an assembly before the election. After the members of the Council have been elected, they hold a meeting sometime before the final examination period of the semester. At this time they elect from their number a chairman, a vice-chairman, and a secretary-treasurer. In this

way the organization of the Council is completed so that work can be started immediately the next fall.

"The duties and powers of the Council shall be to study and discuss campus problems; to recommend to the students, faculty, and administration any changes deemed best for Miami; to cooperate with campus-wide organizations in the promotion of their programs; to apportion the Student Activity fees; and to determine the time, place, and manner of student elections." (From the Constitution of the Student-Faculty Council) During the past year the Council accomplished several things in accordance with their duties and powers set forth above.

"To study and discuss campus problems; and to recommend to the students, faculty, and administration any changes deemed best for Miami." One of the first problems to be discussed was the fact that town students and commuters were not receiving their copies of the "Student", the bi-weekly campus newspaper. The Council recommended to the management of the "Student" that arrangements be made to distribute the newspapers more generally. The business manager took action on this matter by creating about forty new distributing points, by keeping the newspaper rack in Irvin Hall fully stocked, and by printing more papers.

A recommendation was made to the administration that closing hours for women's dormitories be extended to eleven o'clock on Friday nights, and to twelve o'clock on Saturday nights. The Administrative Council referred the matter to the Women's Legislative Council. This body, after carefully considering the matter conducted an experiment regarding the exten-

sion of closing hours. Eleven o'clock privilege was given to women students by special permission on Friday nights, and dormitory parlors remained open until twelve o'clock on Saturday nights.

Another problem discussed was that of the difficulty students had in getting to assemblies when their classes met in Irvin and Hughes Halls, or when they were held overtime. The Council authorized its chairman to meet with President Upham to present the views of the Council on this matter and to attempt to remedy the situation.

"To cooperate with campus-wide organizations in the promotion of their programs." Many projects of campus organizations were aided by this body during the year. In the first place, to give our band a smart appearance, the Council appropriated \$600 to the band to help in the purchase of new uniforms; it also made an appropriation for the storage of the uniforms during the summer, so that they would be in good condition for the fall games. The Council sent the band to Cincinnati to represent Miami at the annual Miami-Cincinnati football game. To keep the cheerleaders looking their best, the Council bought a new set of cheerleaders' sweaters and paid for keeping them in good condition.

An appropriation was made to meet some of the expenses of a tri-state International Relations Clubs conference held here and which the Council deemed worthy of its support. The Student-Faculty Council financed many of the gala activities of Dad's Day and Homecoming Day. It gave financial support to the publication of the "M" book, popularly known as the "Freshman Bible." Last spring in order to show

the voters of Ohio what an excellent glee club Miami has, the Council sent the Men's Glee Club on a concert trip through the northern and western part of the state.

To secure efficient chairmen for class dances, the Council must give its approval to the nomination submitted by the class president, before that person can assume the chairmanship of a class dance.

"To apportion the Student Activity fees". The Student-Faculty Council appropriated money from the Student Activity fees to the Athletic Association, the "Miami Student", the Student-Faculty Council, Intramural Athletics, Women's Athletics, Women's League, Varsity Band, Debate Fund, Musical Organizations, and to the classes for class dues. Last year a careful study of the general budget was made with the intent of redistributing the appropriations according to the needs of these organizations. The Council felt that the band and the musical organizations were making an important contribution to student life and were not receiving adequate financial support. Therefore, the appropriations to these two organizations were raised, while those of the Student-Faculty Council, the Debate Fund, and the class dues were reduced. In making budget changes the Council considered the value of each organization to the campus, the number of students who participate in each activity, and the efficient management of each organization, so that every student would be assured a fair division of his activity fee.

"To determine the time, place, and manner of student elections." The elections committee of the Council supervises the election of freshman officers. This election is held sometime after the sixth week

of the school term. Official ballots are prepared by the Council elections committee. Counting of the ballots and announcement of the results are carried out under the direction of the elections committee. Before the election and installation of the freshman president, the chairman of the Council acts as the executive officer of the Freshman class.

General campus elections are held on the fourth Tuesday in April of each year in Benton Hall. The Student-Faculty Council conducts this election, prepares official ballots, presides at the polls, and provides for an impartial count of the ballots. In addition to the selection of student members of the Council, at this time a president, vice-president, and a secretary-treasurer of the senior, junior, and sophomore classes are elected; three men are elected to the Athletic Board of Control; and the vice-president of the Varsity Social Club is chosen. Each political party must file with the Council a detailed account of its campaign expenditures. This report is later published in the "Miami Student".

The Council performs an important function when it appoints two men and two women students to sit on the Men's Disciplinary Board and the Women's Disciplinary Board respectively. These four students represent the student viewpoint on matters which require disciplinary action.

The Student-Faculty Council, as a student governing body, has most interesting meetings. Often heated discussions arise over controversial questions. Since every meeting is open to the student body, anyone who is interested in seeing how his campus government is conducted, is welcome to attend the sessions.

FRESHMAN ELECTIONS

(a) The secretary of the elections committee shall superintend the election of freshman class officers, to be held not previous to the sixth week of the school term.

(b) Nominations for candidates for office in the freshman class shall be made by petitions, carrying the valid signatures of not less than 25 members of the freshman class. Any signature appearing on more than one petition for any office shall be invalid.

(c) Petitions of nominations shall be placed in the hands of the secretary of the elections committee not later than six p. m. of the second Saturday preceding the date set by the Council for freshman elections.

(d) Each candidate for nomination or a representative of each shall appear before the freshman class in a freshman assembly on the Thursday following the Saturday on which nominations have been closed, and shall present the nominee's qualifications and platform. The name of the candidate who does not either appear or is not represented at this meeting shall not be placed on the ballot.

(e) Election of officers for the Freshman class shall take place the following Tuesday. Official ballots prepared by the elections committee shall be used in this election. Counting of the ballots and announcement of the results shall be carried out under the direction of the elections committee.

(f) No Freshman shall be eligible for a freshman elective office having less than

a "C" average in his last previous grade report.

(g) Previous to the election and installation of the freshman president, the chairman of the Council shall act as the executive officer of the Freshman class.

DEAN ELIZABETH HAMILTON

THE DEAN OF WOMEN'S GREETINGS

To Incoming Miami Women:

We who are at home on the Miami campus look forward eagerly every year to that most interesting of all groups, the freshmen. In every class we find a wonderful variety of types—the bold, the timid, the self-confident, the shrinking, the indifferent, the intellectually curious—and we wait to see how each one of you will appropriate from the variety of waiting experiences and whatever will make life most rich and enjoyable in the year ahead.

We welcome you to all the pleasures of college life and we hope you will include in that list not only the fun of campus days, but the duties and responsibilities of successful academic work and fine unselfish service in the cause of college citizenship.

The campus will be a more interesting place to us because of your presence here, and we bid you welcome to all its privileges and opportunities.

ELIZABETH HAMILTON,
Dean of Women

REGULATIONS FOR MIAMI WOMEN 1935-36

Since the life of students on a campus must conform to the environment of the University and its aims, Miami women have agreed upon certain general considerations for the protection of their interests as individuals and as a group.

These considerations are embodied in the following standards of behavior which apply equally to all Miami women living in halls and cottages at any time during the college year, and before and after a vacation.

House Life

Quiet: Evening study hours.

Quiet: Absolute, between 10:30 P. M. and 6:30 A. M.

Closing Hour—Ten o'clock on all nights preceding classes. On Friday nights special permission may be obtained on occasions by upperclassmen for an extension of hours until eleven o'clock. On Saturday night the closing hour is eleven o'clock except for those who desire to use hall living rooms until twelve o'clock. Out-of-town trips may not be included in the plans for Saturday or any other evening without special permission from the heads of halls or cottages.

Guests—Guests are expected to abide by the standards in force for Miami women. Guests, including girls coming from other halls, sign in register, giving name of hostess and room number.

Signing Out—All students sign out for any absence from hall or cottage in evening or for any absence from town during day or evening.

Social Life

Social plans are concentrated at week-ends, on Friday evening, Saturday and Sunday. During the week except for necessary errands to halls and cottages callers are asked not to use the morning hours.

Upperclass Students—The privilege of determining what other evenings may be used for social plans is extended to those upperclass students who maintain a satisfactory academic record. Conference on this point shall be held between student and head of hall.

Freshmen—Freshmen for the purpose of establishing themselves satisfactorily in their college work are asked to concentrate their social work plans in afternoons and at week-ends. After the first semester any freshman who has made at least a "C" average may determine her own fitting proportion of evenings to be spent in social plans.

Driving—It is a rule of the University that students may not keep automobiles during their residence in college. Automobile drives are therefore not a part of student life except as special permission is given by the heads of halls.

Dances—All women attending dances, whether formals or informals, must return to their own halls and cottages immediately after the close of the dances. Restaurant privileges during the dances but not after close of dance.

Absence from Oxford—Women may leave Oxford only with permission of heads of halls, except for daytime shopping trips which involve no social plans. Requests for overnight trips away from Oxford, other than to the student's own home, must be accompanied by a letter from parents, specifying arrangements for travel, escort, and

hostess. If attendance at a dance is to be included in the trip, this fact must be specified in the parents' permission.

Smoking—Miami women are urged not to smoke, but there is no general University rule which prohibits them from doing so. Smoking is not permitted in dormitory rooms, but in certain halls which have a room available for such a purpose, permission is given to smoke there.

"Bumming"—"Bumming" rides to and from Oxford is forbidden.

Chaperonage—Approved chaperonage is required for all meetings, dinners, or calls for any purpose whatever at a men's chapter house or dormitory.

Picnics—Report group picnics with men to Social Director. Report individual plans to head of hall.

All Miami women are asked to conduct themselves in such a way as not to attract public attention, or to reflect upon the standards of Miami University.

THE STUDENT-FACULTY COUNCIL

The Student-Faculty Council is composed of six members of the faculty, chosen by the University Senate, six men students, elected by the men, and six women students elected by the women from the student body, and those members of the Disciplinary Board not already members of the Council.

The duties of the organization are: "to study and discuss campus problems; to recommend to the students, faculty, and administration any changes deemed best for Miami; to cooperate with campus-wide organizations in the promotion of their programs; to apportion the Student Activity Fees; to determine the time and place of

Student elections, and to pass on the chairmen of dances."

THE WOMEN'S LEGISLATIVE COUNCIL

The purpose of the Women's Legislative Council is to create a sense of unity and fellowship among women, to promote and maintain high standards of university life, and to regulate all matters of student interest not falling under jurisdiction of the faculty.

The members of the Council are the women members of the Student-Faculty council and any members of the Women's Disciplinary board not already members of the Student-Faculty Council.

WOMEN'S LEAGUE

The Women's League is made up of the presidents of all women's organizations, the Y. W. C. A., W. A. A., presidents of the different classes and chairmen of the halls. Its purpose is to study the needs of the women on the campus and to sponsor any movement for further development of some phases of their campus life; it carries no legislative or disciplinary responsibility, but is purely promotive and advisory. Last year the League sponsored the Girls' Prom and Maggie's Jig. The first was a dance for girls and the second a dance to which the girls invited the boys.

WOMEN'S INTER-FRATERNITY COUNCIL

The Women's Inter-Fraternity or Pan-Hellenic Council is composed of three delegates, a sophomore, a junior, and a senior from each sorority.

PAN-HELLENIC RULES FOR SORORITY RUSHING 1935-36

Freshmen shall abide by these rules as well as upperclassmen.

I. Rushing Season.

1. The actual rushing season shall start Friday of Freshman Week, September 20, 1935, at 7:30 o'clock P. M., and shall close Saturday, September 28, at 10:30 P. M.

2. There shall be no rushing on Sunday, September 22, or Wednesday afternoon, September 25.

II. Organized Rushing.

1. An organized rush party is one for which definite plans have been made and invitations extended to the rushee before the rushing season starts stating the type of party she is to attend.

2. Such organized parties may be held on Friday and Saturday, September 20 and 21; and Friday and Saturday, September 27 and 28. The first party on Friday, September 20, shall not start until 7:30 P. M. All organized parties shall close at 10:30 P. M.

3. During the summer no organization shall date a rushee for more than one organized party and one unorganized party.

III. Unorganized Rushing.

1. An unorganized party is one for which no definite plans have been made in advance, and for which no invitations have been extended to the rushee stating the type of party she is to attend.

2. Unorganized rush parties may be held all day the first and second Saturdays of rush week, and between the hours of 4-6 P. M., every day during the actual school week except Wednesday, September 25.

IV. Split Dates.

1. A rushee may split her afternoon or

evening dates between two organizations only.

2. Any group having an out-of-town picnic or hayride must make arrangements to get rushees who have split dates back to the second group.

3. There will be no parties in other towns than Oxford.

V. Sorority Pins.

1. Sorority pins shall not be worn before the opening of actual rushing, Friday, September 20.

2. Sorority pins may be worn at the Pan-Hellenic Tea.

VI. Pan-Hellenic Tea.

1. This tea is given for all freshmen on Wednesday, September 25, from 4:00-6:00 P. M. in Wells Recreation Room.

2. This is for general acquaintance, and eliminates group or individual rushing. Pins may be worn by upperclassmen.

VII. Expense of Rushing.

1. No organization shall spend more than \$150.00 on rushing. No gifts shall be given to rushees. (This shall not apply to small banquet favors.)

2. One week of organized rushing may be held by each sorority in the spring, if the expenses are taken out of the \$150.00 rushing allowance.

VIII. Period Of Silence.

1. This period shall begin Saturday, September 28, at 10:30 P. M., and last until 5:00 P. M., Tuesday, October 1. It is set aside for deliberation, during which time no upperclassman shall speak to a freshman or vice versa.

2. No notes, telegrams, flowers, or other communications shall be permitted between rushees and upperclassmen during this time.

IX. Bidding.

1. A committee composed of the Dean of Women and two other disinterested persons shall have charge of the preferential bidding.

2. Each sorority shall bring to the Dean's office a list, both on individual cards and in alphabetical order, of the girls they desire to bid before Sunday, September 29, at noon. Write names legibly and correctly. Give Oxford address.

3. All freshmen whose names appear on the sorority list shall be sent preferential cards from the Dean's office. These must be returned to the Dean's office by each freshman in person by 10:00 A. M., Tuesday, October 1.

4. The official list of the girls who have indicated their sorority preference shall be given to each Pan-Hellenic representative at 5:00 P. M., Tuesday, October 2.

a. Each sorority may have her own individual bids.

b. Representatives must bring their bids and have them officially stamped by the committees. After the bids have been stamped the sororities may deliver them to the freshmen.

X. General Rules.

1. Schedule all rush parties with Mrs. Glos in 203 Benton Hall by Friday, September 20. **Be explicit**—give date of party, time—beginning and closing hours, name of place or patroness. **LEAVE NAME OF RUSH CAPTAIN AND SOCIAL CHAIRMAN.**

2. No upperclassman shall stay all night with a rushee or vice versa throughout the rush period. In cases of upperclassmen rooming with freshmen this rule does not apply.

3. Rushees must return each night to their own halls and cottages.

4. All guests, members from other chapters, and alumnae must abide by all the present rushing rules of the Pan-Hellenic Congress.

5. It is unethical for upperclassmen to ask for any assurance from a freshman that a bid if given would be accepted. It is unethical for any group to seek advantage for itself by saying anything derogatory to another group.

XI. Refer Questions to Pan-Hellenic Officers: Sylvia Bausch, President; Lois Little, Secretary; Marcia Strenick, Treasurer.

TRIANON

Trianon is a national social organization of independent women. It was founded at the University of Cincinnati in 1929, the Miami unit being established the same year.

The purpose of the democratic organization is to give independent girls the long-needed chance to participate in social activities and to encourage them to take part in extra-curricular activities. Membership is open to any girl whose scholastic standing is in accord with University requirements and who will agree to pay a nominal membership fee.

Y. W. C. A.

The Y. W. C. A. offers membership in a National organization. It offers friendship with the outstanding upperclass women with whom you will work in your committees. The Y. W. C. A. offers you living and a satisfaction in doing. It is the vital focus of your campus life.

MEMBERSHIP

Every girl interested in these activities may become a member of this student organization. You will sign up for the kind of work which interests you, during the third week of school. A recognition service, making formal this pledge will be held at the end of that week. No membership fee is required.

"Y" SECRETARY

We are most fortunate to have as pilot of all our ventures, Ruth Eleanor Harris, who serves in the position of General Secretary of the Miami Y. W. C. A. Miss Harris obtained her B. R. E. degree in 1930 from the Chicago Theological Seminary and, in addition to her "Y" work, serves in the University Senate on the committee of Religious Activities.

To all of those who know her she is one grand person who understands all our problems and skillfully guides us in the right paths while boosting us over the hard spots. You will love and admire her, too.

To use our phone.

To talk to someone.

To read and study

To let our employment bureau help you.

To use our typewriter in the conference room.

To read the Bulletin Board.

To use our new free lending library.

MIAMI SISTERS

During the summer each freshman girl is given a Miami Sister, who writes to you and helps you to become acquainted and adapted to college life at Miami. She looks you up as soon as she gets here in the fall, but if something should happen that she doesn't, do not hesitate to go visit her. We hope that this acquaintance may

develop into a strong friendship as you play around together and work out any small problems that arise. The first Sunday will be Miami Sister Day, your Upper-class Sister will entertain you in some way during the afternoon.

FRESHMAN "Y"

Freshman Y. W. C. A. is the big thing for freshman girls, the place to get acquainted with the other girls with whom you are starting out on your college career.

Each freshman dormitory has its own Freshman "Y" for the girls living there and the cottage girls who eat there. Two girls are chosen by an upperclass adviser to work as co-chairmen in each dorm. The meetings are held twice a month and are arranged in such a way that the variety of programs extends from speakers, whose subjects are vitally interesting to freshman girls, to the more social type, teas, feeds, and radio parties.

The high point of this year's success was the "Cupid's Bridge" held in the Brant room of Oxford College February 10. The "Y" organizations of East and West Halls and Oxford College co-operated in arranging this bridge-tea to which all women on the campus were invited.

You see what a peppy organization we are! Now we want everyone of you freshman girls to listen for the announcements and come to Freshman "Y" meetings to meet us all and share our good times.

If you are a Girl Reserve you are interested already; if you do not know what Y. W. C. A. is, come to Freshman "Y" and find out—we know you'll be interested.

Y. W. C. A. THE PROCESS OF BECOMING

When we meet a person with a radiant life, we are at home. Glowing, interested in every person; with an assurance based seemingly on some deep knowledge, or love, or experience, she comes and goes into our confidences without warning and without apology. Her deep understanding and her joy become a part of us; and we feel that she and we are kin. We know that deep within US lives this same exquisite quality and that WE are Radiant-People-In-The-Making.

We unite in the fellowship of the Y. W. C. A. for this purpose.

W. A. A.

The Women's Athletic Association of Miami, affiliated with the national organization of the Women's Athletic Association has complete control of girls' athletics. The purpose of the organization is to promote interest and participation in all sports, physical efficiency, scholarship, and good fellowship. In addition to sponsoring the women's athletic events the W. A. A. has built the field house, hard surfaced four tennis courts, and is planning a cabin near Oxford for parties and overnight hikes.

Any girl is eligible for membership and receives her pin after earning three hundred points according to the point system given below. Other awards are: class numeral, 500 points; "M" letter, 1,000 points; "M" jacket 1,500 points.

Class teams	100
Substitutes on teams	50
Varsity teams	25
Keeping hygiene rules for one month	25
Bicycling—100 miles per semester	50
Hiking—75 miles a semester	50
Archery team	100
Tennis champion	100
Tennis runner-up	50
Outdoor meet champion	100
Outdoor meet, second place	75
Outdoor meet, third place	50
Individual placing	25
Dance Drama	25
Voluntary gym class	25
An "A" posture	25
Orchesis—a season	25

Highest award is given to those girls who, after winning their "M" jacket have continued maximum participation. Those

who received the award this year were: Magdalene Stark, Anne Wayland, Neva Beggs, Ruth Thayer, Helen Bartholomew.

The Neukom Trophy is an individual award given each year to the all-around junior woman. The basis of the award is personality, service, social activities, and scholarship with special stress on athletic participation. Catherine Foltz received the award this year.

The Phillips Cup, a new award this year, is an individual trophy given by Miss Phillips, head of the Department of Physical Education for Women, to the senior girl who has shown true sportsmanship and has given her services most willingly. The Phillips cup was awarded to Mary Wanamaker.

The Women's Board or the executive body is composed of the following members for 1935-1936.

President	Helen Bartholomew
Vice-President	Magdalene Stark
Secretary	Jane Harsha
Treasurer	Elizabeth Breinig
Senior Representatives	Ruth Thayer Francelia Seeley
Junior Representatives	Ruth Williams Ruth Liggett
Sophomore Representatives	Hulda Heller Verna McCreary

Women's Class Honoraries

CWEN

Cwen is a sophomore girls' honorary fraternity, the Beta chapter of which was established on the Miami campus in the spring of 1925. Members are chosen from the outstanding girls of the freshman class on the basis of their scholarship, leadership, personality, services to the school,

and interest in activities. Each spring at the crowning of the May Queen the outgoing members "tap" fifteen new Cwens.

The purpose of this organization is to encourage better feeling between freshman and sophomore women and to set a standard for underclass women. Besides acting as counselors in the freshman dormitories, to get the new women familiar and interested in the activities on the campus, the members sponsor the Cwen oratorical contest. This is open to all freshman women, with the first and second prizes being fifteen and ten dollars respectively.

MORTAR BOARD

Mortar Board, senior girls' honorary, selects its members on the basis of scholarship, service, and leadership. The members are chosen in the spring from the junior women by an unanimous vote of present members with approval of the national council.

Its purpose is to provide for cooperation between senior honoraries for women, to promote college loyalty, to advance the spirit of service and fellowship among university women, to maintain a high standard of scholarship, to recognize and encourage leadership, and stimulate the development of a fine type of college woman.

The honorary was founded at Syracuse, New York, in 1918; it now has fifty-two chapters located at leading universities, the Miami chapter being established in 1922.

This year Mortar Board sponsored a style show to which all women were in-

vited. Its success was indicated by the overwhelming attendance record set by style-seeking Miami women.

ASSEMBLY

Student assemblies are held each Thursday at ten o'clock. The programs, varied in character, include the musical and dramatic organizations, debates, oratorical contests, faculty speeches, speakers and musical talent from the outside. A new phase of the assembly in 1935-36 will be the introduction of civic forums. During the winter, two vesper services a month are held on Sunday afternoon at four o'clock.

All students, regardless of scholastic standing, are required to attend two assemblies each month, unless there should be only three scheduled, in which case they are required to attend one. Failure to attend the required number each semester will result in the addition of one hour to the total required for graduation.

The weekly assembly comes at 10:00 o'clock every Thursday morning, and is arranged so that the students will want to attend. No classes are scheduled for that hour, so that all students are able to attend. Attendance will be checked and cuts recorded just as in classes.

The vesper services begin early in October, and are held at 4:00 o'clock in Benton Auditorium.

A series of Artists' courses will be presented this year. Attendance at these select numbers will be counted as an assembly credit, and assembly will be dispensed with that week.

Freshmen

D. M. C. A

The Miami Y. M. C. A. is an organization of the men of the campus including both students and faculty which has as its stated purposes the promotion of a positive moral and religious college spirit, the leading of students to an intelligent religious faith, and the challenging of students to devote themselves, in united efforts, to making the will of God effective in human society, and in extending the Kingdom of God throughout the world. It seeks to accomplish these purposes through a varied program of worthwhile activities and enterprises. The plans and programs are determined and promoted by a cabinet of fifteen student members with the help and counsel of the General Secretary.

"Y" FACULTY DIRECTOR

Arthur C. Wickenden, the Faculty Director of the Association, is a graduate of Denison University of the class of 1915. For two years following his graduation he served as the first employed secretary of the Miami "Y". He entered the World War, serving for a few months as a Y-Secretary in France, and later as an enlisted man in the regular forces.

After the war he took a graduate course in theology at the University of Chicago, taking the M. A. and B. D. degrees, and more recently the Ph. D. After six years in the ministry of the church he was invited to return to Miami in a threefold capacity, namely, to serve as General Se-

cretary of the Y. M. C. A., Director of Religious Activities for the University, and as Professor of Religion. The Association is fortunate to have as its director a man of Mr. Wickenden's experience and training.

"Y" EXECUTIVE SECRETARY

Feeling that there was an ever expanding field of work to be done by the Y. M. C. A., Dr. Wickenden urged that another man be employed to assume a portion of that work. Mr. Robert Goacher, a graduate of Miami, of the class of 1931, was selected for the position of "Y" Executive Secretary. Mr. Goacher has been Boy's Work Secretary at the Y. M. C. A. in Elyria where he has done outstanding work. Especially noteworthy has been his development of the summer camp. We extend a hearty welcome to Mr. Goacher, and assure him of the full co-operation of Miami Students.

FRESHMAN CAMP

One of the most significant phases of the association's work is its service to freshmen. A camp for sixty selected freshmen is held for two days just prior to the opening of college at Camp Campbell Gard, the Hamilton Y. M. C. A. camp on the Great Miami River. A group of student and faculty leaders preside over the camp and the freshmen in attendance have a wonderful opportunity for forming friendships with these men and with one another, and of facing together some of the problems and opportunities of college life. Freshmen who have attended the camp in

past years have found it a great privilege. Every man who receives an invitation to attend the camp should avail himself of the opportunity.

FRESHMAN "Y"

Freshmen who are interested in the work of the association organize their own cabinet and carry on many of their own activities. The council usually is composed of twelve members. This group promotes inspirational meetings, dormitory discussion groups, freshman parties, and provides various types of campus service, such as ushering at vespers.

SOCIAL ACTIVITIES

During the year the "Y" arranges a number of social events as need arises. The first of these is a get-together for all freshman men and is held in the gymnasium the first night of freshman week. Here the first year men have a chance to become acquainted. Speeches by the athletic coaches, President Upham, Mr. Wickenden, and the president of the "Y", with some snappy entertainment numbers are features of this program. Eats are served and everyone enjoys himself.

Later in the week the Y. M. and Y. W. cooperate in giving a party for all first year men and women. Getting acquainted, dancing, or games occupy the evening.

Other mixers and dancing parties are promoted from time to time through the year.

STUDENT BIG BROTHER

Each freshman who applies for admis-

sion is assigned during the summer to an upperclassman who writes to him during the summer, and who looks him up early in the fall and stands ready to help the new freshman in every possible way to become happily established in his new environment.

SPEAKERS AND DISCUSSIONS

An important service rendered by the Y. M. C. A. is that of bringing notable speakers to the campus to give addresses and lead discussions on vital topics. Series of discussions are also promoted from time to time on topics of interest to students, led usually by faculty members. Free discussion follows a brief presentation by the leader. These discussions are usually held in Fiske Room or in the Assembly Room of Ogden Hall.

CONFERENCES

In addition to the conferences on the campus the "Y" assists men to attend significant student conferences off the campus. Each year a delegation is sent to the Student Conference at Lake Geneva, Wisconsin. Students who attend these conferences say they are among the most significant experiences of a college career. Assistance is also given to enable students to attend other occasional student congresses and conferences.

Other activities included in the program of the "Y" include deputation teams to nearby towns, an employment service, the operation of a recreation room in Ogden Hall and a second-hand book exchange in the Main Building, boys' club work, ath-

letic teams for independent men, and publication of the "M" Book.

The principal support of the Association comes from an appropriation from the Miami Chest to which all students are asked to contribute according to their ability.

Greek Letter Societies

Miami is famous among universities of the United States as the "mother of fraternities." Five national fraternities, three of them composing the renowned "Miami Triad," were founded at Miami during the hundred-odd years of her existence. Besides these, several national sororities were founded here.

There are now twenty-seven Greek letter societies on the campus, twelve fraternities and fifteen sororities. Each has from fifteen to fifty-four or sixty members depending on the nature of the society. Fraternities all have their own houses, and most have their own boarding clubs. Sororities live and board in the University halls.

Membership in one of these societies always comes through an invitation from the group and NEVER by application.

When making your choice of an organization, do not jump at the first bid you receive. Weigh the various groups carefully and see which one in your estimation is most compatible with your views and customs. On your decision will depend much of your social life during your four years at Miami. The following questions will be of help in making your choice:

1. Do the members of this group have the right attitude toward similar groups?
2. Are their principles regarding life and college affairs the same ones that I hold?
3. Am I financially able to join?

4. Will I be able to make myself a part of the group as it now stands?

If you should not receive a bid do not be disappointed. Your success in college is not dependent on being a member of one of these societies. They are incidental to the real purpose of college.

DEFERRED INITIATION

1. Initiation into the social fraternities and sororities shall not take place before the beginning of the sophomore year, and not then unless the candidate shall have earned sixty credit points, thirty of these in the semester just preceding.

2. Initiation of students who enter the University with advanced standing from another institution shall not take place for one semester, and shall then be contingent upon earning thirty credit points in the semester preceding initiation.

3. In the case of students entering on warning because of a poor record in high school, fraternities and sororities shall refrain entirely from rushing or pledging for an entire semester, after which time the students must have a sufficient standing to be off academic probation.

FRATERNITY RUSHING RULES

A.—No fraternity shall be permitted to have any freshman eligible for rushing on fraternity property from Monday of Freshman Week until the third Thursday of the school year.

B.—During the period between the third and seventh Thursdays of the school year, each fraternity shall be permitted to entertain freshmen on fraternity property two days of each week, each fraternity choosing the days on which it wishes to entertain. The Chairman of the Committee on Student Organizations shall be notified of these dates before the end of the second week of classes.

C.—A luncheon rushing party on any day shall begin not before eleven A. M. and shall be over not later than three P. M., and an evening dinner rushing party shall begin at five o'clock and be over not later than nine o'clock. A Saturday night rushing party shall begin at eight o'clock and be over at eleven-forty (11:40). There cannot be two rushing parties on a single Saturday.

D.—There shall be absolutely no out-of-town rushing during the seven weeks per-

iod to the date of putting pledge pins on the freshmen. This means that a fraternity upperclassman may not accompany a freshman out-of-town for any reason whatsoever.

E.—No rushing dates can be split more than two ways, and not before one-thirty (1:30) for a luncheon date, and seven-thirty (7:30) for a dinner date, and ten o'clock for a Saturday night party.

F.—Any freshman found on fraternity property at any time other than that of a regularly scheduled rushing party shall not be allowed on the property of any fraternity until after the completion of the first semester, and shall be ineligible for pledging until the second semester rushing period.

G.—No pledge pins shall be worn before six P. M. of the seventh Thursday of classes.

H.—Before the end of the second week of school each fraternity shall place a fifty dollar bond with the Chairman of the Committee on Student Organizations, this bond to be forfeited wholly or in part upon the violation of any one of these rushing regulations by a fraternity. Guilt or innocence of any group is to be determined according to Article 5 of the constitution of this body.

RULES FOR FRESHMAN MEN

Slowly but surely the traditions of the Old Miami have given away to the ideals of the New Miami. Changing conditions, changing motives, changing standards have wrought havoc with many of the old traditions which had been handed down from remote ages. The "horseplay" which characterized a Freshman's life in past years

has given way to constructive efforts toward conditioning the Freshman to his new environment. A few customs and traditions remain, all the more important because they are so few. See that you follow them to the letter.

1. All Freshmen buy their little red and white caps the first Monday after registration. This rule applies to all except those who have complied with a similar requirement at another school for the period required. These caps are to be worn at all times while in Oxford, except when leaving or arriving in town. They are also to be worn between semesters and during the various holidays before the spring recess, while in Oxford.

2. At least one bonfire pep meeting is held each fall, usually before the biggest game of the season. All Freshmen are expected to participate in the building of this fire, and the evening's program. Each Freshman class attempts to outdo former classes in this event.

3. After every athletic victory, whether played at Oxford or elsewhere, the Freshmen ring the bell in Harrison for at least an hour. The longer the bell is rung, the better the impression gained of the Freshmen by their elders. Nuf said.

4. No Freshman shall bring a date to any pep meeting or university athletic event.

5. All loyal Freshmen help decorate the Athletic Field for the Homecoming game. This is a big event, because of the return of a large number of alumni. Make a good impression.

GEORGE L. RIDER, Athletic Director

Miami's "big red" athletic teams again played a leading role in the Buckeye Intercollegiate Athletic conference last year, tying for third place in football and taking second place in track. Besides this the baseball team finished second in the Buckeye as did the golf team. The tennis team also had a successful season. Although the record in basketball was not outstanding, a formidable group of freshman players and a strong reserve are expected to boost them to the top this year.

FOOTBALL

Last Year's Record:

- Miami 18—Eastern Kentucky 0
- Miami 6—Carnegie Tech 13
- Miami 33—Hanover 6
- Miami 6—Ohio U. 0
- Miami 0—John Carroll 20
- Miami 6—Ohio Wesleyan 10
- Miami 33—Wittenberg 0
- Miami 7—Marshall 0
- Miami 0—Cincinnati 21

After two successive championships, Coach Frank Wilton was faced with the task of rebuilding his team which had been riddled by graduation. The Tribe managed to win two of the four conference games to tie with Ohio U. for third place. At Carnegie Tech, Miami pushed the Spartans all the way and were on the way to their second touchdown when the game ended. The Tech team had at no time, throughout the game, outplayed the Redskins. Ohio Wesleyan eked out a narrow 10-6 victory in the annual Homecoming game, and in a hard fought battle, Miami

downed Ohio U. 6-0, scoring in the last two minutes of play.

An undefeated team in Buckeye competition, Cincinnati laid in wait for the Redskin invasion of Carter Field on Thanksgiving Day. In one of the hardest fought games of the season Cincinnati defeated the Redskins and pushed them into third place in the conference rating. Miami threatened several times, but the heavy Cincinnati line, taking on the semblance of a stone wall, was able to withstand, successfully, the Redskin onslaught.

Although eight lettermen are not returning this fall, several good reserves and a promising group of freshmen are expected to make this another successful season. With Coach Frank Wilton at the helm we can expect another great team.

BASKETBALL

Miami fared none too well last year in basketball, losing 11 out of 15 games, seven of which were conference games.

After winning the season opener from Georgetown, the Redskins were unable to hit their stride until late in the season. There followed setbacks at the hands of all the conference schools, except Marshall, several by close scores. The outlook for this year is a good deal brighter, for a group of veterans are returning, among which are five Sophomore lettermen, and a strong freshman squad is coming up.

TRACK

Last Year's Record:

Miami 84½—Cincinnati 46½

Buckeye Conference—Ohio U. 77½.

Ineligibility and injuries played havoc with last year's defending champion Buckeye track team. Several sure point winners were declared ineligible and Miami's two Buckeye champion runners pulled leg muscles to give the season one of the gloomiest outlooks in years. Coach Rider, however, whipped into shape a squad composed mostly of sophomores and managed to win three of the four dual meets and place second in the Buckeye conference.

Much credit is due Coach Rider for the way in which he handled his small, green squad. Under his tutelage the Miami track teams have won the B. I. A. C. championship six times in the last ten years and have been runners-up three times. After ineligibility and injuries had taken their toll, Coach Rider had no outstanding material to work with. By the time the squad went to Athens for the Buckeye classic he had developed his green squad into a serious championship contender.

BASEBALL

Last Season's Record:

Miami	0—Indiana	7
Miami	1—Dayton	8
Miami	3—Ohio Wesleyan	5
Miami	3—Ohio Wesleyan	0
Miami	11—Marshall	13
Miami	9—Marshall	5
Miami	2—Ohio U.	0
Miami	3—Dayton	7
Miami	2—Hanover	1
Miami	2—Cincinnati	0
Miami	0—Cincinnati	1

Weakened considerably by graduation, Miami's baseball squad entered the season with a none too favorable outlook. The sophomore material came through, however, and though dropping the first three games they managed to finish the season with five wins and six losses.

After the first three losses to Indiana, Dayton, and Wesleyan, the Tribe hit their stride and handed defeats to Wesleyan, Ohio U., and Marshall. And in a double header played on Decoration Day, Miami clinched second place by winning one of the games. The Tribe was victorious in a 2-0 first game and were defeated 1-0 in the second. The final game was played during commencement week with Ohio State, which resulted in a win for our Big Ten rivals.

CROSS COUNTRY

Last Year's Results (low scores win):

Miami	18—Wabash	41
Miami	25—Ball State	32
Miami	33—Butler	23
Miami	34—Pittsburgh	21
Miami	18—Earlham	40

Miami's cross country team, last year's defending Buckeye champs, was the only squad of harriers in the conference. The thinly clads lost only to Butler and to the University of Pittsburgh, easily defeating Earlham, Ball State Teachers College, and Wabash.

The Redskin cross country teams, coached by George L. Rider, are recognized as being among the leading squads in the state.

TENNIS

Last season saw Miami's second inter-collegiate tennis team through a successful season of five wins and four defeats. The voice of approval with which the first two teams were acclaimed shows promise of making tennis one of the important minor sports in coming years.

GOLF

Last Year's Record:

Miami	13½—Cincinnati	14½
Miami	9½—Dayton	8½
Miami	15½—Ohio Wesleyan	2½
Miami	3—Ohio State	15
Miami	11—Dayton	7
Miami	3—Cincinnati	15
Miami	10½—Ohio State	10½

Miami third in state tournament

Miami's other minor sport, golf, has been received with interest, and several players have been discovered in the intramural tournaments who possess more than average ability. The tournaments are held on the new university golf course in the botanical gardens. The Tribe golfers took second place in the Buckeye and are expected to do even better this year as a veteran team is returning.

Athletic Association

All students of Miami are members of the Athletic Association. By a payment of a student fee of six dollars at the beginning of each semester each student becomes a member of the Association and receives a book of tickets which admits him or her to all contests in Oxford. These tickets are not transferable and are non-redeemable.

Athletic Board of Control

The Board is composed of five faculty members, appointed by the President of the University, and three students elected by members of the Athletic Association. This organization awards letters over all policies of athletics.

THE BUCKEYE INTER-COLLEGIATE ATHLETIC CONFERENCE

In the winter of 1925, several Ohio coaches met at Columbus to arrange more suitable schedules for their teams. At this meeting a schedule-making group, called The Buckeye Association, was formed with Miami, Wittenberg, Wesleyan, Cincinnati, Ohio University, and Dennison as members. These schools did not withdraw from the Ohio Conference, but organized merely for arranging better schedules. In 1928, the Ohio Conference requested the Buckeye Association to disband, and rather than disband an organization which had proved to be very satisfactory, the above six schools formally withdrew from the Ohio Conference in May, 1928, and organized the Buckeye Intercollegiate Athletic Conference.

This organization now has its own constitution, rules, and by-laws, as well as eligibility rules. The eligibility rules are more strict than those of the Ohio Conference. Wittenberg failed to comply with the rules in 1929 and was forced to withdraw, but on assurance that it would abide by the rules more strictly was re-instated a year later.

In 1930 DePauw and Wabash, two Indiana schools, were admitted to the Conference as probationary members for a year. At the conclusion of the 1931-32 basketball season, both schools decided that they could not continue in the class of

competition the Buckeye offered, and that therefore they could not become regular members of the Conference.

The resignation of Denison took effect at the end of the 1932 football season, Denison feeling that she could not stand the competition the Buckeye afforded.

Marshall College, of Huntington, West Virginia, applied for membership at the December, 1931, meeting, and was admitted to probationary membership, the year of probation to start with the 1932-1933 basketball season. After the year of probationary membership, Marshall was admitted to full membership in the conference.

In the spring of 1935 Dayton University, of Dayton, Ohio, was accepted for a year of probationary membership, before being admitted into full membership.

**Intercollegiate Athletic Rules of the
Buckeye Intercollegiate Athletic
Conference**

1. No one shall participate in any intercollegiate sport unless he is a bona fide undergraduate student, doing full work in a regular or special course as defined in the curriculum of his college.

2. No student shall so participate until he has been in attendance in his college for one full calendar year subsequent to attaining the equivalent of freshman rank in a four-year college. (Interpretations.) (1) A second year of residence shall not be required of the student who changes and then returns to his original college, unless he shall have participated in intercollegiate athletics during his absence; (2) Summer session work shall not be counted in determining length of residence. (3) Eligibility means a student shall carry a minimum of 12 semester hours each semester during his first year's residence.

3. No student shall participate in intercollegiate athletics upon the teams of any college or colleges for more than three years in the aggregate, and any member of a college team who plays in any part of any intercollegiate athletic contest does thereby participate in intercollegiate athletics for the year.

Two years' participation and each subsequent year of participation in a junior college shall be considered as one year of competition. (Interpretations.) (1) Students

who play in the first scheduled game and in no other contest of the season shall not be considered as having participated; (2) A student who begins his college work at the middle of the year and then satisfies the year of residence requirement of Rule 2 shall not be debarred by this rule from three full years of competition in athletics.

4. At the beginning of each athletic season, the registrar of each conference school shall be asked to submit to each school in the conference a list of eligible athletes, together with a transcript of the number of hours passed and the grades earned by each athlete in the semester preceding participation.

Any student who has an incomplete which makes him ineligible shall be ineligible until that incomplete is made up. (Time limit to make up incomplete shall be six weeks.)

5. The names and scholastic records of all transfer students from within the conference shall be submitted to the conference for approval before such students can be declared eligible. This means the scholastic record in the institution from which the student transfers.

A student transferring into any Buckeye school, to be eligible for participation in athletics, must be in good standing at the institution from which he is transferring. In case an athlete is dropped from an institution, he must return to that institution and clear his record before he can be eligible for participation in a Buckeye institution. Any man who has participated in intercollegiate competition in a Buckeye

Conference school shall be ineligible for competition in any other Buckeye school.

6. No student shall play in any game under an assumed name.

7. Any person participating in any athletic contest as a member of a collegiate team, while not a student in the institution represented, is thereafter debarred from participating in intercollegiate contests under these rules.

8. A student who participates in intercollegiate athletics and does not complete the work of that term or semester shall not be permitted to compete in the same sport in his next year of residence until he has completed the subsequent semester's work.

9. No person shall be admitted to any intercollegiate contest who receives any gift, remuneration, or pay for his service on the college team.

No student shall participate in any intercollegiate contest who has used, or is using, his knowledge of athletics or his athletic skill for gain, which includes such work as officiating in games for pay. (Interpretations.) (1) In the application of this rule the word "athletics" and "athletic skill" shall be interpreted as including gymnastics and gymnastic skill; (2) This shall not apply to Summer Playground work, to junior work in the Y. M. C. A., or to junior welfare work.

Participation of college students in athletic sports as members of professional or semi-professional teams shall render such students ineligible to membership in college teams; a semi-professional team being one which contains one or more members

who are engaged for a whole or a part of the season for pecuniary compensation.

Any athlete who is proven to have accepted loans or gifts from any person or organized group because of athletic ability shall be declared ineligible for competition in the Buckeye Conference.

10. Any student that participates on an outside team during the school year shall be declared ineligible in that sport for his next school year.

11. All intercollegiate games shall be played on grounds either owned by or under immediate control of one or both of the colleges participating in the contest; and all intercollegiate games shall be played under college management, and not under the control of any corporation or association, or private individual.

12. The elections of managers and captains in each college shall be subject to the approval of the faculty committee on athletics.

13. College football teams shall play only with teams representing educational institutions, and members of the Buckeye shall not play any team after the fall of 1930 that has been dropped from the conference for disciplinary reasons.

14. Teams other than regular college or "varsity" teams in all branches of athletics shall play only with teams of their own institution.

15. The maintenance of a training table (in the sense of a table conducted wholly, or in part, at the expense of others than boarders) shall not be permitted.

16. The average aid in scholarships and

loans given by any college to her athletes shall not be more than the approximate average given to other male students, both in amount and in numbers receiving aid. No scholarship grants or loans are to be promised by any representative of any college to prospective athletes.

Scholarships are not to be used to influence high school athletes to enter college.

17. The department of athletics shall take no active part in approaching high school boys. No one connected with the department of athletics is to make trips to talk to high school boys except at dinners or other gatherings when invited by the high school. It is not contrary to the spirit of this rule for persons connected with the department of athletics to discuss choice of college with high school boys who come to see them, unless a campaign is made to bring such men in contact with members of the department of athletics.

18. Rumors of violation of rules by any institution are to be reported at once to the director of that school and openly discussed at the meeting of the conference next following.

19. The directors are to use their influence to discourage any offers of financial assistance to high school athletes. Any jobs that are bonified and opened to all students may be secured for high school athletes.

20. This conference is to be known as the Buckeye Intercollegiate Athletic Conference.

21. The faculty representatives and directors shall meet together at least once annually.

22. All athletics shall be under the control of the faculty of each institution.

23. All guarantees are to be paid by check.

24. The conference shall appoint a man to serve as Director of Officials for the colleges in the conference, and his salary shall be 150 dollars a year.

BUCKEYE ATHLETIC AWARDS

Major Sport Awards

1. Varsity award to be a V-neck sweater with chenille letter.

2. Second varsity award to be a coat sweater with chenille letter.

3. Men earning letters three years in the same sport to be awarded a letter-blanket for that sport. No athlete to receive more than one blanket.

4. Senior lettermen to be awarded letter certificate.

Minor Sport Awards

1. First award to be a light V-neck sweater with small chenille letter.

2. Second award to be a light sweater coat with small chenille letter.

3. Men winning letters three years in the same sport to be awarded a letter-blanket for that sport. No athletes to receive more than one blanket.

4. Senior lettermen to be awarded letter certificates.

5. Freshmen may be awarded one V-neck jersey with numerals or abbreviated numerals only (such as '32).

6. Freshman numerals to be awarded only after recipients have made grades for eligibility the first semester.

7. Manager's award to be a varsity letter with small "M."

8. Cheer leader's award to be a varsity letter with "CL."

REQUIREMENTS FOR AWARDS

Football

One-half total number of quarters—being in game one play counts as a quarter.

Basketball

One-half total number of halves in season. Three minutes in a half counts as a half. College games only.

Baseball

One-half total number of innings, one-fourth total number of innings for pitchers and one-third for catchers.

Track

Average three points for dual meets, or one point in Buckeye Meet.

Cross Country

Individual or team winning two firsts in dual meet or team finishing first in Buckeye Meet, or individual finishing in first ten in Buckeye Meet.

Senior Award

Letter and sweater to man making requirement in two or three years.

THE UNIVERSITY LETTER

The major sports are five in number, and are as follows: Football, basketball, baseball, track and cross country. All others are classed as minor sports.

For a performance of unusual merit in minor sports the Athletic Board may, by a two-thirds vote grant a major "M."

The official "M" is only awarded for intercollegiate competition in athletics. The award rests with the Athletic Advisory Board and the letter does not become the property of the individual meeting the technical requirements laid down until the Board makes the formal award. If in the judgment of the coach or the Board an individual making these technical requirements has failed to render loyal, obedient, and earnest service at all times during the season, or has violated the rules of clean sportsmanship, the Board reserves the right to withhold the letter.

The Athletic Board may, by a unanimous vote and on recommendation of the coach of the particular sport in which the person in question participated, take away a Varsity emblem or any other award it has previously made, if sufficient cause is given.

No one shall be eligible to receive any award who does not finish the season of the sport he is participating in, unless prohibited from doing so by illness or injury.

The Athletic Board shall withdraw all awards from men who shall sell, or cause to be sold, complimentary tickets to Miami athletics.

COACHING STAFF

The coaching staff at Miami consists of the following:

George L. Rider, director of physical education and athletics.

Frank S. Wilton, coach of football and baseball.

Merlin A. Ditmer, assistant athletic director and freshman coach.

John W. Mauer, basketball coach.

Elwood J. Wilson, football line coach, wrestling instructor, assistant coach of varsity track.

E. J. Colville, trainer.

Tom Van Voorhis, intramurals.

Participate!

With a fine intercollegiate athletic system and widely known intramural facilities and organization, flat-chested Miami graduates are unnecessary. Get acquainted with tennis, golf, handball, boxing, squash, wrestling, tumbling, playground ball, volleyball, speedball, or at least foul-shooting, if you do not care for football, basketball, baseball, cross country, or track.

INTRAMURAL ATHLETICS

Not many years back in the history of our colleges and universities and in the memory of most of us, there was only one system of athletics in the average size college or university. This system of intercollegiate athletics took care of a few trained and highly specialized athletes. Large sums of money were spent each year on the different branches of intercollegiate sport. Out of this costly system of athletics only a few students received any physical or body-building benefits.

Then came the World War and America's entrance into this mighty conflict. It was at this time during the intensive training periods that mass athletics and organized games brought out the excellent results of a systematic athletic training for the individual. Men were intensely interested in physical exercise if offered to them by the method of physical combat, that is: baseball, boxing, wrestling, etc. Thus it was that the now well-grounded system of athletics found its beginning in the American army camps during the Great War.

This very important system of athletics was introduced into our colleges only a few years ago, and at the present time most of the universities and colleges are making intramural athletics an important feature of their campus activities.

Here at Miami University the intramural program is divided into three seasonal periods—fall, winter, and spring. During the fall season most of the activities take the

form of outdoor sports, such as speedball, playground ball, tennis, horseshoes, cross country, and handball. In the winter season intramural sports are an important part of the festivities: Basketball, boxing, wrestling, fencing, foul shooting, indoor track, and athletic tests. Immediately after the spring vacation, Cook Field again becomes the scene of activities. Baseball, volleyball, horseshoes, outdoor track, and tennis are the sports that fill the spring calendar.

It would take too long to give a detailed description of our system of intramurals here at Miami, but it is understood that Miami University is second to no other college or university in organizing and conducting intramural athletics.

Every student is expected to participate in some athletic activity. An individual record is carefully checked after the close of each season. There is no penalty for not participating but the regular fellow and he-man always finds some athletic pursuit during his leisure time. Usually the best students in the University have a keen interest and take an important part in intramurals.

In order to give more of the new men of the University a chance to participate and likewise to increase the interest of the freshmen in intramural athletics, several new features were initiated by the Intramural Department in 1927. These include, in the fall, a tennis tournament, open to all men of the freshman class, and in the winter a freshman inter-dorm basketball tourney and an indoor track meet. The

special spring feature for the freshmen is an outdoor track and field meet. All of these contests are open to a freshman whether he be a member of a fraternity or not, and it is the earnest desire of the director of Intramural Athletics that all freshmen take part.

Campus Activities

Public Speaking

THE SPEAKER'S BUREAU

Two years ago Miami discontinued, to a large extent, the old form of intercollegiate debate, and inaugurated a new type of experience in the way of public speaking, the Speaker's Bureau. This organization is fashioned after the professional speaker's bureaus which have existed for many years. Speakers are supplied, free of charge, to any organization desiring such a service. In these times when money to be spent for professional speakers is not abundant, this service has been widely recognized and accepted.

In the two years which it has existed, the Speaker's Bureau has become one of the most important of the campus activities. Students in any and all departments of the University have prepared talks, usually in the field of their major interests. Their services have been required by organizations of all descriptions, from grade and high school audiences to Kiwanis and Rotary Clubs.

The experience which is gained through such an organization is invaluable and of a much more practical nature than ordinary debate. At the same time the service which is rendered the neighboring community has been recognized and approved, and Miami has become known throughout Ohio through the medium of the Speaker's Bureau.

MORTAR BOARD LOYALTY CONTEST IN PUBLIC SPEAKING

All sophomore, junior, and senior women may enter the Mortar Board Loyalty Contest, which usually takes place after the spring vacation. The four best speakers are chosen to take part in the finals, which are held in Benton Auditorium.

The contest is sponsored by Mortar Board, the senior girls' honorary fraternity. Cash prizes of \$35.00 and \$15.00 are awarded to the winners of first and second places.

CWEN CONTEST IN PUBLIC SPEAKING

The Cwen contest in public speaking is open to all the freshman women of the University.

Cwen, national honorary society for sophomore women, sponsors the contest and makes the awards. The winner of first place receives a cash prize of \$15.00 and the winner of second place is awarded \$10.00.

FISK CONTEST IN ORATORY

The Fisk Oratorical contest was established and endowed in 1921 by Otis B. Fisk, LL. B., Ph. D., in honor of his father, Dr. Charles Henry Fisk, of the class of 1863.

All sophomore, junior, and senior men may enter the preliminaries from which the four best speakers are chosen for the finals, which are held in Benton Hall. The winner is awarded a cash prize of \$30.00 and the second best receives an award of \$20.00. There is also a third prize of \$10.00.

Publications

RECENSIO

The "Recensio," the Miami University year book, is published near the end of the second semester, giving a complete pictorial and written review of the happenings of the school year. This annual is published by a staff selected from the junior class and is under its direction and supervision.

As suggested by its name, the "Recensio" endeavors to give a complete summary or review of the preceding year. It is a very complete pictorial and written review of the scholastic year. Perhaps a "lion's share" is given to the seniors, but the other classes are not forgotten.

MIAMI STUDENT

Established in 1826, the "Miami Student" is the oldest college newspaper west of the Alleghanies. Making its appearance on Tuesday and Friday evenings, the paper is the four page semi-weekly paper of the University. It gives a complete review of the happenings on the campus, whether athletic, forensic, or scholastic, and other news of campus and country-wide college activities.

Regular "beats" are assigned to reporters and a "dope sheet" is posted for each issue. Thus the work is made to conform as nearly as possible with that on any large metropolitan daily.

The editor of the Miami Student is appointed by a committee composed of the Chairman of the Publications Committee of the University Senate, the heads of the

English Department, the Assistant to the President of the University, the Chairman of the Student-Faculty Council, and the editor of the Miami Student. The editor is selected from those having successfully qualified.

The editor of the Miami Recensio is appointed by a committee composed of the Chairman of the Publications Committee of the University Senate, the head of the English Department, the Assistant to the President of the University, the Chairman of the Student-Faculty Council, and the editor of the Miami Recensio. The editor is selected from those having successfully qualified.

The manager of the Miami Student is appointed by a committee composed of the Chairman of the Publications Committee of the University Senate, the Secretary of the Board of Trustees of the University, the Assistant to the President of the University, the Chairman of the Student-Faculty Council, and the manager of the Miami Student. The manager is selected from those having successfully qualified.

The manager is selected from those having successfully qualified.

The selection of editors and managers of the Miami Student and the Miami Recensio results from competition. Competition for each position is conducted under regulations prescribed by the respective committees.

MIAMI DIRECTORY

The Miami Directory is issued by the University shortly after the school opens for the fall term. It contains the names, home addresses, campus addresses and Oxford phone numbers of the students registered in the University. In addition it contains a list of all the faculty and administration members with their offices, addresses and phone numbers. It also has a list of the class presidents, officers of the Student Senate, Student Council, Y. M. C. A. and Y. W. C. A. The University calendar is also included.

THE "M" BOOK

This is the Freshman's "Bible" and he should read it from cover to cover, assimilate its contents and digest them thoroughly.

The editor is appointed by the President and General Secretary of the Y. M. C. A. The editorial staff is appointed by the editor. The book is made possible through the cooperation of the organizations listed in the front.

THE NEWS LETTER

The News Letter is the University publication which is issued with the purpose of keeping a close bond between Miami and her alumni, scattered all over the world. It details the doings of the different departments of the school in a brief and concise manner, giving the results of athletic contests and containing all other information of interest to the alumni.

Musical Organizations

THE UNIVERSITY GLEE CLUB THE MADRIGAL CLUB THE CHORAL UNION

These choral organizations offer membership to all students in the University who can qualify, after consulting with the director. They offer students unequalled opportunity for becoming familiar with a wide variety of chorus music, ranging from simple part-songs to the great classic and modern choral works. The University Glee Club is made up of the men students, and the Madrigal Club of women. The membership of the Choral Union is drawn from both the men and women students. These organizations are under the direction of the faculty members of the School of Fine Arts. Public concerts are given throughout the year.

THE UNIVERSITY ORCHESTRA

Membership in the University Orchestra is open to all students who can qualify, after consulting with the conductor. Students who take this work have unusual opportunity for sight-reading and orchestral routine. It is obvious that while the pleasure of participating in such an organization is an important consideration, the value of thorough and careful study of a large amount of orchestra literature cannot be over estimated by the serious student of music. The orchestra is under the direction of a faculty member of the School of Fine Arts. Public concerts are given throughout the year.

THE UNIVERSITY BAND

This year a new plan will be put into use in the University band, under the direction of Mr. Normann. Besides the regular band, membership in which entails one semester hour of credit, there will be a "pep" band which will accompany the football team on one or more trips away from home. This band will be smaller and independent of the regulation band, which gives various public performances during the year, although membership in the two organizations may overlap.

As usual, the band will play at home basketball games. Rehearsals are held weekly and end with the annual spring concert.

Dramatics

YE MERRIE PLAYERS

Ye Merrie Players controls the dramatic activities at Miami. A point system is used in determining membership; thus much hard work and active interest in dramatics is required before one can become a member. Points are made by taking part in or assisting in Ye Merrie Players productions.

Founded in 1910, the organization has been active ever since. Three plays are presented each year, one at the midyear, one at Home-coming, and another at commencement, the plays being carefully selected for their high quality.

THE DRAMATIC WORKSHOP

This is a sub-organization to Ye Merrie Players. Approximately every three weeks, plays are presented before a selected audience of critics. Plays which are voted or selected as the best are again presented but this time before a paid audience in the Workshop Theater, located in Main Building.

FRESHMAN DRAMATICS

Freshmen interested in dramatics have the opportunity of working in their own plays. A group known as the Freshman Players, under the direction of Ye Merrie Players, gives several plays in the Workshop Theater each year. Tryouts for this group are held early in the Fall, at which time any Freshman can try out for membership in the organization. The group which is selected functions in somewhat the same manner as Ye Merrie Players.

Honorary Organizations

PHI ETA SIGMA

The Miami University Chapter of Phi Eta Sigma, national scholastic fraternity for freshmen, was established in 1928. Membership is based solely on scholarship. Elections are held twice a year, at the end of the first semester and at the end of the year. A freshman failing to make the required average of 3.5 (half "A" and half "B") at the end of the first semester may still be elected at the end of the second if his average for the year is up to that required. Each year the organization presents a loving cup to the fraternity whose pledges have the highest average.

TAU KAPPA ALPHA

Tau Kappa Alpha is an intercollegiate honorary recognizing excellence in public speaking and debate. Its purpose is to encourage high standards of oratory and debate. Elections are held each spring at which time those who have distinguished themselves in this field are elected to membership.

ALPHA KAPPA DELTA

The Ohio Alpha Chapter of this national honorary sociological fraternity was established at Miami in 1925. Membership is open to students majoring or elementary students who make an "A" grade.

ALETHENAI LITERARY SOCIETY

Miami chapter of the Alethenai Literary Society was installed at Miami University for the purpose of stimulating interest in creative literary work among the students of the University. Those eligible must have a general "B" average, a "B-plus" average in English, and be recommended by three professors.

DELTA OMICRON

Delta Omicron a national musical sorority, was installed at Miami University in 1923 as an honorary organization, membership being open to those girls who were taking the public school music course. An average of "B" must be had and maintained for membership. The insignia of the organization is a gold lyre set with pearls. Musicals are given monthly by the members and a twilight recital in May to which the student body is invited.

DELTA SIGMA PI

Replacing the old local Gamma Delta Nu fraternity, Delta Sigma Pi, national honorary business fraternity, was installed at Miami in 1927. Membership is based on interest shown in business lines and the subjects offered in the School of Business. Delta Sigma Pi is one of the leading business fraternities in the country.

ETA SIGMA PHI

Another national fraternity, installed here during the past few years, is Eta Sigma Phi, honorary Greek and Latin society. It attempts a two-fold purpose in that it tries to stimulate interest in and appreciation of

the classics besides promoting good fellowship and social interest among the classical students. Only those maintaining a high standing in the classical studies are eligible for membership.

KAPPA DELTA PI

Students who have done exceptional work in preparing themselves for the teaching profession may be elected to membership in Kappa Delta Pi, national honorary teaching fraternity. Candidates to the Nu Chapter, established here in 1923, are selected on the basis of a strictly "B" average from members of the Junior and Senior classes.

KAPPA PHI

Kappa Phi is a national Methodist university women's club, founded at Kansas University in 1916. The Lambda chapter was installed at Miami in 1922. The purpose of the organization is to provide religious training and a wholesome social life for college women. The slogan is, "Every university girl of today a leader in the church tomorrow." All Methodist girls attending Miami are eligible for membership.

LAMBDA TAU

Lambda Tau is an honorary literary-journalistic society for girls who have shown exceptional ability in creative literary lines. It was primarily founded at Miami with the purpose of promoting literary

interests in the University and putting out a literary magazine—The Miami. However, this has been discontinued and the society remains strictly honorary.

LIBERAL ARTS CLUB

The Liberal Arts Club of Miami University was organized in 1903 for the purpose of promoting the social life and literary interest of the girls in the Liberal Arts College. Until 1908, all were eligible for membership. Since that year the entrance requirements have been a "B" average in all subjects, and a "B-plus" average in English.

PHI BETA KAPPA

The Iota of Ohio Chapter of Phi Beta Kappa, national honorary scholastic fraternity, was established at Miami in 1911. Membership is limited to members of the Junior and Senior classes who attain the high scholarship standard of the fraternity. To be eligible for election in his junior year the student must have an average of three-fourths "A" and one-fourth "B," and in his senior year one-half "B" and one-half "A." The averages are figured on all courses taken.

BETA PI THETA

The two principal aims of Beta Pi Theta, honorary French society, are to honor those students who have done meritorious work in French and essentially to stimulate

interest in French literature, art, and history. Conversation is stressed in each of the sixteen meetings held during the year.

PHI MU ALPHA, SINFONIA

Phi Mu Alpha, Sinfonia Fraternity, is a national honorary organization. Its chief aim and purpose is to advance the cause of good music in America. Membership is limited to men who have adopted music as a profession or have shown an active interest in the art. Scholarship standing is also taken into consideration when elections to the organization are held.

PHI SIGMA

Phi Sigma chooses its members from the upperclassmen doing work in Botany, Geology or Zoology. The Miami or Upsilon Chapter was installed on the campus in 1926. Meetings are held bi-weekly at which addresses are given by members of the faculty and visiting scientists. Membership is based upon high scholastic achievement in any particular branch of natural science.

OMICRON DELTA KAPPA

Omicron Delta Kappa took the place of Blue Key on the campus two years ago. It is a national men's honorary recognizing service and scholarship. Election is made from a group of Junior and Senior men who can qualify on the basis of service through activities and a high scholastic record. The standards are very high and election to this honorary is one of the highest recognitions which can be given.

KAPPA PHI KAPPA

Kappa Phi Kappa is a national professional honorary fraternity of students interested in education. Its purpose is to encourage members in the study of the principles and problems of higher education.

The fraternity was founded at Dartmouth College in 1922, and the Miami, or Xi Chapter, was organized in 1925.

DELTA PHI DELTA

Delta Phi Delta is an art honorary that has recently been installed on the Miami campus. To become members all aspirants must have Art for their majors, or must have shown great interest in one of its branches. The object of this society is to recognize individual achievement and to encourage students to develop any ability they may have in the line of art. Annual prizes are awarded for the unusual treatment by a student of given types or objects. Awards are also made at an exhibit held each year by the club.

LES POLITIQUES

Les Politiques was founded at Miami in 1931 to promote interest in the study of government. All majors in government who have made a grade of "B" or above at the end of the first semester of their sophomore year are eligible.

SIGMA DELTA PI

The Alpha Alpha chapter of Sigma Delta

Pi, national Spanish honorary, was established at Miami last March, when five of the faculty and four students were initiated. Requirements for membership are a general B average and nothing below B in Spanish courses.

BOTANY CLUB

The Botany Club is an organization for the advancement of botanical science. Meetings are held every two weeks in the lecture room in Brice Hall. Papers are read or reports given by members of the club on topics of general interest. Occasionally outside speakers are obtained to address the club, also motion pictures are given to which all interested members of the student body are invited. First year students are associate members, while the advanced students have the standing of full-fledged members.

GERMAN CLUB

Students who are taking second-year or more advanced German are members of the German Club. German is spoken at all meetings of the club. The members of the German Department provide the programs, which vary from speeches to plays. Lantern slides of Germany are often made a part of the program.

MATHEMATICS CLUB

The Mathematics Club is an organization for the purpose of bringing together those of the faculty and students who have a common interest in mathematics to consider mathematical topics which are not treated in scheduled courses in our school.

Meetings are held on the second and fourth Mondays of each month. There is provided, in general, a double program for each meeting, one part presupposing a knowledge of the integral calculus and the other part of a more elementary nature. Any student or faculty member is eligible to membership.

CLASSICAL CLUB

The Classical Club is one of the oldest of the present day Miami organizations. It has been on the Miami campus for several decades and has always sought to foster interest in the study of Latin and Greek. The club membership extends to any one enrolled in either a Latin or a Greek course. The club meets bi-monthly.

SIGMA GAMMA EPSILON

Sigma Gamma Epsilon is the honorary geological fraternity. The Alpha Theta chapter was founded at Miami in 1934. The members must have fourteen hours of "B" or better grades in geology and be carrying more advanced work in this field. The fraternity publishes a news-letter which keeps the members posted on things of interest in connection with geology. The fraternity co-operates with the Geology Department in sponsoring an annual field trip to Mammoth Cave, Kentucky, and also the spring field trip in Southern United States, held at the close of each school year.

SIGMA PI SIGMA

Sigma Pi Sigma, national honorary physics fraternity, was founded in 1921, and since 1929 has had a rapid growth. The Miami chapter, Omega, was installed last June.

Admission to the organization is conditioned on enrollment in an advanced course in physics, a general scholastic average of B, an average of 3.25 in all physics courses, and courses in mathematics and chemistry.

The local chapter has 23 members at present, including students, alumni, and staff members. This chapter and the one installed at the same time at Chicago University brought the roll of Sigma Pi Sigma to 25 chapters.

EPSILON PI TAU

The Gamma chapter of Epsilon Pi Tau, national industrial education honorary, was founded at Miami in 1931. Juniors and seniors of good scholarship are admitted to this honorary whose purpose is to interest industrial education students in their work.

COM-BUS

In order to further interest in business among the girls, Com-bus was founded in 1931. It includes high ranking girls in the business school.

Miscellaneous

THE LOW-DOWN

The following pages have been prepared with but one thought in mind—to make things easier for you once you arrive in Oxford. Most of you are entirely unacquainted with the university and Oxford, and with the strange new life which awaits you here. Read the following pages through carefully, and follow the suggestions which are made.

NEW STUDENTS

When you arrive in Oxford, whether by train or bus, you will find a Y. W. or Y. M. representative waiting for you. He or she will tell you where to go and what to do. Do not be afraid to ask questions; that is what they are there for and, furthermore, they were freshmen once themselves and can sympathize with you.

If you do not know the number of your room, women should go immediately to the Dean of Women, and men to Mr. Morris, both of whom you will find in Benton Hall, and arrange for your room. Then hunt up the expressman and have your trunk delivered as soon as possible. Make your room comfortable the first day. You may not have time to pay much attention to it for a week afterwards, and a comfortable room is a great panacea for homesickness.

SUMMARY OF EXPENSES

The expenses for the year which are directly connected with the University are as follows:

	Men	Women
Registration fee (one-half payable each semester)	\$80.00	\$80.00
Health fee	10.00	10.00
Student activity fee	12.00	12.00
Rent for room in dormitory....	90.00	90.00
Board in dining hall	175.00	162.00
Rental and laundry bed linen	5.00	
Laundry of bed linen		4.00
Gymnasium towel fee	1.25	
Gymnasium locker deposit	1.00	1.00

The above deposit does not include laboratory deposits or books, which are estimated at \$25.00.

WHAT TO BRING

When you start packing up to come to Miami the following suggestions might be of some value in selecting and rejecting material:

In the men's dorms, sheets, pillows, and pillow-cases are provided by the University and laundered by the school service. A small charge is made at the beginning of the year to cover the expense. Blankets and comforts are furnished by the men themselves.

Women are required to bring their own sheets and pillow-cases and blankets. They are also expected to take care of cleaning their own rooms.

Miami is not essentially a fancy dress school. Bring what you are accustomed to at home. No one is going to point at you because you are not dressed in the height of fashion. You are at school to study and not to learn the fine points about dress.

Bank accounts can be opened at either one of the two banks at Oxford or you can draw directly from home. The Oxford banks usually require that accounts with them be not allowed to run under fifty dollars.

Come prepared to pay for your room rent for one semester, six weeks' board, activity fee and other fees such as your lab fees, room key deposit and so forth. Registration fees will generally run up to about one hundred twenty dollars, depending on courses and various other factors.

Above all, the university is an institution of learning. Determine not to lose the high hopes and ambitions with which your parents sent you. Come with an abounding curiosity to find out what it's all about, and the determination to stick it out when it becomes hard and you get homesick. Determine that you will get out of these greatest four years of your life all that is possible in culture and learning.

FRESHMAN WEEK

Freshman week was inaugurated at Miami eight years ago. The purpose is to acclimate the freshmen of the University before the return of the upperclassmen. All matters of student interest are explained and the year's work outlined to the student's greatest advantage. During the four-day period the freshmen are divided into sections of twenty-five each, according to the course which they expect to pursue. Each group is under the direction of a faculty leader, a faculty assistant, and a student assistant who is a member of one of the Christian Association Cabinets.

The material outlined for the week is covered in about eight joint discussions and lecture meetings. The first meeting is

given over to a careful explanation of the purpose and plan of the English, psychological and physical examinations which are given. Two meetings are used to explain the different courses offered at Miami and to check up on the vocational aims of each student. Group meetings during the remaining part of the week are devoted to discussions of college rules and regulations, academic requirements, probation, absences, grades, honorary organizations, campus activities, fraternities, etc. Also, a tour of the campus is made so that every student may have a glimpse of the whole University.

AUTOS

The rule which prohibits the possession of an auto in Oxford during the school year is one which is not burdensome, injurious, or unfair to the student. In fact, not only the faculty, but also a large part of the student body consider it a very desirable regulation.

In the first place an auto is not necessary for transportation within Oxford. No distance across the town is so great that it cannot be walked comfortably in ten minutes, while the average distance is about three blocks. In such circumstances an auto would be more of a bother than a help.

But besides that, the possession of an auto usually has a distracting influence on the mind of the possessor. It forms a center of interest which is at odds with the main purpose of the University. This, together with the ever present danger of accidents when out with the "crowd," is likely to be reflected in a lowered standard of academic achievement.

FRESHMAN TIPS

From the vast store of knowledge of upperclassmen comes the following paragraphs. It is hoped that some of the tips which are given here will facilitate your getting settled at Miami, and save you much trouble and even embarrassment later on.

Meet your Adviser. From now on when things go wrong or when you want help or advice, go to him. He's been here a long time and he understands your problems.

Freshman Week was inaugurated for your benefit. Go to every meeting which has been scheduled for you. There will be valuable information given at each one which you can't afford to miss.

Get acquainted with Oxford and know

your way around by the time the upperclassmen get back. Get into the swing of things and make a good impression on your elders. It pays.

As soon as you get settled in your room, find out who lives around you. These people will be your friends for the next few years of your life so you may as well get acquainted.

If your proctor doesn't call on you, hunt him up. He's there to assist you in any way possible. Take advantage of all the assistance you can get. Don't be afraid to ask questions. In and out of class.

Find out the rules of the dormitory in which you live. If a copy of the rules is not supplied you, find out from someone in authority. It may save you considerable embarrassment later.

The social affairs of Freshman Week are to help you get acquainted. Go to them, and don't stand on the sidelines. Make your presence known. Get into the spirit of the thing.

Forget your High School record. You are a Miami Man now, and you will be judged by what you do here, not what you did in High School.

Don't forget that you're down here to study. Make a good start by having your first day assignments well prepared. If you don't get behind you'll find that your studies won't be difficult. A good impression is lasting. Do your best the first nine weeks. You'll never regret it.

Go out for some activity and stay out. The experience and the contacts that you make will be invaluable to you. The service which you do Miami will be appreciated.

Do all your work on week days. "P. A." on Friday, Saturday, or Sunday or don't "P. A." at all. Go home before 10:30.

Go to Assemblies. They're not only required, they're valuable.

Learn the songs and yells and join in the rooting. Miami's courtesy at athletic events is above reproach. Do your part to keep it so.

Miami has many ideals. They are now in your hands. We are depending on you to preserve and cherish them. They mean much to every Miami man and woman.

Write the folks at home every week whether you need money or not. They have great hopes for you, and they like to know how you're getting along.

Attend your own church in Oxford on Sunday morning. You will receive something there which even the University does not give.

The "Miami Spirit" is nationally known. It is by service to humanity that Miami men have become great. Do your part.

Miami University will be judged by your conduct wherever you go. Always let your conduct be such that it will bring credit to the university.

Get acquainted with your professors. They're a fine bunch of fellows and what's more, they know more than they tell you in class.

Don't try to keep an automobile in Oxford without a permit. There's no easier way to let yourself out of the University.

A pledge pin is not necessary to success at Miami. Some of the most outstanding men and women have been Independents. Don't be disheartened if you don't get a bid.

BUILDINGS

Here are given the principal buildings of the University. No doubt you will have them all well in mind by the end of your first week in Oxford, but this list, together with the map in the rear of the book, will help you in getting around the first few days.

Harrison Hall is the oldest building on the campus, having been erected soon after the University was founded in 1809. It is chiefly occupied by classrooms used by the College of Liberal Arts. The University Commons, a dining room for men, is in this building.

The Y. M. C. A. Book Store and candy room, and the Workshop Theatre, may be found on the first floor.

Brice Hall, the science building, provides laboratories and classrooms for the Departments of Geology and Zoology. A zoological museum on the second floor, and a geology museum on the first floor, are open to inspection.

Benton Hall contains the Auditorium, used for University chapel and assembly services, and for student dramatic productions. The administrative offices are to be found in the building.

Alumni Library was made possible through the gift of the late Andrew Carnegie, and was built jointly by Mr. Carnegie, the alumni, and the State, at a total cost of \$220,000. It houses the University library of 128,000 volumes, and seats four hundred students in the reading rooms.

A wing erected on the east side of the Library provides ample room for a rapidly

growing student body, and for an additional reading room.

McGuffey Hall is devoted entirely to the School of Education, founded at Miami in 1902. It has been built in four sections at a total cost of \$360,000.

The south wing and the southeast wing accommodate the William McGuffey training school of five hundred pupils.

Hughes Hall, a chemistry building named for one of Miami's former presidents, is directly east of the old chemistry building in the lower campus. It contains lecture rooms, a library, offices, and laboratories. Another wing will be built in the near future in the place where the old building now stands.

Irvin Hall is largely devoted to classrooms for the College of Liberal Arts and for the School of Business. The north and east sections provide classrooms and offices, while the south section is used by the Departments of Botany and Physics. The School of Business is located on the third floor. The Recensio and Student offices are located on the ground floor, near the secretarial laboratory.

The **McFarland Observatory** south of the lower campus houses a twelve-inch refracting telescope. Dr. Anderson, professor of mathematics, has charge of the Observatory, which is open to the student body on clear nights.

The **Industrial Education Building** is a three-story, fireproof structure, housing the mechanical drawing, wood-working, metal-working, and printing departments.

Withrow Court is Miami's new gymnasium, the first unit of which was completed in 1931. This unit includes the gymnasium, offices of the professors of Physical Education, several student, fac-

The building, which is used entirely by the men, will have cost nearly a million dollars when completed. Later units will include a swimming pool, an auxiliary gymnasium, and a field house.

Herron Gymnasium, formerly used by both men and women, is now devoted entirely to co-ed athletic activities.

The Hospital is situated south of the campus, opposite the Power Plant.

Much can be done for sick people if they are treated in time; therefore, all students who are sick or ailing in any way are expected to report at once at the hospital.

A new X-ray machine has just been purchased and is available at prices 50 per cent lower than ordinary rates.

The doctors and nurses are always in attendance at the hospital and emergencies are taken care of at any time of the day or night, but other than emergency cases are expected to come for admission to the hospital or treatment in the dispensary at the regular hours, which are 9:00 to 12:00 A. M., and 2:00 to 5:00 P. M.

The hospital is supported entirely by the student health fee, and is financially independent of the university and the state.

Fisher Hall is a freshman men's dormitory, serving as the student center for the first year men.

Oxford College, the Caroline Scott Harrison Memorial, is a freshman girls' dormitory and girls' student center.

Ogden Hall, upperclass dormitory for men, is the men's student center on the campus. The offices of Arthur C. Wickenden, professor of religion and general

The Ogden Hall dining room is located in the basement of Ogden. It is used for athletic and organization banquets.

Miami's new **Food Service Building** was completed two years ago. The building is located on University property in the west section of Oxford, and is to be connected by a spur with the B. and O. railroad tracks. The building is used exclusively by the University Boarding Department.

East and West Halls are girls' dormitories located southeast of Irvin Hall. They are used principally by freshman and sophomore women.

Bishop, Hepburn, and Wells Halls are girls' dormitories, housing upperclass women.

North and South are men's dormitories, housing freshman men. North is divided into Johnson and Elliot Halls and South into Swing, McFarland, and Stoddard Halls. These are the oldest living quarters on the campus.

THE NEW FRESHMAN DORMITORY

The main portion and the north wing of the New Freshman Dormitory are now in the process of construction and will be completed and ready for occupation by this fall. When completed the dorm will be the most modern and completely equipped building on the campus. It will house approximately 220 freshmen and will provide in addition, a dining hall, a lounging room, and a recreation room. Its eighty foot tower will house a huge clock which will be visible from all parts of the campus.

THE LIBRARY

Miami has a large and well equipped library. The main reading room seats approximately 250 people and the reserve reading room about 150. In all, the library contains about 128,000 volumes.

Library rules which apply to all students, and, if learned, will save new students much inconvenience, are as follows:

1. Books may be secured by signing for them at the desk in the lobby. A fine of two cents per day is charged for books kept longer than the specified time.

2. Books may ordinarily be kept for two weeks.

3. A card-index of all volumes is provided, listing them by title and author. Books can be called for by number only.

4. Admission to the stacks may be obtained by application to the librarian. In special cases, a card is issued allowing the bearer to enter the stacks at any time.

5. Back numbers of magazines may be obtained at the desk.

6. Reserve books may be obtained at the reserve desk in the basement.

7. Reserve books may not be removed from the library except at the close of the day, and must be returned at 8:00 the next morning. Books withdrawn Saturday evening may be retained until Monday morning at 8:00.

8. A fine of ten cents an hour for the first two hours, and five cents an hour after the first two, is charged for every reserve book kept after the time limit expires.

9. The Library is open on Sunday afternoons from 2:30 until 5:00, but the stacks are not open and no books may be withdrawn.

MIAMI CHEST DRIVE

Several years ago the members of the Student Body were bothered with numerous calls to contribute to various worthy organizations. Each Christian Association and charitable institution made a separate campaign each fall. These continuous appeals were not only monotonous to the students, but were themselves many times unsuccessful. In 1925 it was decided to unite these under a Chest system. A budget, allotting a specific sum to each organization, was made out by a special committee of faculty and students. Then early in the fall a drive was put on to raise this money. The whole campus, faculty and students, united in the program of altruistic giving, by which, in one liberal donation, they were able to support these institutions.

In the past six years this drive has been successful. We feel that it will be even more successful this year. This drive will give you a chance to help support the local Y. M. C. A. and Y. W. C. A. and to contribute to off-campus projects. Last year money was sent to the Committee on Friendly Relations with Foreign Students in America, to Grace Steinback, a Y. W. C. A. Secretary in China whom the Y. W. C. A. at Miami has helped to support for several years, a boys' school in Bagdad.

any line of scholastic endeavor, in Recognition Exercises at Chapel some time during the spring semester. An address by some prominent educator is followed by the announcement of the elections to those honorary societies which recognize high scholastic attainment. At this time, the scholastic awards for the previous semester are also made. This includes the awarding of the Phi Eta Sigma Freshman Cup, the Phi Beta Kappa Fraternity Cup, and the Phi Beta Kappa Sorority Cup.

THE PHI ETA SIGMA AND THE PHI BETA KAPPA AWARDS

Each semester the Phi Beta Kappa Scholarship Cups are awarded to the fraternity and sorority which make the highest scholastic average. The Fraternity Cup is awarded to the members of the organization exclusive of pledges, and the Sorority Cup is awarded to both members and pledges.

The Phi Eta Sigma Cup is awarded to the freshman pledges having the highest average for the year.

UNIVERSITY NEWS BUREAU

The University News Bureau, 106 Benton Hall, furnishes news of Miami and Miami students to middle western newspapers, but directs all University student publications. Students are advised to inform the News Bureau of matters which might be of interest to the home-town papers.

Ralph J. McGinnis, a Miami graduate, is in charge of the News Bureau and as faculty adviser of the Student and the Recensio.

OXFORD

Oxford is a town of about 2,500 people. The University is located in the southeast quarter of the town proper, although it has a few buildings in other sections. The chief thoroughfare is High Street, on which the bus stop is located, and on which most business places are to be found.

To get to High Street from the railroad station, go one square east and two north. Follow High Street east until you arrive at Miami Gates, which open into the campus.

Intra-state and interstate bus lines, and a branch of the B. & O. railroad pass through Oxford. The village is 14 miles from Hamilton, 34 from Cincinnati, and 120 miles from Columbus. State highway 27 passes through Oxford.
